Sec. 14. At a general or special municipal election the person receiving the highest number of votes for mayor, or for alderman from any one ward, shall be deemed and declared elected to such office. If two or more persons receive the same number of votes for mayor, or for alderman from the same ward, the board of aldermen may, by majority vote, fill the vacancy so created until the next regular election.

Sec. 15. If any judge or registrar shall fail to be present on the day of election, his place shall be filled by the mayor at once, and if at any time the registrar is temporarily unable to act as such, the mayor may appoint a temporary registrar to act for him after being duly sworn, or if a vacancy should occur in said office, for any reason, then the mayor may appoint to fill the vacancy. The registrar and judges of elections shall receive for their services such compensation as shall be fixed by the board of aldermen; but such compensation shall in no event exceed that allowed by law for registrars and judges holding elections for members of the General Assembly of North Carolina.

Sec. 16. If a person elected fails to qualify, the office shall be filled as if there were a vacancy thereof, as provided in Section 14 herein.

Sec. 17. No informalities in conducting municipal elections in the Town of Long View shall invalidate the same, if they have been conducted fairly and in substantial conformity to the requirements of this Act.

AN ACT PROVIDING THAT THE STATE OF NORTH CAROLINA MAY ENTER INTO A COMPACT WITH ANY ONE OR MORE OF THE STATES OF ALABAMA, FLORIDA, GEORGIA, KENTUCKY, MISSISSIPPI, SOUTH CAROLINA, TENNESSEE, VIRGINIA, AND WEST VIRGINIA, TO PROMOTE EFFECTIVE PREVENTION AND CONTROL OF FOREST FIRES IN THE SOUTHEASTERN REGION OF THE UNITED STATES: PROVIDING FOR MEMBERS FROM THE STATE OF NORTH CAROLINA TO AN ADVISORY COMMITTEE TO ADMINISTER SAID COMPACT: AND PROVIDING FOR THE CARRYING OUT OF SAID COMPACT.

The General Assembly of North Carolina do enact:

Section 1. The Legislature on behalf of this State is hereby authorized to execute a compact, in substantially the following form, with any one or more of the States of Alabama, Florida, Georgia, Kentucky, Mississippi, South Carolina, Tennessee, Virginia, and West Virginia, and the Legislature hereby signifies in advance its approval and ratification of such compact:

SOUTHEASTERN INTERSTATE FOREST FIRE PROTECTION COMPACT

Article I.

The purpose of this compact is to promote effective prevention and control of forest fires in the Southeastern region of the United States by the development of integrated forest fire plans, by the maintenance of adequate forest fire fighting services by the member states, by providing for mutual aid in fighting forest fires among the compacting states of the

region and with states which are party to other regional forest fire protection compacts or agreements, and for more adequate forest protection.

Article II.

This compact shall become operative immediately as to those states ratifying it whenever any two or more of the States of Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia, which are contiguous have ratified it and Congress has given consent thereto. Any state not mentioned in this Article which is contiguous with any member state may become a party to this compact, subject to approval by the Legislature of each of the member states.

Article III.

In each state, the state forester or officer holding the equivalent position who is responsible for forest fire control shall act as compact administrator for that state and shall consult with like officials of the other member states and shall implement cooperation between such states in forest fire prevention and control.

The compact administrators of the member states shall coordinate the services of the member states and provide administrative integration in carrying out the purposes of this compact.

There shall be established an advisory committee of legislators, forestry commission representatives, and forestry or forest products industries representatives which shall meet from time to time with the compact administrators. Each member state shall name one member of the Senate and one member of the House of Representatives who shall be designated by that state's commission on interstate cooperation, or if said commission cannot constitutionally designate the said members, they shall be designated in accordance with laws of that state; and the Governor of each member state shall appoint two representatives, one of whom shall be associated with forestry or forest products industries to comprise the membership of the advisory committee. Action shall be taken by a majority of the compacting states, and each state shall be entitled to one vote.

The compact administrators shall formulate and, in accordance with need, from time to time, revised a regional forest fire plan for the member states.

It shall be the duty of each member state to formulate and put in effect a forest fire plan for that state and take such measures as may be necessary to integrate such forest fire plan with the regional forest fire plan formulated by the compact administrators.

Article IV.

Whenever the state forest fire control agency of a member state requests aid from the state forest fire control agency of any other member state in combating, controlling or preventing forest fires, it shall be the duty of the state forest fire control agency of that state to render all possible aid to the requesting agency which is consonant with the maintenance of protection at home.

Article V.

Whenever the forces of any member state are rendering outside aid pursuant to the request of another member state under this compact, the employees of such state shall, under the direction of the officers of the state to which they are rendering aid, have the same powers (except the power of arrest), duties, rights, privileges and immunities as comparable employees of the state to which they are rendering aid.

No member state or its officers or employees rendering outside aid pursuant to this compact shall be liable on account of any act or omission on the part of such forces while so engaged, or on account of the maintenance, or use of any equipment or supplies in connection therewith: Provided, that nothing herein shall be construed as relieving any person from liability for his own negligent act or omission, or as imposing liability for such negligent act or omission upon any state.

All liability, except as otherwise provided hereinafter, that may arise either under the laws of the requesting state or under the laws of the aiding state or under the laws of a third state on account of or in connection with a request for aid, shall be assumed and borne by the requesting state.

Any member state rendering outside aid pursuant to this compact shall be reimbursed by the member state receiving such aid for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost of all materials, transportation, wages, salaries, and subsistence of employees and maintenance of equipment incurred in connection with such request: Provided, that nothing herein contained shall prevent any assisting member state from assuming such loss, damage, expense or other cost or from loaning such equipment or from donating such service to the receiving member state without charge or cost.

Each member state shall provide for the payment of compensation and death benefits to injured employees and the representatives of deceased employees in case employees sustain injuries or are killed while rendering outside aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within such state.

For the purposes of this compact the term employee shall include any volunteer or auxiliary legally included within the forest fire fighting forces of the aiding state under the laws thereof.

The compact administrators shall formulate procedures for claims and reimbursement under the provisions of this Article, in accordance with the laws of the member states.

Article VI.

Ratification of this compact shall not be construed to affect any existing statute so as to authorize or permit curtailment or diminution of the forest fire fighting forces, equipment, services or facilities of any member state.

Nothing in this compact shall be construed to limit or restrict the powers of any state ratifying the same to provide for the prevention, control and extinguishment of forest fires, or to prohibit the enactment or

enforcement of state laws, rules or regulations intended to aid in such prevention, control and extinguishment in such state.

Nothing in this compact shall be construed to affect any existing or future cooperative relationship or arrangement between any Federal agency and a member state or states.

Article VII.

The compact administrators may request the United States Forest Service to act as a research and coordinating agency of the Southeastern Interstate Forest Fire Protection Compact in cooperation with the appropriate agencies in each state, and the United States Forest Service may accept responsibility for preparing and presenting to the compact administrators its recommendations with respect to the regional fire plan. Representatives of any Federal agency engaged in forest fire prevention and control may attend meetings of the compact administrators.

Article VIII.

The provisions of Articles IV and V of this compact which relate to mutual aid in combating, controlling or preventing forest fires shall be operative as between any state party to this compact and any other state which is party to a regional forest fire protection compact in another region: Provided, that the Legislature of such other state shall have given its assent to such mutual aid provisions of this compact.

Article IX.

This compact shall continue in force and remain binding on each state ratifying it until the Legislature or the Governor of such state, as the laws of such state shall provide, takes action to withdraw therefrom. Such action shall not be effective until six months after notice thereof has been sent by the chief executive of the state desiring to withdraw to the chief executives of all states then parties to the compact.

Sec. 2. When the Legislature shall have executed said compact on behalf of this State and shall have caused a verified copy thereof to be filed with the State Secretary, and when said compact shall have been ratified by one or more of the states named in Section one of this Act, then said compact shall become operative and effective as between this State and such other state or states. The Governor is hereby authorized and directed to take such action as may be necessary to complete the exchange of official documents as between this State and any other state ratifying said compact.

Sec. 3. The Legislature of this State hereby gives its assent to the mutual aid provisions of Articles IV and V of the South Central Interstate Forest Fire Protection Compact in accordance with Article VIII of that compact relating to inter-regional mutual aid; and the Legislature of this State also hereby gives its assent to the mutual aid provisions of Articles IV and V of the Middle Atlantic Interstate Forest Fire Protection Compact in accordance with Article VIII of that compact relating to inter-regional mutual aid.

Sec. 4. The State Forester is hereby designated as Compact Ad-

ministrator for this State and shall consult with like officials of the other member states and shall implement cooperation between such states in forest fire prevention and control.

"G. S. 105-449.14. Power of Commissioner to cancel licenses.—If a licensee shall at any time file a false report of any data or information required by this Article, or shall fail, refuse or neglect to file any report as required by this Article, or to pay the full amount of any tax required by this Article, or if a supplier fails to keep accurate records of quantities of fuel received, produced, refined, manufactured, compounded, sold or used in this State, or if a user-seller fails to maintain accurately any required records, the Commissioner may forthwith cancel his license and notify him in writing of such cancellation by registered mail sent to his last address appearing on the files of the Commissioner.

"The Commissioner may cancel any license upon the written request of the licensee.

For the purpose of this Section, 'imported' shall not include fuels brought into this State in the usual tank or receptacle connected with the engine of a motor vehicle. The primary purposes of this levy and this Article are to provide a more efficient and effective method of collecting the tax now imposed and collected pursuant to G. S. 105-435, by providing for the collection of said tax from the supplier instead of the user. The tax herein provided for is levied for the same purposes as the tax provided for in G .S. 105-435. S. B. 324 CHAPTER 823

AN ACT TO COLLECT FUEL TAX FROM COMMERCIAL VEHICLES THAT NOW TRAVEL NORTH CAROLINA HIGHWAYS WHILE USING FUEL PURCHASED IN OTHER STATES AND FROM WHICH NORTH CAROLINA HAS RECEIVED NO HIGHWAY REVENUE.

The General Assembly of North Carolina do enact:

Section 1. Definitions.—Whenever used in this Article, the word "Commissioner" means Commissioner of Revenue except when the Commissioner of Motor Vehicles is specifically designated. Whenever used in this Article, the term "motor carrier" means every person, firm or corporation who operates or causes to be operated on any highway in this State any passenger vehicle, other than public school buses, that has seats for more than seven passengers in addition to the driver, or any road tractor, or any tractor truck, or any truck having more than two axles.

The word "operations", when applied to a motor carrier who transports passengers or property for compensation, means operations of all vehicles, whether loaded or empty, regardless of size or kind, for compensation.

The word "operations", when applied to a motor carrier who transports property not for compensation, means operations of all road tractors, tractor trucks, and trucks having more than two axles, whether loaded or empty, for the transportation of property into or out of or through this State.

Any motor carrier who operates or causes to be operated any such passenger vehicle, or any road tractor, or any tractor truck, or any truck having more than two axles on one or more days of any quarter of the year, as hereinafter described, is liable for the tax imposed by this Article for that quarter and is entitled to the credits allowed for that quarter.

Sec. 2. Tax levied.—A road tax for the privilege of using the streets and highways of this State is hereby imposed upon every motor carrier, which tax shall be equivalent to seven cents (7c) per gallon calculated on the amount of gasoline or other motor fuel used by such motor carrier in its operations within this State. Except as credit for certain taxes as hereinafter provided for in this Article, taxes imposed on motor carriers by this Article are in addition to any taxes imposed on such carriers by any other provisions of law. The tax herein levied is for the same purposes as the tax imposed under the provisions of G. S. 105-434.

Sec. 3. Credit for payment of motor fuel tax.—Every motor carrier subject to the tax hereby imposed shall be entitled to a credit on such tax equivalent to seven cents (7c) per gallon on all gasoline or other motor fuel purchased by such carrier within this State for use in operations

either within or without this State and upon which gasoline or other motor fuel the tax imposed by the laws of this State has been paid by such carrier. Evidence of the payment of such tax in such form as may be required by, or is satisfactory to, the Commissioner shall be furnished by each such carrier claiming the credit herein allowed. When the amount of the credit herein provided to which any motor carrier is entitled for any quarter exceeds the amount of the tax for which such carrier is liable for the same quarter, such excess may under regulations of the Commissioner be allowed as a credit on the tax for which such carrier would be otherwise liable for another quarter or quarters; or upon application within 180 days from the end of any quarter, duly verified and presented, in accordance with regulations promulgated by the Commissioner and supported by such evidence as may be satisfactory to the Commissioner, such excess may be refunded if it shall appear that the applicant has paid to another state under a lawful requirement of such state a tax on the use or consumption in said state of gasoline or other motor fuel purchased in this State, to the extent of such payment to said other state, but in no case to exceed the rate per gallon of the then current gasoline or other motor fuel tax of this State.

The Commissioner shall not allow such refund except after an audit of the applicant's records and shall audit the records of an applicant at least once a year.

Sec. 4. Refunds to motor carriers who give bond.—A motor carrier may give a bond in the amount of ten thousand dollars ($10,000.00) payable to the State and conditioned that the motor carrier will pay all taxes due and to become due under this Article. So long as the bond remains in force the Commissioner may order refunds to the motor carrier in the amounts appearing to be due on applications duly filed by the carrier under Section 3 without first auditing the records of the carrier. Such bond shall be in such form and with such surety or sureties as may be required by the Commissioner.

Sec. 5. Penalty for false statements.—Any person who wilfully and knowingly makes a false statement orally, or in writing, or in the form of a receipt for the sale of motor fuel, for the purpose of obtaining or attempting to obtain or to assist any other person, partnership or corporation to obtain or attempt to obtain a credit or refund or reduction of liability for taxes under this Article shall be guilty of a misdemeanor.

Sec. 6. Payment of tax.—For the purposes of making payment of taxes pursuant to this Article and making reports pursuant to this Article, the year is divided into four quarters of three consecutive months each, and the first quarter shall consist of the months of January, February and March. The tax herein imposed shall be paid by each motor carrier to the Commissioner on or before the twentieth day of the month immediately following the quarter with respect to which tax liability hereunder accrues and shall be calculated upon the amount of gasoline or other motor fuel used in its operations within this State by each such carrier during the quarter ending with the last day of the preceding month. A lessee of a motor vehicle, and not the lessor thereof, shall make such

reports and be liable for and pay such taxes as may become due under this Article with respect to all operations by a lessee pursuant to any lease of a motor vehicle.

Sec. 7. Taxes to be paid into State Highway and Public Works Fund.—All taxes collected pursuant to the provisions of this Article shall be paid into the State Highway and Public Works Fund.

Sec. 8. How amount of fuel used in State ascertained.—The amount of gasoline or other motor fuel used in the operations of any motor carrier within this State shall be such proportion of the total amount of such gasoline or other motor fuel used in its entire operations within and without this State as the total number of miles traveled within this State bears to the total number of miles traveled within and without this State.

Sec. 9. Reports of carriers.—Every motor carrier subject to the tax imposed by this Article shall on or before the twentieth day of April, July, October and January of every year make to the Commissioner such reports of its operations during the quarter of the year ending the last day of the preceding month as the Commissioner may require and such other reports from time to time as the Commissioner may deem necessary. When any person required to file a report as provided by this Article fails to file such report within the time prescribed by this Article, he shall be subject to a penalty of not more than fifty dollars ($50.00) for the first failure, and not more than one hundred dollars ($100.00) for any subsequent failure, and any penalty pursuant to this Section shall be assessed and collected by the Commissioner in the same manner as is provided in this Article with respect to any tax deficiency, and shall be subject to all other applicable provisions relating to the assessment and collection of taxes pursuant to this Article. However, motor carriers are not required to make any reports with respect to vehicles used exclusively in intrastate operations in this State except as the Commissioner may specifically from time to time require, but this is not to be construed to eliminate the requirements as to registration and identification markers with respect to all such vehicles as provided in Section 11 of this Act.

Sec. 10. Inspection of books and records.—The Commissioner and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax imposed by this Article.

Sec. 11. Registration cards and vehicle identifications.—No motor carrier shall operate or cause to be operated in this State any vehicle listed or described in Section 1, and not excluded therein from the scope of this Act, unless and until he has secured from the Commissioner a registration card and an identification marker for such vehicle. The registration card shall be of such form and design as the Commissioner may prescribe. The registration card shall be carried in the vehicle for which it was issued at all times when the vehicle is in this State. The identification marker shall be in such form and of such size as the Commissioner may prescribe, and such marker may be either a plate,

sticker, or such other form of identification marker as the Commissioner may prescribe. Such identification marker shall be attached or affixed to the vehicle in the place and manner prescribed by the Commissioner so that the same is clearly displayed at all times. Each identification marker for a particular vehicle shall bear a number which number shall be the same as that appearing on the registration card for the same vehicle. The registration cards and markers herein provided for shall be issued on an annual basis as of January 1st each year and shall be valid through the next succeeding December 31st. However, the Commissioner, in his discretion, may authorize renewal of registration cards and identification markers without the necessity of issuing new cards and markers. All identification markers issued by the Commissioner shall remain the property of the State.

Sec. 12. Fees.—For issuing each registration card, a fee of one dollar ($1.00) shall be paid to the Commissioner and no registration card shall be issued unless the applicant pays such fee upon making application for the registration card. Such fees shall be paid into the State Highway and Public Works Fund.

Sec. 13. Temporary emergency operation.—In an emergency, the Commissioner, by letter or telegram, may authorize a vehicle to be operated without a registration card or identification marker for not more than ten days.

Sec. 14. Application blanks.—The Commissioner shall prepare forms to be used in making applications in accordance with this Article and the applicant shall furnish all information required by such forms.

Sec. 15. Violations declared to be misdemeanors.—Any person who operates or causes to be operated on any highway in this State any motor vehicle that does not carry the registration card that this Article requires it to carry, or any motor vehicle that does not display in such manner as is prescribed by the Commissioner the identification marker that this Article requires to be displayed, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not less than ten dollars ($10.00) nor more than two hundred dollars ($200.00). Each day's operation in violation of any provision of this Section shall constitute a separate offense.

Sec. 16. Violators to furnish bond.—When any person is discovered in this State operating a vehicle in violation of the provisions of this Article, it shall be unlawful for anyone thereafter to operate said vehicle on the streets or highways of this State, except to remove it from the street or highway for purposes of parking or storing said vehicle, unless and until a bond in the amount of two hundred dollars ($200.00) is furnished to the Commissioner, in such form and with such surety or sureties as he may prescribe, conditioned on a proper registration card and identification marker being applied for within ten days and conditioned on the payment of any taxes found to be due pursuant to this Article.

Sec. 17. Other penalties.—Whenever it is discovered that any person has failed to pay the taxes or any part thereof due pursuant to this

Article, the Commissioner of Revenue is hereby authorized to make an assessment with respect thereto on the basis of the best information available and there shall be added to such assessment a penalty of twenty-five per cent (25%) thereof and interest at the rate of one-half of one per cent (½ of 1%) per month from the time said tax became due until paid. Except insofar as the same are in conflict herewith, all the provisions of Article 9 of Chapter 105 of the General Statutes, relating to general administration, penalties and remedies pursuant to the State Revenue Act, are hereby made applicable, insofar as practicable, with respect to this Article. The Commissioner of Revenue shall have the power, upon making a record of his reasons therefor, to reduce or waive any penalties provided for in this Article.

Sec. 18. Commissioner of Motor Vehicles made process agent of nonresident motor carriers.—The acceptance by a nonresident motor carrier of the rights and privileges conferred by the laws now or hereafter in force in this State permitting the operation of motor vehicles, as evidenced by the operation of a motor vehicle by such nonresident, either personally or through an agent or employee, on the public highways of this State, or the operation by such nonresident, either personally or through an agent or employee, of a motor vehicle on the public highways of this State other than as so permitted or regulated, shall be deemed equivalent to the appointment by such nonresident motor carrier of the Commissioner of Motor Vehicles, or his successor in office, to be his true and lawful attorney and the attorney of his executor or administrator, upon whom may be served all summonses or other lawful process or notice in any action, assessment proceeding or other proceeding against him or his executor or administrator, arising out of or by reason of any provisions of this Act relating to such vehicle or relating to the liability for tax with respect to operation of such vehicle on the highways of this State. Said acceptance or operation shall be a signification by such nonresident motor carrier of his agreement that any such process against or notice to him or his executor or administrator shall be of the same legal force and validity as if served on him personally, or on his executor or administrator. All of the provisions of G. S. 1-105 following the first paragraph thereof shall be applicable with respect to the service of process or notice pursuant to this Section.

Sec. 19. Commissioner of Motor Vehicles to aid in enforcement.—The Commissioner of Motor Vehicles is hereby authorized and directed to utilize the State Highway Patrol, uniformed officers assigned to the various permanent weighing stations of the Department of Motor Vehicles, and such other personnel of the Department of Motor Vehicles as he may deem wise, to assist in enforcing the provisions of this Article.

Sec. 20. Sec. 8. Declaration of Water Emergency.—Upon the request of the governing body of a county, city or town the board shall conduct an investigation to determine whether the needs of human consumption, necessary sanitation and public safety require emergency action under Section 9 of this Act. Upon making such determination, the board shall conduct a public hearing on the question of the source of relief water after three days written notice of such hearing has been given to any persons having the right to the immediate use of water at the point from which such water is proposed to be diverted. Diversion of waters shall cease upon the termination of the water emergency or upon the finding of the board that the person controlling the water or sewerage system using diverted waters has failed to enforce effectively the restrictions on use to human consumption and necessary sanitation and public safety.

In the event waters are diverted pursuant to this Act, there shall be no diversion to the same person in any subsequent year unless the board finds as fact from evidence presented that the person controlling the water or sewerage system has made reasonable plans and acted with due diligence pursuant thereto to eliminate future emergencies by adequately enlarging such person's own water supply.

(b) To make such reasonable rules and regulations governing the conservation and use of diverted waters within the emergency area as shall be necessary for the health and safety of the persons who reside within the emergency area; and the violation of such rules and regulations during the period of the emergency shall constitute a misdemeanor punishable by a fine of not more than one thousand dollars ($1,000) or imprisonment for not more than one year or both within the discretion of the court; provided, however, that before such rules and regulations shall become effective, they shall be published in not less than two consecutive issues of not less than one newspaper generally circulated in the emergency area.

Sec. 10. Temporary Rights of Way.—When any diversion of waters is ordered by the board pursuant to Section 9 of this Act, the person controlling the water or sewerage system into which such waters are diverted is hereby empowered to lay necessary temporary water lines for the period of such emergency across, under or above any and all properties to connect the emergency water supply to an intake of said water or sewerage system. The route of such water lines shall be prescribed by the board.

Sec. 11. Compensation for Water Allocated During Water Emergency and Temporary Rights of Way.—Whenever the board, pursuant to Section

9 (a) of this Act has ordered any diversion of waters, the person controlling the waters or sewerage system into which such waters are diverted shall be liable to all persons suffering any loss or damage caused by or resulting from the diversion of such waters or caused by or resulting from the laying of temporary water lines to effectuate such diversion. The board, before ordering such diversion, shall require that the person against whom liability attaches hereunder to post bond with a surety approved by the board in an amount determined by the board and conditioned upon the payment of such loss or damage.

Sec. 12. Cooperation of State Agencies and Officials.—The Governor may direct the cooperation and assistance of all State agencies and officials for the purpose of enforcing and carrying out the intent, purpose and policies of this Act and the rules and regulations made by the board pursuant to this Act.

"Sec. 6. Retirements.

(a) Service Retirement Benefits.

(1) Any uniformed member of the Charlotte Fire Department may retire upon written application to the Board of Trustees setting forth at what time, not less than thirty (30) days nor more than ninety (90) days subsequent to the execution and filing thereof, he desires to be retired; provided that said member will have had thirty (30) years of service as a uniformed member of the Charlotte Fire Department and will be at least fifty-five (55) years old at the time he desires to be retired. In computing the period of service to qualify for such retirement, all members of the Charlotte Fire Department shall be given credit for all previous service in said department. This will also include service by members in the Armed Forces of the United States of America who were employed in the department prior to entering the service of their country, in either World War I, World War II or the Korean War. An average of not more than six persons shall be retired in any one year under this system. Those who wish to retire, but because of this limitation cannot, but are eligible by seniority to retire, shall be deferred to the following year.

(2) Any uniformed member of the Charlotte Fire Department who has attained the age of sixty-five (65) years shall be retired when he becomes sixty-five (65) years of age and such retirement shall be com-

pulsory, provided the fund has reached two hundred thousand dollars ($200,000.00) as provided in subsection 5(c) above.

Retirement benefits for firemen retiring after attaining age fifty-five (55) and before attaining age sixty (60) shall be computed in the same manner, reduced, however, to account for the longer expectancies of such persons by multiplying the normal benefit by the following reduction factors:

Retirement at age	Factor
55	70.964%
56	75.720
57	80.937
58	86.675
59	93.003

No disability benefits shall begin or become due until all benefits due under the North Carolina Workmen's Compensation Law shall have been paid in full, or, in the case of a lump sum payment, until after the maximum period covered by the lump sum payment shall have expired.

(2) Any uniformed member of the Charlotte Fire Department who shall become totally and permanently disabled other than by reason of an injury, accident or occupational disease provided for in the immediately preceding subsection shall, after ten (10) years of service, be entitled to retirement benefits equal to twenty five per centum (25%) of the pay of such disabled employee at the time of his retirement and to an increase of one and one-fourth per centum (1.25%) of pay for each year of service at the time of such retirement in excess of ten (10) years, provided that the rate of compensation under this subsection shall in no event exceed fifty per centum (50%) of the pay of the disabled retired employee.

'Disability' shall mean inability to perform the duties for which

employed or other work in the department paying not less than the amount which such employee was receiving immediately prior to disability and to which his superiors in the department are willing to assign him.

(4) The determination by the Board of Trustees that any applicant is not entitled to retirement benefits under this Section shall not prohibit such applicant from filing another application at a later date, provided said application is based on additional or different facts bearing on the question of his disability.

(5) Whenever the Medical Board and the Trustees shall agree on any application, such determination shall be conclusive, but in the event the Medical Board shall find that the applicant is permanently and totally disabled as herein defined and the Trustees shall not so find, then the applicant shall have the right of an appeal to the Civil Service Commission and their decision shall be final on said application.

(6) Any member of the system who shall have been retired by reason of disability hereunder shall be subject to the call of the Board of Trustees at any time for re-examination, and if, upon re-examination, such member be found able to perform active duty in the Charlotte Fire Department, he shall be reinstated in a position equal in rank to that at the time of his retirement. "(4) Nothing in this Article shall be construed to restrict or prohibit the sale of concentrated commercial feeding stuff to each other by importers, manufacturers or manipulators who mix concentrated commercial feeding stuff for sale or distribution, if the seller shall send to the Commissioner of Agriculture for each such sale or shipment, at the time of shipment or delivery, a statement that it is to be used only in the manufacture of registered feeds. Such statement shall give the name and address of the manufacturer, date of sale or shipment, name and address of manufacturer to whom sold or shipped, amount shipped, size of packages, and name of feeding stuff.

The General Assembly of North Carolina do enact:

Section 1. GOVERNING BODY AS PLATTING AUTHORITY. The City Council of the City of Jacksonville, North Carolina, is hereby authorized to enact an ordinance regulating the platting and recording of any subdivision of land as defined by this Act lying within the corporate limits of Jacksonville, Onslow County, North Carolina, or within one mile in all directions of its corporate limits and not located in any other municipality.

Sec. 2. PROCEDURE FOR ADOPTING SUBDIVISION ORDINANCE. Before the City Council of the City of Jacksonville, North Carolina, shall adopt a Subdivision Control Ordinance or any amendment thereto under the provisions of this Act, the Council shall hold a public hearing on the proposed ordinance. A notice of such public hearing shall be given once a week for two successive calendar weeks in a newspaper published in said municipality, or if there be no newspaper published in said municipality, by posting such notice at four public places in the municipality,

said notice to be published the first time, or posted, not less than fifteen days prior to the date fixed for said hearing.

Sec. 3. PROCEDURE FOR FILING PLAT. If the city council adopts an ordinance regulating the subdivision of land and authorized herein, no subdivision plat shall be filed or recorded until it shall have been submitted to and approved by said city council and such approval entered in writing on the plat by the city clerk provided a copy of such ordinance shall be filed with the Register of Deeds of Onslow County, North Carolina, in which the municipality is situated. The Register of Deeds of Onslow County, upon receipt of such ordinance shall not thereafter file or record a plat of a subdivision of land located within the territorial jurisdiction of the City of Jacksonville as defined herein without the approval of such plat by said governing body as required in this Act. The owner of land shown on a subdivision plat submitted for recording, or his authorized agent, shall sign a statement on the plat stating whether or not any land shown thereon is within the territorial jurisdiction of the City of Jacksonville as defined herein. The Clerk of Superior Court shall not order or direct the recording of a plat where such recording would be in conflict with this Section.

Sec. 4. SUBDIVISION REGULATIONS. Prior to exercising the powers granted to it by this Act, the city council shall by ordinance adopted pursuant to this Act adopt regulations governing the subdivision of land within its platting jurisdiction as defined in Section 1. Such ordinance shall require that at least a preliminary plan of every proposed subdivision shall be submitted for study recommendation and tentative approval to the legislative body or to the Planning Board of the City of Jacksonville.

Such ordinance may provide for the orderly development of the municipality and its environs; for the coordination of streets within proposed subdivision with existing or planned streets or with other public facilities; for the dedication or reservations of rights-of-way or easements for street and utility purposes; and for the distribution of population and traffic which shall avoid congestion and overcrowding, and which shall create conditions essential to public health, safety, and general welfare.

Such ordinance may include requirements for the final plat to show sufficient data to determine readily and reproduce accurately on the ground the location, bearing, and length of every street and alley line, lot line, easement boundary line, and other property boundaries, including the radius and other data for curved property lines, to an appropriate accuracy and in conformance with good surveying practice.

Such ordinance may include requirements as to the improvement and grading of streets and the construction and installation of street pavements, and surface water drainage as a condition precedent to the approval of the plat. In addition, such ordinance may require the installation of water and sewer facilities so as to conform to ordinances of the City of Jacksonville now or hereafter enacted regulating water and sewer extensions and installation as a condition precedent to the approval of the plat. The governing body shall provide that the plat be tentatively

approved before any such improvements and installations may be undertaken. Such ordinance may provide that in lieu of the completion of such improvements and installations prior to the final approval of a plat, the governing body may accept a bond, in an amount and with surety and conditions satisfactory to it, providing for and securing to the City of Jacksonville the actual construction and installation of such improvements and utilities within a period specified by the governing body and expressed in the bond; and the City of Jacksonville is hereby granted the power to enforce such bonds by all appropriate legal and equitable remedies. Such ordinance may provide that for subdivisions within the corporate limits the governing body may in lieu of requiring a bond or the completion of such improvements and installations prior to the final approval of a plat, provide for an assessment under Article 9 of Chapter 160 or other statutory authorization whereby the City of Jacksonville may make said improvements and installations at the cost of the owners of the property within the subdivisions.

Sec. 5. EFFECT OF PLAT APPROVAL ON STATUS OF DEDICATIONS. The approval of a plat by the governing body shall not be deemed to constitute or effect the acceptance by the City of Jacksonville of the dedication of any street or other ground, public utility line, or other public facility shown upon the plat.

Sec. 6. PENALTIES FOR TRANSFERRING LOTS IN UNAPPROVED SUBDIVISIONS. If the City Council of the City of Jacksonville adopts an ordinance regulating the subdivision of land as authorized herein, any person who, being the owner or agent of the owner of any land located within the platting jurisdiction granted to the City of Jacksonville, North Carolina, by Section 1 of this Act, thereafter transfers or sells such land by reference to a plat showing a subdivision of such land before such plat has been approved by said city council and recorded in the office of the Register of Deeds, of Onslow County, shall upon conviction be guilty of a misdemeanor, and the description by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring shall not exempt the transaction from such penalties. Said municipality, through its city attorney or other official designated by its governing body, may enjoin such transfer or sale by action for injunction.

Sec. 7. DEFINITIONS. For the purpose of this Act, the following definition shall apply:

"Subdivision." A "subdivision" shall include all divisions of a tract or parcel of land into two or more lots, building sites, or other divisions for the purpose, whether immediate or future, of sale, or building development, and shall include all divisions of land involving the dedication of a new street or a change in existing streets; provided, however, that the following shall not be included within this definition nor be subject to the regulations authorized by this Act: (1) The combination or recombination of portions of previously platted lots where the total number of lots is not increased and the resultant lots are equal to or exceed the standards of the municipality as shown in its subdivision regulations;

(2) the division of land into parcels greater than five acres where no street right-of-way dedication is involved; (3) the public acquisition by purchase of strips of land for the widening or opening of streets; (4) the division of a tract in single ownership whose entire area is no greater than two acres into not more than three lots, where no street right-of-way dedication is involved and where the resultant lots are equal to or exceed the standards of the municipality as shown in its subdivision regulations.

Sec. 8. POWERS GRANTED HEREIN SUPPLEMENTARY. The power granted to the City of Jacksonville by this Act shall be deemed supplementary to any powers heretofore or hereafter granted in the charter or by local statute for the same or a similar purpose.

AN ACT TO AUTHORIZE BOARDS OF COUNTY COMMISSIONERS TO OBTAIN LIBALITY INSURANCE.

The General Assembly of North Carolina do enact:

Section 1. Section 153-9 of the General Statutes of North Carolina is hereby amended by adding thereto a new subsection to read as follows:

"The board of county commissioners of any county, by securing liability insurance as hereinafter provided, is hereby authorized and empowered to waive the county's governmental immunity from liability for damage by reason of death, or injury to person or property, caused by the negligence or tort of the county or by the negligence or tort of any official or employee of such county when acting within the scope of his authority or within the course of his employment. Such immunity shall be deemed to have been waived by the act of obtaining such insurance, but such immunity is waived only to the extent that the county is indemnified by insurance from such negligence or tort.

"Any contract of insurance purchased pursuant to this subsection must

be issued by a company or corporation duly licensed and authorized to execute insurance contracts in this State, and such contract of insurance may cover such negligent acts or torts and such officials and employees as the board of county commissioners may decide. The board may purchase one or more contracts of insurance pursuant to this subsection, each such contract covering different negligent acts or torts or different officials or employees from every other contract. Any company or corporation which enters into a contract of insurance as above described with a county by such act waives any defense based upon the governmental immunity of such county.

"Every board of county commissioners is authorized and empowered to pay, as a necessary expense, the lawful premiums for such insurance.

"Any person sustaining damages, or in case of death his personal representative, may sue a county insured under this subsection for the recovery of such damages in any court of competent jurisdiction in such county; and it shall be no defense to any such action that the negligence or tort complained of was in pursuance of a governmental or discretionary function of such county, if, and to the extent, such county has insurance coverage as provided in this subsection.

"Except as hereinbefore expressly provided, nothing in this subsection shall be construed to deprive any county of any defense whatsoever to any such action for damages, or to restrict, limit, or otherwise affect any such defense which said county may have at common law or by virtue of any statute; and nothing in this subsection shall be construed to relieve any person sustaining damages or any personal representative of any decedent from any duty to give notice of such claim to said county or to commence any civil action for the recovery of damages within the applicable period of time prescribed or limited by statute.

"A county may incur liability pursuant to this subsection only with respect to a claim arising after the board of county commissioners has procured liability insurance pursuant to this subsection and only during the time when such insurance is in force.

"No part of the pleadings which relates to or alleges facts as to a defendant's insurance against liability shall be read or mentioned in the presence of the trial jury in any action brought pursuant to this subsection. Such liability shall not attach unless the plaintiff shall waive the right to have all issues of law or fact relating to insurance in such an action determined by a jury and such issues shall be heard and determined by the judge without resort to a jury and the jury shall be absent during any motions, arguments, testimony, or announcement of findings of fact or conclusions of law with respect thereto unless the defendant shall ask for a jury trial thereon."

Sec. 1½. Provided no part of this Act shall apply to Davie or Scotland County.

Sec. 2. This action of the board of county commissioners of any county which has heretofore taken out liability insurance of the type provided for in this Act is hereby in all respects validated and confirmed.

Sec. 3. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 4. This Act shall be in full force and effect from and after ratification.

AN ACT TO AUTHORIZE MUNICIPALITIES IN ALAMANCE COUNTY TO ESTABLISH SPECIAL RESERVE FUNDS.

The General Assembly of North Carolina do enact:

Section 1. The governing body of each municipality in Alamance County is authorized and empowered to establish, in addition to all other funds now authorized by law, a fund to be known as the "Special Reserve Fund."

Sec. 2. When a governing body elects to establish such a fund, it shall pass an ordinance creating the fund. Thereafter, the governing body may from year to year make appropriations in the General Fund for deposit to the Special Reserve Fund.

Sec. 3. In the ordinance creating the fund, the governing body shall designate some bank, banks or trust company as depository in which the appropriations to the Special Reserve Fund shall be deposited and earmarked for the use of such Special Reserve Fund. All such deposits shall be secured as provided by Chapter 159, Section 28 of the General Statutes of North Carolina. Pending their use for the purposes hereinafter provided, all or any portion of the moneys in said fund may be invested in either bonds, notes or certificates of indebtedness of the United States of America; or in bonds or notes of any agency or instrumentality of the United States of America the payment of principal and interest of which is guaranteed by the United States of America; or in bonds or notes of the State of North Carolina; or in bonds of any county, city or town of North Carolina which have been approved by the Local Government Commission for the purpose of such investment; or in shares of any building and loan association organized and licensed under the laws of the State, or in shares of any Federal savings and loan association organized under the laws of the United States with its principal office in this State, to the extent that such investment is insured by Federal Deposit Insurance. The proceeds of the sale or realization of such investments and any interest resulting from such investments shall be deposited to the credit of the Special Reserve Fund.

Sec. 4. Withdrawals of all or any part of such fund may be made from time to time and applied to or expended for all or any portion of the cost of the following purposes which are hereby declared to be necessary expenses, and shall not be expanded for any other purpose:

Construction, enlargement or extension of water and sewer systems and facilities.

Sec. 5. Before any withdrawal is made, the governing body shall by resolution authorize such withdrawal. It shall specify the amount of

such withdrawal, and the purpose for which such amount shall be spent. Any resolution authorizing withdrawal shall be adopted at a regular or special meeting of the governing body and shall then be published at least once in each of two succesive weeks in some newspaper published in the municipality, and such resolution shall not become effective until thirty (30) days after the date of first publication: Provided, if no newspaper is published in the municipality, the notice shall be published in a newspaper with general circulation in the municipality. No right of action or defense founded upon the invalidity of such resolution shall be asserted, nor shall the validity thereof be open to question in any court upon any ground whatever, except in an action or proceeding commenced within thirty (30) days after the date of first publication.

Sec. 6. In the event that an emergency arises which in the opinion of the governing body involves the health, safety or welfare of the inhabitants of the municipality, necessitating the immediate expenditures of all or any portion of such Special Reserve Fund for the purposes for which the fund is created, a withdrawal may be made from the fund by resolution of the governing body without publication as provided for in the preceding Section. Such resolution shall declare that an emergency exists and set forth such facts as are necessary to show that such emergency does exist.

Sec. 7. It is the intent and purpose of this Act to authorize the accumulation of moneys in the Special Reserve Fund sufficient to carry out the purposes for which the fund is created. The annual appropriation to any Special Reserve Fund established under authority of this Act shall in no event exceed five per cent (5%) of the current budget of the municipality concerned.

H. B. 940 CHAPTER 921

AN ACT TO PROVIDE FOR THE REGULATION OF THE SUBDIVISION OF LAND IN AND AROUND THE CITY OF RALEIGH.

WHEREAS, the process of land subdivision establishes a pattern of streets and land ownership that, once created, will probably exist for hundreds of years; and

WHEREAS, faulty street and lot layouts blight urban areas giving rise to inefficient and inappropriate uses of land, and creating conditions which require excessive expenditures for municipal facilities, services and the maintenance thereof, the cost of which must be borne through the years by tax-paying citizens of our cities and towns; and

WHEREAS, the efficient and wise use of land and the orderly growth

of cities and towns require that new subdivisions be designed in accordance with reasonable standards and comprehensive plans for the growth of the urban areas; and

WHEREAS, existing State legislation authorizing cities and towns of North Carolina to regulate the design of subdivisions is woefully inadequate, in light of the needs and in comparison with the legislation of the great majority of the states: Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. Municipal Legislative Body As Platting Authority. — The legislative body of the City of Raleigh is hereby authorized to enact an ordinance providing that no plat of a subdivision of land lying within the municipality or within two miles in all directions of its corporate limits shall be filed or recorded until it shall have been submitted to and approved by said legislative body and such approval entered in writing on the plat by the city clerk and treasurer. If Wake County be granted and exercises the power to control subdivisions within its boundaries, the authority granted to the City of Raleigh shall be restricted to not more than one mile beyond its corporate limits.

If the legislative body of the City of Raleigh adopts an ordinance regulating the subdivision of land as authorized herein, it shall file a copy of such ordinance with the Register of Deeds of Wake County. The register of deeds shall not thereafter file or record a plat of a subdivision of land located within the territorial jurisdiction of such municipal legislative body as defined herein without the approval of said legislative body as required in this Act. The owner of land shown on a subdivision plat submitted for recording, or his authorized agent, shall sign a statement on the plat stating whether or not any land shown thereon is within the territorial jurisdiction of the City of Raleigh as defined herein. The filing or recording of a plat of a subdivision without the approval of the municipal legislative body as required by this Act shall be null and void. The Clerk of Superior Court of Wake County shall not order or direct the recording of a plat where such recording would be in conflict with this Section.

Sec. 2. Subdivision Regulations. — Prior to exercising the powers granted to it by this Act, the municipal legislative body shall by ordinance adopt regulations governing the subdivision of land within its platting jurisdiction as herein defined. Such ordinance shall require that at least a preliminary plan of every proposed subdivision shall be submitted to the City Planning Commission created and appointed under the authority of the City Charter for study and recommendation.

Such ordinance may provide for the orderly development of the municipality and its environs; for the coordination of streets within subdivisions with existing or planned streets; for the dedication of rights of way or easements for streets and utilities; for the reservation of open spaces for parks, schools, fire stations and churches for a period not to exceed four years from date of approval; and for the distribution of population and traffic which shall avoid congestion and overcrowding,

and which shall create conditions essential to public health, safety, and general welfare.

Such ordinance may include requirements for the final plat to show sufficient data to determine readily and reproduce accurately on the ground the location, bearing, and length of every street and alley line, lot line, easement boundary line, and other property boundaries, including the radius and other data for curved property lines, to an appropriate accuracy and in conformance with good surveying practice.

Such ordinance may include requirements as to the improvement and grading of streets and installation of surface water drainage facilities as a condition precedent to the approval of the plat. Such ordinance may require the installation of water and sewer facilities conforming to ordinances of the city where such facilities are available or are made available at the boundary of the plat; and may require paving, curbs and gutters, if water and sewer are installed, as a condition precedent to the approval of the plat. The legislative body shall provide for the preliminary approval of the plat previous to such improvements and installations. Such ordinance may provide that in lieu of the completion of such work and installations prior to the final approval of a plat, the legislative body may accept a bond, in an amount and with surety and conditions satisfactory to it, providing for and securing to the municipality the actual construction and installation of such improvements and utilities within a period specified by the legislative body and expressed in the bond; and the municipality is hereby granted the power to enforce such bonds by all appropriate legal and equitable remedies. Such ordinance may provide, in lieu of the completion prior to the final approval of a plat of such work and installations on lands within the corporate limits of the municipality, for an assessment under Article 9 of Chapter 160 or other statutory authorization whereby the municipality may do said work and make said installations at the cost of the owners of the property within the subdivision.

Before adoption of a subdivision control ordinance or any amendment thereof, the legislative body shall hold a public hearing thereon. A notice of such public hearing shall be given once a week for two successive calendar weeks in a newspaper published in such municipality, said notice to be published the first time not less than fifteen days prior to the date fixed for said hearing.

Sec. 3. Effect of Plat Approval on Status of Dedications. — The approval of a plat by the legislative body shall not be deemed to constitute or effect the acceptance by the municipality or public of the dedication of any street or other ground, public utility line, or other public facility shown upon the plat, unless so stated on the plat and signed by the city clerk and treasurer.

Sec. 4. Penalties for Transferring Lots in Unapproved Subdivision. — If the legislative body adopts an ordinance regulating the subdivision of land as authorized herein, any person who, being the owner or agent of the owner of any land located within the platting jurisdiction granted to the municipality, thereafter transfers or sells such land by reference to

a plat which was not recorded in the office of the Register of Deeds of Wake County, showing a subdivision of such land before such plat has been approved by said legislative body, shall upon conviction be guilty of a misdemeanor.

Sec. 5. Acceptance of and Improvements in Unapproved Streets. — From and after the time when the platting jurisdiction of the municipal legislative body shall have attached by virtue of the adoption of a subdivision control ordinance as provided in this Act, the municipality shall not accept for maintenance, lay out, open, improve, grade, pave, or light any street or authorize the laying of water mains, sewers, connections, or other facilities or utilities in any street within the municipality or other territorial jurisdiction of said legislative body as defined herein (a) unless such street shall have been accepted or opened as, or shall have otherwise received the legal status of a public street prior to the said attachment of the legislative body's subdivision jurisdiction, or (b) unless such street correspond in its location and lines with a street shown on a subdivision plat approved by said legislative body, or (c) unless such street be accepted as a public street by vote of a majority of all the members of said legislative body.

Sec. 6. Definitions. — For the purpose of this Act, the following definition shall apply:

Subdivision. A "subdivision" shall include all divisions of a tract or parcel of land into two or more lots, building sites, or other divisions for the purpose, whether immediate or future, of sale, legacy, or building development, and shall include all divisions of land involving the dedication of a new street or a change in existing streets; provided, however, that the following shall not be included within this definition nor be subject to the regulations authorized by this Act: (a) the combination or recombination of portions of previously platted lots where the total number of lots is not increased and the resultant lots are equal to the standards of the municipality; (b) the division of land into parcels greater than five acres where no street right of way dedication is involved; (c) the public acquisition by purchase of strips of land for the widening or opening of streets.

Sec. 7. Powers Granted Herein Supplementary. — The powers granted by this Act shall be deemed supplementary to any powers heretofore or hereafter granted under the general law or by charter or by local statute for the same or a similar purpose, and in any case where the provisions of this Act conflict with or are different from such provisions of the Charter of the City of Raleigh or local statute, the legislative body of the municipality may in its discretion proceed in accordance with the provisions of said charter or local statute, or in accordance with the provisions of this Act.

Sec. 8. All laws and clauses of laws in conflict with this Act are hereby repealed to the extent of such conflict.

Sec. 9. If for any reason any Section, provision, item, phrase, clause, sentence, or part of any Section of this Act shall be held unconstitutional, the invalidity of such Section, provision, item, phrase, clause, sentence, or

part of Section shall not affect the validity of the remainder of this Act; but such remainder shall be permitted to stand and the various provisions of this Act are hereby declared to be separable for that purpose.

Sec. 10. This Act shall become effective upon its ratification.

In the General Assembly read three times and ratified, this the 11th day of May, 1955.

WHEREAS, due to the rising economy throughout the nation during the past decade or more and the resulting increase of the general expenses of county government and because of the limitation of tax rate in Article V, Section 6 of the Constitution certain counties have been and still are unable to finance the cost of a systematic and efficient revaluation of real property as contemplated by such laws and Constitution from their current operating (general) funds and have thus been forced to continue to postpone such revaluation, and

WHEREAS, such revaluation is essential to the economic welfare and financial stability of counties, and

If the legislative body of said municipality adopts an ordinance regulating the subdivision of land as authorized herein, any person who, being the owner or agent of the owner of any land located within the platting jurisdiction granted to the municipality by Section 1 of this Act, thereafter transfers or sells such land by reference to a plat showing a subdivision of such land before such plat has been approved by said legislative body and recorded in the office of the Orange County Register of Deeds, shall upon conviction be guilty of a misdemeanor, and the description by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring shall not exempt the transaction from such penalties. Whenever the jurisdiction of the court is derived from a justice of the peace, whether by appeal, by a finding of probable cause as a committing magistrate, or by transfer of the case, the costs which shall be paid to the justice of the peace from which the court derives jurisdiction shall be the fee which is now, or shall hereafter be, fixed by law for the issuing of a warrant by a justice of the peace, together with the fee which is now, or may hereafter be, fixed by law for the issuing of such subpoenas as may be issued by such justice of the peace for State's witnesses, and the City of Greensboro and the clerk of court shall be liable for no other or further costs whatsoever to a justice of the peace.

The court shall have full power in any case in which it shall adjudge that the prosecution was malicious, irresponsible, frivolous, or not required by the public interest, to tax the prosecutor with the costs of said action, and, in the event that said court shall adjudge such prosecution is frivolous and malicious, the court shall have the power to imprison such

Rule 20. Appeal Bond in Criminal Cases. In case of an appeal in a criminal case, the defendant, or defendants, shall be required to give bond, with sufficient surety to insure his or their appearance in the Superior Court, and in default thereof the judge shall commit the defendant, or defendants, to the common jail of Guilford County until he, or they, shall give bond or be otherwise discharged according to law.

The summons shall be served and returned, as provided by law for the service and return of summons issued from the Superior Court; provided that, in those cases where the summons fixes the date for trial at a time less than ten days from the date of the summons, the summons shall be effective only until the date fixed for trial, and, if not served within that time, shall be returned with the officer's return of non-service endorsed thereon. Upon the return of the summons to the court, the clerk shall report to the attorney for the plaintiff, if the name of the attorney appears on the summons, or otherwise appears on the court record, and, if not, then to the plaintiff, the date of service on each defendant, or, if service was not obtained on any defendant, the fact thereof, but failure of the clerk to make such report shall not invalidate the service of the summons.

Rule 25. Removal of Causes. Removals to or from this court shall

be only as follows: (a) Every civil action, matter, or proceeding of any kind brought in a court of a justice of the peace, where the cause of action is within the jurisdiction of this court, shall, upon motion or request of any party thereto, or of his attorney, made before the introduction of evidence, be removed to this court. With such order of removal, the justice of the peace making the same shall transmit to this court an itemized bill showing the costs already accrued in such cause. Such cause, when so removed, shall stand for trial on the following day, but shall be entitled to no preference over other causes set for trial that day.

(b) The court shall have authority, in its discretion, for the convenience of parties or witnesses only, to remove any action commenced in this court to the Superior Court of any county other than Guilford County, if such Superior Court would have had jurisdiction of the action, if originally commenced in such Superior Court.

(c) The court shall grant removals to the Superior Court of Guilford County as follows: (1) Any action, matter or proceeding of any kind in which the amount in controversy, exclusive of interest, or the stated value of the property sought to be recovered exceeds two thousand dollars ($2,000.00), shall be transferred by order of one of the judges to the Greensboro Division, as a matter of right, upon motion of any defendant, or any additional party, or parties, plaintiff or defendant. Such motion for transfer must be made before the expiration of the time for answering and before, or simultaneously with, the filing of any other motion or pleading therein. Upon the filing of such motion, the court shall immediately, and without notice or hearing, grant and enter an order of transfer to the Greensboro Division, and thereupon a copy of the motion and of the order of transfer shall be immediately mailed by the clerk of the court to the plaintiff or any other party, or parties, or his or their attorney, or attorneys, of record.

(2) All motions for transfer to the Greensboro Division may or may not be accompanied by a demand for a jury trial, but, if the defendant intends to demand a jury trial, such demand shall be included in the motion for transfer. Where a jury trial is so demanded, then the case shall be immediately docketed upon the regular appearance or civil issue docket, as the case may be, of the Greensboro Division. The making of the motion for transfer and the granting or entry of an order of transfer shall not in any wise enlarge the time for answering or otherwise pleading; provided that the making of such motion and the granting of such order shall not prevent the simultaneous granting of an order extending the time for pleading. The motion for the transfer of a case without a demand for a jury trial shall be deemed a specific waiver by the defendant of a jury trial. All motions for transfers, with or without demands for jury trial, shall be filed with the clerk of the court in writing and signed by the moving party or his attorney, at which time a copy shall be filed with the clerk for each of the parties to the action, and the clerk shall immediately mail such copy to each party or his attorney of record.

(3) Upon the entry of an order of transfer, the clerk shall deliver

all process, pleadings, orders, or other instruments and matters constituting the case papers to the Clerk of the Superior Court of Guilford County, and the moving party or his attorney, within three days after the entry of the order of transfer, shall deposit with the Clerk of the Superior Court of Guilford County the usual advance costs and shall give the usual bond for costs, or secure an order allowing him to file the case in the Superior Court in forma pauperis. Failure to deposit the costs or to give bond above required, within said three-day time, shall be deemed an abandonment of the motion and order of transfer, and shall thereupon automatically revest the jurisdiction of such action in this court, and the file theretofore delivered by the clerk of this court to the Clerk of the Superior Court of Guilford County shall be immediately returned by him to the clerk of this court, with a certification from the Clerk of the Superior Court that the provisions for cost and bond have not been complied with.

(4) If the defendant files in any suit a counterclaim in which a money judgment is in good faith sought to be recovered, or in which the stated value of property sought to be recovered is beyond the jurisdiction of this court, such counterclaim shall, nevertheless, be a valid and subsisting counterclaim for the amount or property alleged, but the action shall be at once transferred by order of either judge to the regular civil issue docket of the Greensboro Division, and stand for trial by jury in the usual course, unless the parties file a stipulation that the case shall be placed upon the non-jury docket. Where the transfer of a case to the Superior Court is effected solely because the defendant files a counterclaim above the jurisdiction of this court, such defendant shall make the same deposit of court costs, and shall file the same bond as in case of other transfers.

(5) In all other civil actions, matters, or proceedings, by consent order, the parties shall have the right to transfer a case to the non-jury division of the Superior Court of Guilford County, Greensboro Division; provided that the cost deposit and cost bond requirements shall be the same as in other cases of transfer, and such order of transfer shall stipulate the party, or parties, required to deposit cost and required to give bond for cost.

Rule 26. Calendaring or Setting for Trial in Civil Cases. In those cases where no written complaint is filed, the summons shall direct the defendant, or defendants, to appear upon a date and hour certain and specified and at a place designated for the trial of the action, which date for trial shall not be earlier than the third day nor later than the 30th day after the date of the summons.

In those cases where suit is started with the filing of a written complaint each summons shall direct and require the defendant, not later than thirty days from the date of service of the summons, to appear and answer or otherwise plead to the complaint.

All cases may be tried at any time after they are at issue, and the rule that cases must be at issue for ten days, as provided by G. S. 1-173, shall not apply to cases at issue before this court.

In all cases in which written pleadings are filed by the parties the case

shall be placed upon the trial calendar for trial upon a day certain by motion of any party to the action, and, upon such calendaring, the clerk shall notify all of the parties or their attorneys of the day and time the case is calendared for trial.

Rule 27. Judgments. Transcripts. Executions. The judges shall sit as both judge and jury, and in all civil actions, matters, or proceedings of any kind they may either answer the issues arising upon pleadings and evidence or they may make such specific findings of fact and conclusions of law as they may think necessary and proper, and render judgment either upon the answers to the issues or upon the specific findings of fact and conclusions of law made. Judgments by default final and by default and inquiry may be rendered in the same manner and form as provided by law in the Superior Court, subject, however, to the provisions of Section 2 and Section 4, Rule 22, of this Act. All judgments shall be recorded on a judgment docket permanently kept by the court for this purpose.

A transcript of any judgment rendered by the court may be docketed in the office of the Clerk of the Superior Court of any North Carolina county in the same manner as transcripts of judgments rendered in the Superior Court of one county may be docketed in the office of the Clerk of the Superior Court of other North Carolina counties, and, when so docketed, said judgments shall have the full force and effect of all judgments docketed in the Superior Court.

Execution upon any judgment rendered in the court may be issued by the clerk of court, assistant clerks of court, or by deputy clerks in the name of the clerk, to the sheriff or other lawful officer of any county in North Carolina where the judgment is docketed, as herein provided, and such execution shall be governed by the laws applicable to executions issued by Clerks of the Superior Court, as prescribed by Art. 28, of Chapter One, of the General Statutes of North Carolina.

Rule 28. Satisfaction of Judgments. Disbursing Proceeds. All judgments rendered and docketed in the court shall be cancelled of record according to law applicable to cancellation of judgments in the Superior Court. The clerk of court, before paying out any money or funds paid in to his office under execution or otherwise upon a judgment docketed therein, shall make an entry of the receipt of said money upon the judgment docket, and, in paying out said funds, shall require the person receiving the same to place upon the judgment docket an entry acknowledging receipt of said money. In disbursing court costs and other funds collected or received upon any judgment so docketed, the clerk shall pay the same to the party in whose favor the judgment is rendered, if such party does not have an attorney of record, but, if such party has an attorney of record, then the clerk shall pay such funds to such party's attorney of record, and the receipt of such attorney of record to the clerk for such funds shall be and constitute a full and complete discharge and release of the clerk of the court.

Rule 29. Appeals in Civil Cases. From any judgment rendered in the court any party may appeal to the Superior Court of Guilford County,

where the trial shall be de novo. The procedure with respect to appeals to the Superior Court shall be as follows:

(a) The appealing party shall give notice of appeal in open court at the time judgment is rendered, or serve written notice of appeal on the opposing party or his attorney of record and on the clerk of court within ten days of the entry of the judgment appealed from. Notice of appeal to the Superior Court may or may not be accompanied by a demand for a jury trial, but, if the appealing party intends to demand a jury trial in the Superior Court, such demand shall be included in his notice of appeal as given in the manner herein provided. The opposing party, regardless of whether the appealing party demands a jury trial, may demand a jury trial in writing at the time notice of appeal is entered or served, and before the appeal is perfected, but failure to give such notice shall not preclude the opposing party from giving such notice in the Superior Court as provided by law. Where a jury trial is demanded by the appealing party or the opposing party, then the case, when the appeal is perfected, shall be immediately docketed in the Superior Court, Greensboro Division, upon the regular appearance civil issue docket, but where a jury trial is not demanded, the case, when the appeal is perfected, shall be docketed in the non-jury division of the Superior Court of Guilford County, Greensboro Division. Failure to demand a jury trial, as herein provided, by the appealing party and failure to demand a jury trial in this court by any other party, as herein provided, or in the Superior Court, shall be deemed a specific waiver by such party, or parties, of the right to a jury trial.

(b) The appealing party must, within fifteen days after the entry of the judgment appealed from, pay to the clerk of this court the costs for his Return to Notice of Appeal, and thereupon secure from the clerk of court a Return to Notice of Appeal.

(c) The appealing party must, within fifteen days after the entry of the judgment appealed from, file and perfect the appeal in the Superior Court of Guilford County by: (1) Paying to the Clerk of the Superior Court of Guilford County such fees, costs and advance deposits as may be required by law; (2) filing with the Clerk of the Superior Court of Guilford County the prosecution bond required by law; and (3) filing with the Clerk of the Superior Court, together with said cost and cost bond, the Return to Notice of Appeal.

(d) The appealing party must immediately after docketing an appeal, as aforesaid, give written notice, by registered mail, to the opposing parties or their attorneys of record of the date such appeal, is in fact, docketed in the office of the Clerk of the Superior Court of Guilford County.

(e) The foregoing procedure, and every part thereof, including notice to the opposing party, shall be conditions precedent to the perfecting of an appeal, and, upon completion and filing of an appeal in the manner aforesaid, the Clerk of the Superior Court of Guilford County shall docket the appeal of the action for trial de novo in the Superior Court."

Sec. 3. That Sections 2 to 28 of Chapter 651 of the Public Laws of 1909 be and the same are hereby repealed.

Sec. 4. If any part of this Act shall be declared unconstitutional or invalid, the remainder of the Act shall, nevertheless, remain in full force and effect.

Sec. 5. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 6. This Act shall become effective upon its ratification.

In the General Assembly read three times and ratified, this the 13th day of May, 1955.

G. S. 130-297. District Pathologists.—The committee shall have the power to divide the State into districts, and to alter such districts as from time to time the committee shall see fit, for the more effective administration of its duties under this Act. The Chairman of the Committee shall be empowered, with the concurrence of the committee, to appoint District Pathologists to serve at the pleasure of the committee. Any person holding the office of coroner may be appointed as District Pathologist or as a member of the committee, and any coroner who may be so appointed shall serve as such as a part of his duties as a coroner and shall not be considered as holding a separate office within the meaning of Article 14, Section 7, of the Constitution of North Carolina.

It shall be the duty of each District Pathologist with whatever aid, assistance, and guidance by the Chairman of the Committee as the circumstances may require, to perform a complete autopsy upon the body of the deceased in cases referred to him, under the provisions of G. S. 130-300 of this Act, and to make pathological studies of such anatomical materials as may be submitted to him by any medical examiner in his district or by others empowered by this Act to make such reference in the performance of their official duties.

The District Pathologist shall prepare a report to the Chairman of the Committee on every postmortem examination, and on every pathological anatomical study, in such form as may from time to time be prescribed by the committee, copies of which he shall deliver to the referring medical examiner or other referring person, to the Solicitor of the Superior Court of the district, and to the coroner of the county wherein the body of the deceased or any part of a body examined by him was found: Provided that a copy of said report shall be furnished to any other interested person upon order of a Court of Record after need therefor has been shown.

For each autopsy performed by reason of reference by a medical ex-

aminer or by others empowered by this Act to make such references, the District Pathologist shall receive a fee to be fixed in each case by the board of county commissioners, after consultation with the committee, and paid by the county of legal residence of the deceased or by the county wherein the body or remains of the deceased were first found, if the legal residence is unknown or is other than the State of North Carolina.

For each report made on pathological anatomical materials submitted to him for study, the District Pathologist shall receive a fee to be fixed in each case by the board of county commissioners, after consultation with the committee, and paid by the county wherein the anatomical materials were first found.

Such fees shall constitute full compensation of the District Pathologist for duties performed under this Section of the Act.

G. S. 130-298. County Medical Examiner.—The Chairman of the Committee shall appoint, subject to the approval of the committee and of the board of county commissioners of each county of the State that elects to come under this Article, a qualified and practicing physician as medical examiner for the county to serve at the pleasure of the board of county commissioners and until his successor has been appointed and qualified, and said person so appointed may be the county coroner, and any coroner who may be so appointed shall serve as such as a part of his duties as a coroner and shall not be considered as holding a separate office within the meaning of Article 14, Section 7 of the Constitution of North Carolina. Each county medical examiner may appoint one or more assistant county medical examiners, with the concurrence of the Chairman of the Committee, to serve at the pleasure of the county medical examiner who makes such appointment.

Upon the death of any person on or after the effective date of this Act apparently by the criminal act or default of another, or apparently by suicide, or suddenly when apparently in good health, or while an inmate of any penal or correctional institution, or under any suspicious, unusual or unnatural circumstances, the medical examiner of the county in which the body of the deceased is found shall be notified by the physician in attendance, by any law enforcement officer having knowledge of such death, by the undertaker, by a member of the family of the deceased, by any person present, or by any person having knowledge of such deaths, and no person shall disturb the body at the scene of death until authorized by the county medical examiner. In cases which come under G. S. 152-7, the medical examiner shall notify the coroner.

A similar procedure shall be followed upon discovery of anatomical materials suspected of being or determined to be a part or parts of a human body.

G. S. 130-299. Duties of County Medical Examiner.—Upon receipt of notice as specified in G. S. 130-298, the county medical examiner shall in each case make a physical and medical examination of the body or parts of a body which may be found, make inquiries regarding the cause and manner of death, reduce his findings to writing, and promptly make a full report thereof to the coroner of the county in which the body or any

part of a body was found, to the Solicitor of the Superior Court of the district in which the body or any part of a body was found, to the Chairman of the Committee and may, upon request furnish a copy of his report to the head of the law enforcement agency charged with the responsibility for the investigation of the incident upon forms or in the manner prescribed by the committee: Provided that a copy of said report shall be furnished to any other interested person upon order of a Court of Record after need therefor has been shown. The county medical examiner may delegate his duties in a particular case to one of his assistant county medical examiners, or may perform the same jointly with him.

For each investigation under this Article, including the making of the required reports, the county medical examiner shall receive a fee to be fixed by the board of county commissioners, after consultation with the committee, which shall be paid by the county for which he is appointed.

G. S. 130-300. When Autopsies and other Pathological Examinations to be Performed.—If, in the opinion of the medical examiner of the county wherein the body or anatomical material is first found under any of the circumstances set forth in G. S. 130-298, it is advisable and in the public interest that an autopsy or other pathologic study be made, or if an autopsy or other pathologic study is requested by the Superior Court Solicitor or by any Superior Court Judge, having authority in the judicial district wherein such county lies, such autopsy or pathological study shall be made by the District Pathologist or by a competent pathologist designated by the Chairman of the Committee for such purpose.

In any case of death under circumstances set forth in G. S. 130-298 where a body shall be buried without a medical examination being made as specified in G. S. 130-299, or in any case where a body shall be cremated except in compliance with the provisions of this Act, G. S. 130-301 in particular, it shall be the duty of the medical examiner of the county in which the body is buried, was cremated, or the remains were found, upon being advised of such facts, to notify the Superior Court Solicitor who shall communicate the same to any Resident or Assigned Judge of the Superior Court, and such judge may order that the body or the remains be exhumed and an examination or autopsy performed thereon by the District Pathologist, or by a pathologist appointed by the Chairman of the Committee. The pertinent facts disclosed by the examination or autopsy shall be communicated to the Superior Court Judge who ordered it, for such action thereon as he, or the court of which he is judge, deems proper. A copy of the report of the examination or autopsy findings and interpretations shall be filed with the Chairman of the Committee and the Superior Court Solicitor: Provided that a copy of said report shall be furnished to any other interested person upon order of a Court of Record after need therefor has been shown.

G. S. 130-301. When Medical Examiner's Permission Necessary before Embalming, Burial and Cremation.—(a) In any case where it is the duty of the county medical examiner to view the body and investigate the death of a deceased person as herein provided, it shall be unlawful to

embalm the said body until the written permission of the county medical examiner has first been obtained, and such county medical examiner shall make the certificate of death required for a burial permit, stating thereon the name of the disease causing death; or, if from external causes, (1) the means of death, and (2) whether (probably) accidental, suicidal, homicidal; and shall, in any case, furnish such information as may be required by the State Registrar in order properly to classify the death.

(b) It shall be unlawful to embalm or to bury a dead body, or to issue a burial permit, when any fact within the knowledge of, or brought to the attention of, the embalmer, the undertaker, or the local registrar charged with the issuance of burial permits, is sufficient to arouse suspicion of crime in connection with the death of the deceased, until the written permission of the county medical examiner has first been obtained.

(c) No permit for cremation of a body shall be issued by the local registrar charged therewith and no cremation of a body shall be carried out until the county medical examiner shall have certified in writing that he has made inquiry into the cause and manner of death and is of the opinion that no further examination concerning the same is necessary.

(d) A fee to be fixed by the board of county commissioners, after consultation with the committee shall be paid the county medical examiner for permits provided for in this Section by the person making application therefor, and copies of such permits shall be promptly filed by the county medical examiner in the office of the Chairman of the Committee.

Any person violating any of the provisions of this Section shall be guilty of a misdemeanor, and upon conviction shall be fined not less than one hundred dollars ($100.00) nor more than five hundred dollars ($500.00).

G. S. 130-302. Nothing in this Act shall be construed as precluding a coroner from holding inquests or taking other steps as provided in G. S. 152-7 as hereby amended. All postmortem examinations under this Act shall be held and done under and subject to the control and direction of the Chairman of the Committee, who is hereby also vested with primary control over the remains, subject to the provisions of this Act.

G. S. 130-303. Election to adopt Chapter.—This Act shall not become effective until after its adoption by resolution of the board of county commissioners of the county desiring to come within the purview of this Act; any county having elected to come within the purview of this Act may, at the end of any fiscal year of such county, by appropriate resolution exclude itself from the provisions of this Act.

G. S. 130-304. Partial Invalidity.—If any Section or portion of this Act shall for any reason be held invalid, such invalidity shall not affect the remainder, it being the legislative intent that such remaining portions of this Act shall continue in full force and effect with the invalid part stricken therefrom."

Sec. 2. Paragraphs 6 and 7 of G. S. 152-7 are hereby repealed, and in lieu thereof the following are substituted:

"6. Immediately upon information of the death of a person within his county under such circumstances as, in his opinion, call for investiga-

tion, the coroner shall notify the Solicitor of the Superior Court and the county medical examiner, who in turn shall notify the Chairman of the Committee, and thereafter, the coroner shall make such additional investigation as the Solicitor may direct.

"7. If an inquest or preliminary hearing be ordered, to arrange for the examination thereat of any and all witnesses including those who may be offered by the Chairman of the Committee on Postmortem Medicolegal Examinations or the county medical examiner."

Sec. 3. G. S. 130-23 is hereby amended by striking out the words "to make the medicolegal postmortem examinations for the coroner's inquests", as to such county or counties as elect to come within the purview of this Act.

Sec. 4. G. S. 130-80 is hereby repealed as to such county or counties as elect to come within, and by appropriate resolution place themselves within the purview of this Act so long as such county or counties shall remain hereunder.

Sec. 5. G. S. 90-213 is hereby amended by adding thereto the following words: "Provided, further, that nothing in this Article shall restrict or limit the provisions of Article 30 of the General Statutes entitled 'Postmortem Medicolegal Examinations'."

Sec. 6. Sections 2 and 3 of Chapter 252 of the Public-Local Laws, Session 1941, are hereby repealed.

Sec. 7. All other laws and clauses of laws, inconsistent with the provisions of this Act, are hereby repealed to the extent of such inconsistency.

Sec. 8. This Act shall be in full force and effect from and after January 1, 1956.

health, the State Board of Health is hereby authorized and empowered to prepare and enforce rules and regulations governing the sanitation of all poultry processing plants, and to establish a voluntary program providing for the inspection of poultry meat products for wholesomeness for those poultry processing plants which make application to the State Board of Health for such inspection. Inspection for wholesomeness shall include post mortem examination of poultry slaughtered, the methods of preparing, handling, and storage of poultry meat products, and the condemnation and disposal of all poultry meat found unfit for human consumption.

"G. S. 130-267.2. Investigation and inspection of poultry establishment; issuance of permit.—It shall be the duty of the State Board of Health, upon receipt of an application for inspection, to cause to be made a thorough investigation of the processing plant, sanitary conditions existing in such establishment and the availability of qualified inspecting personnel. If such establishment is found to be operating in accordance with the regulations of the State Board of Health, as provided for in this Act, a number permit shall be issued to the person, firm, or corporation making application for same. No permit shall be issued unless the plant requesting inspection holds a Grade A sanitation rating under the sanitation rules and regulations prepared and enforced by the State Board of Health pursuant to this Act and to Chapter 244, Public Laws of 1937.

"G. S. 130-267.3. Cost of inspection paid by applicant for permit.—The entire cost of this inspection will be paid by the firm, person, or corporation making application for a permit. Funds will be paid into the county treasury of the county where said plant is located.

"G. S. 130-267.4. Rules and regulations enforced by county, city or district board of health.—Plants operating under this Act shall be supervised by the city, county or district board of health, which will be empowered by this Act to enforce the rules and regulations prepared by the State Board of Health, which board is hereby authorized to make and establish reasonable rules and regulations not inconsistent with the provisions of this Article after consulting with a committee from the processors coming under this Act.

"G. S. 130-267.5. Inspection supervised by veterinarian.—The inspection shall be under the supervision of a licensed veterinarian who shall be in the employ of the city, county or district board of health. H. B. 980 CHAPTER 977

AN ACT CREATING "THE GOVERNOR RICHARD CASWELL MEMORIAL COMMISSION" AND AUTHORIZING THE SAID COMMISSION TO ACQUIRE THE BURIAL PLACE OF FORMER GOVERNOR RICHARD CASWELL AND TWENTY-TWO ACRES OF LAND ADJACENT THERETO TO BE ESTABLISHED AS A PERPETUAL MEMORIAL AND SHRINE, AND APPROPRIATING THE SUM OF FORTY-THREE THOUSAND DOLLARS ($43,000) TO ENABLE THE COMMISSION TO ACQUIRE SAID PROPERTY.

WHEREAS, all history bears witness that the genius and character of a people draw inspiration and strength from the perpetual remembrance of their greatest patriots, noblest heroes, and most distinguished citizens; and

WHEREAS, a large delegation of highly respected citizens of this State has recently brought to the attention of the General Assembly of North Carolina the desirability of preserving, protecting, and improving the Caswell Family Cemetery and adjoining premises located near the City of Kinston in the County of Lenoir as a perpetual memorial dedicated to the memory of the Honorable Richard Caswell whose life and public service to this State is worthy of the highest honor and example; for

BE IT REMEMBERED, that the said Richard Caswell, Esquire, was seven times called by the public to serve as Governor of this State, being first called to that high office upon the Declaration of the Independence of this State from the Crown and authority of Great Britain toward whom he, like his fellow North Carolinians, had borne true faith and loyalty until increasing tyranny of the said British authority rendered life un-

bearable under that administration and compelled North Carolinians to undertake the conquest of their freedom. For 35 years, except when he served in the office of Governor, Richard Caswell served in the General Assembly, where his leadership was acknowledged by his election to the Speakership of the House of Commons and later to the Presidency of the Senate over which body he was presiding when stricken with a fatal attack of apoplexy, his death being reported in the Senate Journal on November 6, 1789. More than any other individual, Richard Caswell inspired, fostered, and led the independence movement in this State, and more than any other North Carolina patriot he deserves the title of "Founding Father of the North Carolina Republic". He was chosen to lead the North Carolina delegation in the first Congresses of the United Colonies.

To his illustrious record of civilian accomplishments, he added a distinguished record of military service to the State and Nation. In 1754, he was serving as a Lieutenant of the Troop of Horse of Johnston County which, in the olden days, included lands now comprised in the Great Counties of Lenoir, Greene, Wayne, Johnston, Wake, Durham and Orange. When Dobbs County was formed from eastern Johnston in 1759, Richard Caswell became Colonel of the Militia of the new county and held that position until the Revolutionary Provincial Congress of North Carolina called him to serve as Colonel of the Minute Men of the New Bern District. Under orders of Royal Governor William Tryon, in 1771, he commanded a wing of the King's forces at the Battle of Alamance which suppressed the premature revolt of the Regulators. Here he learned both military and political lessons which prepared him for leadership in the growing movement toward freedom. In February 1776, he attained military distinction as the victorious commander of the North Carolina Minute Men at the Battle of Moore's Creek Bridge. His valorous conduct won him promotion to Brigadier General of the New Bern District, and he later became Major General of the Partisan Rangers of the Army of the Revolution.

As a master of public finance, he had few peers in all America. It was his genius which organized and supervised the State's financial structure in such a way as to withstand the severe strain of prosecuting the Revolution to a successful conclusion. He served the State as Treasurer and as Comptroller.

As a legislator, he created and sponsored numerous laws effecting internal improvements, judicial reforms, relief of the poor and the unfortunate, and other progressive programs. He was the principal author of the first Constitution of North Carolina which served the State as a contract of government for the first 59 years of its existence as a free State. He took the lead in promoting the ratification by North Carolina of the proposed Constitution of the United States, though he died a few days before ratification took place.

He was an able advocate of freedom in matters of religious faith. Though an Episcopalian himself, it is recorded that he readily aided the ministry of other Protestant denominations, often using his influence on behalf of the Baptists and Quakers, the chief groups oppressed by the

British authorities prior to the Revolution. He was an advocate of education and helped to write into the first Constitution of the State the provision for a public university, as well as giving his support to laws creating academies. He was an ardent Freemason and rose to the position of Grand Master of that ancient order on the same day that he was first chosen Governor of the free State.

Richard Caswell was born in Maryland, August 3, 1729. He came to North Carolina in the fall of 1746, when he was only 17 years old. He was the second son of Richard and Christian (Dallam) Caswell. His parents and his younger brothers and sisters followed him to his new home which was located near where the City of Kinston now stands. These younger brothers—Martin, Benjamin, and Samuel Caswell—all served with honor in the military forces of the State during the Revolution and held the highest public offices in Dobbs County. Martin and Samuel are buried in the Caswell Cemetery.

Richard Caswell's first wife was Mary McIllwean, daughter of James McIllwean. She bore him one child, a son known to fame as Brigadier General William Caswell, whose hardships suffered at Valley Forge and elsewhere during the Revolutionary campaigns led to his death at the early age of 30. General William Caswell is also buried in the Caswell Cemetery near Kinston as is his mother, Mary (McIllwean) Caswell.

After the death of his first wife, Richard Caswell married Sarah Heritage, a daughter of the distinguished Colonial lawyer, William Heritage, who owned the land upon which the City of Kinston was originally established. She, too, is buried in the Caswell Cemetery. She gave the State four sons and two daughters who were also esteemed among the early patriots of this State. Some of them also are buried in the Caswell Cemetery.

WHEREAS, the Caswell Cemetery, located on lands formerly owned by this greatest of North Carolina's Revolutionary patriots and being the final resting place of not one but several persons of high distinction in the history of North Carolina, is an important historical site such as by right and public gratitude ought to be preserved, protected, cherished and beautified as a public memorial and shrine; and

WHEREAS, it appears that the said Caswell Cemetery and adjoining lands are now by an option held temporarily available for purchase by the State but are likely to be not much longer available because, by virtue of their favorable location and great adaptability to industrial development, they are in danger of being sold otherwise and converted to such purposes as will render their appropriation by the public in later years unfeasible; Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. There is created the Governor Richard Caswell Memorial Commission to be composed of 20 members, of whom—the Director of the State Department of Archives and History, the State Superintendent of Public Instruction, the Mayor of the City of Kinston, and the Chairman of the Board of County Commissioners of Lenoir County—shall serve as

ex officio members and 16 of whom shall be appointed by the Governor. Four appointive members shall be named for a term of two years, four for a term of four years, four for a term of six years, and four for a term of eight years, who shall hold membership on said commission for the term specified and until their successors are appointed and qualified; provided, that upon expiration of the first term to which an appointment is made each term shall thereafter be for a period of eight years and any vacancy occurring shall be filled by the Governor for the unexpired term of the person whose vacancy is to be filled.

Sec. 2. The commission is authorized and empowered to receive property, both real and personal, by gift, devise, bequest, or otherwise and to solicit funds for the purpose of establishing, developing and maintaining said memorial. The governing bodies of the counties and municipalities of the State are hereby authorized to appropriate any surplus funds, not derived from ad valorem taxation, to said commission for the purposes of developing and maintaining the memorial herein authorized. The commission may organize such groups or units as in its discretion may be helpful in raising funds through organizations, societies, and clubs throughout the State for the purpose of developing and maintaining the said memorial.

Sec. 3. There is appropriated out the General Fund of the State of North Carolina the sum of twenty-five thousand dollars ($25,000) for the purpose of acquiring in the name of the State the title in fee simple absolute to 22 acres of land surrounding that certain half-acre parcel of land which was reserved forever by the last will and testament of Governor Richard Caswell as a family cemetery, being known as the Caswell Cemetery, located in Lenoir County to the West of the City of Kinston. The said 22 acres of land and the half acre of the said cemetery, as well, shall, following the purchase of the said premises, be and remain forever under the control and management of the said commissioners and their successors in office who are hereby charged with the care, maintenance, and development of the premises as a perpetual memorial and shrine to the end that the said premises shall be preserved, protected, improved and rendered of inspirational and educational value to the public forever.

Sec. 4. Members of the commission shall be deemed Commissioners of Public Charities within the meaning of the proviso to Article XIV, Section 7, of the Constitution of North Carolina.

Sec. 5. This Act shall be of full force and effect from and after the date of its ratification.

In the General Assembly read three times and ratified, this the 13th day of May, 1955.

H. B. 1216 **CHAPTER 1038**

AN ACT TO AUTHORIZE JESSIE MAE GRIMES TO FILE AND PROSECUTE HER CLAIM UNDER THE STATE TORT CLAIMS ACT FOR AN INJURY RECEIVED BY HER AT THE FLEMING STREET SCHOOL IN GREENVILLE.

WHEREAS, Jessie Mae Grimes, a colored child enrolled in the Fleming Street School, in Greenville, North Carolina, being then about six or seven years old, was proceeding down the steps of the Fleming Street School and stepped into a hole or broken place in said steps and as a result of a fall received a fracture of the large thighbone of the left leg, and said fracture, in spite of medical care, did not knit back or heal properly, and, as a result, the child's leg is one-half inch shorter than it should be and has not developed properly and along with her other leg as she grew up; and

WHEREAS, this injury has greatly and permanently damaged this colored school student, and while same happened on the 8th day of February, 1951, no proper claim was filed with the Industrial Commission under the State Tort Claims Act because her mother, who is the only person left to care for her, was ignorant of the rights of the child, and being a colored woman was not informed as to what she should do in order to prosecute a claim for her said child, and, therefore, her mother only learned after two years had elapsed that if she had acted promptly there would have been some possibility of having the claim passed upon by the Industrial Commission; Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. That the said Jessie Mae Grimes, or some proper representative in her behalf, be, and she is hereby, allowed to file her claim for said injury before the North Carolina Industrial Commission and have the same heard according to the State Tort Claims Act, which is Article 31 of Chapter 143, Volume 3B, of the General Statutes of North Carolina. AN ACT RELATING TO INSURERS NOT AUTHORIZED TO TRANSACT BUSINESS IN THIS STATE; PROVIDING FOR ACTIONS IN THIS STATE AGAINST AND FOR THE SERVICE OF PROCESS UPON SUCH INSURERS; PRESCRIBING HOW A DEFENSE MAY BE MADE BY SUCH INSURERS; AND PROVIDING FOR THE ALLOWANCE OF ATTORNEYS FEES IN ACTIONS AGAINST SUCH INSURERS.

The General Assembly of North Carolina do enact:

Section 1. Purpose of Act. The purpose of this Act is to subject certain insurers to the jurisdiction of courts of this State in suits by or on behalf of insureds or beneficiaries under insurance contracts. The General Assembly declares that it is a subject of concern that many residents of this State hold policies of insurance issued by insurers not authorized to do business in this State, thus presenting to such residents the often insuperable obstacle of resorting to distant forums for the purpose of asserting legal rights under such policies. In furtherance of such State interest, the General Assembly herein provides a method of substituted service or process upon such insurers and declares that in so doing it exercises its power to protect its residents and to define, for the purpose of this Statute, what constitutes doing business in this State, and also exercises powers and privileges available to the State by virtue of Public Law 15, 79th Congress of the United States, Chapter 20, 1st Session, S. 340, as amended, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states.

Sec. 2. Service of Process Upon Unauthorized Insurer. (a) Any of the following acts in this State, effected by mail or otherwise, by an unauthorized foreign or alien insurer: (1) the issuance or delivery of contracts of insurance to residents of this State or to corporations

authorized to do business therein, (2) the solicitation of applications for such contracts, (3) the collection of premiums, membership fees, assessments or other considerations for such contracts, or (4) any other transaction of business, is equivalent to and shall constitute an appointment by such insurer of the Commissioner of Insurance and his successor or successors in office, to be its true and lawful attorney, upon whom may be served all lawful process in any action, suit, or proceeding instituted by or on behalf of an insured or beneficiary arising out of any such contract of insurance, and any such act shall be signification of its agreement that such service of process is of the same legal force and validity as personal service of process in this State upon such insurer.

(b) Such service of process shall be made by delivering to and leaving with the Commissioner of Insurance or some person in apparent charge of his office two copies thereof and the payment to him of one dollar ($1.00). The Commissioner of Insurance shall forthwith mail by registered mail one of the copies of such process to the defendant at its last known principal place of business, and shall keep a record of all process so served upon him. Such service of process is sufficient, provided notice of such service and a copy of the process are sent within ten days thereafter by registered mail by plaintiff or plaintiff's attorney to the defendant at its last known principal place of business, and the defendant's receipt, or receipt issued by the post office with which the letter is registered, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the plaintiff or plaintiff's attorney showing a compliance herewith are filed with the clerk of the court in which such action is pending on or before the date the defendant is required to appear, or within such further time as the court may allow.

(c) Service of process in any such action, suit or proceeding shall in addition to the manner provided in subsection (b) of this Section be valid if served upon any person within this State who, in this State on behalf of such insurer, is

(1) soliciting insurance, or

(2) making, issuing or delivering any contract of insurance, or

(3) collecting or receiving any premium, membership fee, assessment or other consideration for insurance;

and a copy of such process is sent within ten days thereafter by registered mail by the plaintiff or plaintiff's attorney to the defendant at the last known principal place of business of the defendant, and the defendant's receipt, or the receipt issued by the post office with which the letter is registered, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the plaintiff or plaintiff's attorney showing a compliance herewith are filed with the clerk of the court in which such action is pending on or before the date the defend-

ant is required to appear, or within such further time as the court may allow.

(d) No plaintiff or complainant shall be entitled to a judgment by default under this Section until the expiration of 30 days from date of the filing of the affidavit of compliance.

(e) Nothing in this Section contained shall limit or abridge the right to serve any process, notice or demand upon any insurer in any other manner now or hereafter permitted by law.

Sec. 3. Defense Of Action By Unauthorized Insurer. (a) Before any unauthorized foreign or alien insurer shall file or cause to be filed any pleading in any action, suit or proceeding instituted against it, such unauthorized insurer shall either (1) deposit with the clerk of the court in which such action, suit or proceeding is pending cash or securities or file with such clerk a bond with good and sufficient sureties, to be approved by the court, in an amount to be fixed by the court sufficient to secure the payment of any final judgment which may be rendered in such action; or (2) procure a certificate of authority to transact the business of insurance in this State.

(b) The court in any action, suit, or proceeding, in which service is made in the manner provided in subsections (b) or (c) of Section 2 may, in its discretion, order such postponement as may be necessary to afford the defendant reasonable opportunity to comply with the provisions of subsection (a) of this Section and to defend such action.

(c) Nothing in subsection (a) of this Section is to be construed to prevent an unauthorized foreign or alien insurer from filing a motion to quash a writ or to set aside service thereof made in the manner provided in subsections (b) or (c) of Section 2 hereof on the ground either (1) that such unauthorized insurer has not done any of the acts enumerated in subsection (a) of Section 2, or (2) that the person on whom service was made pursuant to subsection (c) of Section 2 was not doing any of the acts therein enumerated.

Sec. 4. Attorney Fees. In any action against an unauthorized foreign or alien insurer upon a contract of insurance issued or delivered in this State to a resident thereof or to a corporation authorized to do business therein, if the insurer has failed for 30 days after demand prior to the commencement of the action to make payment in accordance with the terms of the contract, and it appears to the court that such refusal was vexatious and without reasonable cause, the court may allow to the plaintiff a reasonable attorney fee and include such fee in any judgment that may be rendered in such action; providing, however, that the fee or portion of fee included in the judgment shall be not less than twenty-five dollars ($25.00) nor more than twelve and one half per cent (12½%) of the amount which the court or jury finds the plaintiff is entitled to recover against the insurer. Failure of an insurer to defend any such action shall be deemed prima facie evidence that its failure to make payment was vexatious and without reasonable cause.

Sec. 5. Constitutionality. If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity

shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 6. Short Title. This Act may be cited as the Unauthorized Insurers Process Act and shall become G. S. 58-153.1 of the General Statutes, and shall be effective upon ratification.

Sec. 7. Conflict Of Laws. All laws and clauses of law in conflict with this Act, to the extent of such conflict, are hereby repealed.

Sec. 4. If a majority of the votes cast shall be in favor of the issuance of such bonds and/or notes and the levy of such tax, then the Board of Commissioners of Edgecombe County shall provide by resolution, which resolution may be finally passed at the same meeting at which it is introduced, for the issuance of such bonds and/or notes, which bonds and/or notes shall be issued in the name of the county, but shall be made payable exclusively out of the taxes to be levied in such district or such unit, except the Board of County Commissioners of Edgecombe County may pay from county funds any part of the principal and interest of said bonds and/or notes. They shall be issued in such form and denominations, and with such provisions as to the time, place and medium of payment of principal and interest as the Board of County Commissioners of Edgecombe County may determine, subject to the limitations and restrictions of this Act. They may be issued as one issue, or divided into two or more separate issues, and in either case may be issued at one time or in blocks from time to time. When bonds are to be issued, they shall be serial bonds and each issue thereof shall so mature that the aggregate principal amount of the issue shall be payable in annual installments or series, beginning not more than three years after the date of the bonds of such issue and ending not more than thirty (30) years after such date. No such installment shall be more than two and one-half (2½) times as great in amount as the smallest prior installment, of the same bond issue. The bonds and/or notes shall bear interest at a rate not exceeding six per cent (6%) per annum, payable semi-annually, and may have interest coupons attached, and may be made

registerable as to principal or as to both principal and interest, under such terms and conditions as may be prescribed by said board. They shall be signed by the Chairman of the Board of County Commissioners of Edgecombe County, and the seal of the county shall be affixed to or impressed upon each bond and/or note and attested by the register of deeds or by the clerk of said board; and the interest coupons shall bear the printed, lithographed or facsimile signature of such chairman. The delivery of bonds and/or notes, signed as aforesaid by officers in office at the time of such signing, shall be valid, notwithstanding any changes in office occurring after such signing.

Sec. 5. The Board of County Commissioners of Edgecombe County is hereby authorized and directed to levy annually a special tax, ad valorem, on all taxable property in the district or in the special bond tax unit in which the election was held, sufficient to pay the principal and interest of the bonds and/or notes as such principal and interest become due. Such special tax shall be in addition to all other taxes authorized to be levied in such district or in such unit. The taxes provided for in this Section shall be collected by the county officer collecting other taxes and be applied solely to the payment of principal and interest of such bonds and/or notes.

Sec. 6. In the event the boundary lines of the territory embracing the Tarboro City Administrative Unit are hereafter changed or altered, this Act shall apply to and within the territory embracing said unit at the time of the filing of the petition and the holding of the election as provided for in this Act. No change or alteration of the boundary lines of said unit shall in any way affect the validity of this Act.

Sec. 7. The powers conferred by this Act shall be regarded as supplemental and in addition to powers conferred by other laws and shall not supplant or repeal any existing powers for the issuance of bonds and/or notes, or any provisions of laws for the payment of bonds and/or notes issued under such powers, or for the custody of moneys provided for such payment.

Sec. 8. This Act shall constitute full authority for the things herein authorized and no proceedings, publications, notices, consents or approvals shall be required for the doing of the things herein authorized, except such as are herein prescribed and required, and except that the provisions of the Local Government Act then in force as to the approval of the issuance of bonds and/or notes and endorsements of such approval upon such bonds and/or notes and as to the sale of bonds and/or notes and the disposition of the proceeds, shall be applicable to the bonds and/or notes authorized by this Act. above described security(ies).

.....
(signature of custodian)

Dated:.....

"(c) The person designated as a custodian under this Section is hereinafter called 'the custodian'.

"(2) A gift made in the manner prescribed in subdivision one of this

Section shall be irrevocable and shall convey to the minor indefeasibly vested legal title to the securities thus delivered, but no guardian of the person or property of the minor shall have any rights, duties or authority with respect to any property held at any time by the custodian under the authority of this Article unless said guardian shall himself be or become custodian in accordance herewith.

"G. S. 33-71. Rights, powers and duties of custodian.

"(1) (a) The custodian shall hold, manage, invest and reinvest the property held by him as custodian, including any unexpended income therefrom and the proceeds of sale thereof, as hereinafter provided. He shall collect the income therefrom and apply so much or the whole thereof and so much or the whole of the other property held by him as custodian as he may deem advisable for the support, maintenance, education and benefit of the minor. To the extent that property held by the custodian and the income thereof is not so expended, it shall be delivered or paid over to the minor upon the minor's attaining the age of twenty-one years, and in the event that the minor dies before attaining the age of twenty-one years it shall thereupon be delivered or paid over to the estate of the minor.

"(b) The custodian may sell, exchange, convert, or otherwise dispose of any and all of the securities or other property held by him in such manner and at such time or times, for such prices and upon such terms as he may deem advisable; he shall have the power in his sole and absolute discretion to retain any and all securities delivered to him within the meaning and under the authority of this Section without reference to the Statutes relating to permissible investments by fiduciaries; he shall invest the minor's property in such securities as would be acquired by prudent men of discretion and intelligence who are seeking a reasonable income and the preservation of their capital without reference to the Statutes relating to permissible investments by fiduciaries or hold part or all of the same in one or more bank accounts in his name as such custodian; he may vote in person or by general or limited proxy with respect to any securities held by him; he may consent directly or through a committee or other agent to the reorganization, consolidation, merger, dissolution or liquidation of any corporations, the securities of which may be held by him, or to the sale, lease, pledge or mortgage of any property by or to any such corporation.

"(c) In addition to the foregoing rights, powers and duties with respect to any securities or other property held by the custodian, the custodian, in his name as such custodian, shall have all the powers of management which a guardian of the property of the minor would have.

"(d) The custodian may execute and deliver any and all instruments in writing which he may deem advisable to carry out any of the foregoing powers. No issuer of securities, transfer agent, registrar or bank or other person acting on the instructions of any person purporting to be a custodian or donor shall be responsible for determining whether any person has been duly designated as a custodian under this Article, or whether any purchase, sale or transfer to or by any person as custodian

is in accordance with or authorized by this Article, or shall be obliged to inquire into the validity under this Article of any instrument or instructions executed or given by a person purporting to act as custodian or donor, or be bound to see to the application by any person purporting to act as custodian of any money or other property paid or delivered to him. All registered securities held by the custodian from time to time shall be registered in his name followed by the words 'as custodian for ....., a minor.' All other property held by the custodian
(name of minor)
for the minor under the authority of this Article shall be kept separate and distinct from the custodian's own personal funds and property and shall be maintained at all times in such a manner as to identify it clearly as the minor's property held by the custodian under the authority of this Article.

"(2) A person acting as custodian, other than a guardian of the property of the minor, shall receive no compensation for his services but shall be entitled to reimbursement from the property held by him as custodian for the reasonable expenses incurred in the performance of his duties hereunder. A guardian of the property of the minor, when acting as custodian under the authority of this Article, may receive such additional compensation for his services as guardian as he would be entitled to receive if the property held by him as custodian hereunder were held by him in his capacity as guardian, in addition to the other property of the minor held by him in that capacity.

"(3) A custodian who is not compensated for acting as such shall be under no obligation to give bond for the faithful performance of his duties and shall not be liable for any losses to the property held by him except such as are the result of his bad faith or intentional wrongdoing or result from his investing the minor's property in a manner other than as prescribed in paragraph (b) of subdivision one of this Section.

"G. S. 33-72. Resignation or removal of custodian; appointment of successor custodian.

"(1) No one other than an adult member of the minor's family or a guardian of the minor shall be eligible to become a successor custodian hereunder.

"(2) A custodian may petition the Superior Court of the county having jurisdiction of the minor, on such notice as the court may require, for permission to resign, and for the appointment of a successor custodian.

"(3) The donor, a parent of the minor or a guardian of the minor may at any time present to the Superior Court having jurisdiction of the minor a petition alleging that removal of the custodian will be in the best interests of the minor and, on such notice as the court may require, praying for an order requiring such custodian to show cause why he should not be removed. The court shall remove the custodian and appoint a successor custodian if it finds that such action will be in the best interests of the minor.

"(4) In the event of the death of a custodian before the minor attains the age of twenty-one years, the legal representative of the last acting

custodian, the donor, a guardian of the minor or any adult member of the minor's family may petition the Superior Court having jurisdiction of the minor, on such notice as the court may require, for the appointment of a successor custodian.

"(5) When any petition is made under this Section the court may require the custodian or his legal representative to account for the custodian's acts and proceedings and may order the custodian or his legal representative to deliver all property held by the custodian as such to the duly appointed successor custodian and to execute all instruments necessary to complete effective delivery of such property to the successor custodian.

"(6) Any successor custodian shall have all the rights, powers and duties of a custodian under the authority of this Article.

"G. S. 33-73. Accounting by custodian; when required. A minor after attaining the age of twenty-one years, a parent of the minor, a legal representative of the minor, or a successor custodian may petition the Superior Court having jurisdiction of the minor for an accounting by the custodian of his acts and proceedings as custodian. A custodian may not be required to account more than one year after the delivery or payment of the property held by the custodian to the minor after he has attained the age of twenty-one years, or to the estate of the minor, as required by subdivision one (a) of G. S. 33-71.

"G. S. 33-74. Interpretation of Article. This Article shall not be construed as providing an exclusive method for making gifts of securities to minors."

AN ACT TO AUTHORIZE AND EMPOWER THE CITY OF DURHAM TO CREATE AND ESTABLISH A CAPITAL RESERVE FUND, AND TO MAKE CERTAIN APPROPRIATIONS TO SAID FUNDS AND TO PROVIDE FOR THE WITHDRAWAL AND USE OF SUCH FUNDS FOR PUBLIC PURPOSES.

The General Assembly of North Carolina do enact:

WHEREAS, municipalities should be encouraged where possible to finance capital improvements from budget appropriations rather than from borrowing; and,

WHEREAS, the authority to set apart and earmark current revenues in capital reserve funds for future improvements would enable municipalities to meet minor improvements on a pay-as-you-go basis where the cost of borrowing would be high in comparison to the cost of the improvement, and would enable municipalities to meet all or part of the cost of major improvements on a pay-as-you-go basis so as to conserve their borrowing capacity; and, now, therefore,

Section 1. This Act may be cited as The Capital Reserve Act of the City of Durham.

Sec. 2. In this Act, the following terms shall have the following meanings: "Municipality" means the City of Durham; "Governing Body" means the City Council of the City of Durham; "Necessary Expenses" means the necessary expense referred to in Section 7 of Article VII of the Constitution of North Carolina.

Sec. 3. In addition to all other funds now authorized by law, the municipality is hereby authorized and empowered to establish and maintain a Capital Reserve Fund in the manner hereinafter provided.

Sec. 4. When the governing body of the City of Durham elects to establish a Capital Reserve Fund, it shall pass an ordinance creating the Fund. In such ordinance, the governing body may provide specifically that all or a part of the Fund shall be used for any one or more of the purposes enumerated in the following Sections, or it may provide that all or a part of the Fund shall be used for any of such purposes as may later be deemed necessary by the governing body. Thereafter the governing body may from year to year make appropriations in the general fund of such municipality for deposit to such Capital Reserve Fund. In the ordinance creating the Fund, the governing body shall designate some bank, banks, or trust company as depository in which the appropriations to the Capital Reserve Fund shall be deposited and earmarked for the use of such Capital Reserve Fund. All such deposits shall be secured as provided by Ch. 159-28. Pending their use for the purposes hereinafter provided, all or any portion of such monies may be invested in either bonds, notes or

certificates of indebtedness of the United States of America; or in bonds or notes of any agency or instrumentality of the United States of America the payment of principal and interest of which is guaranteed by the United States of America; or in bonds or notes of the State of North Carolina; or in bonds of any county, city or town of North Carolina which have been approved by the Local Government Commission for the purpose of such investment; or in shares of any saving and loan association organized and licensed under the laws of the State, or in shares of any Federal savings and loan association organized under the laws of the United States with its principal office in this State, to the extent that such investment is insured by Federal deposit insurance. The proceeds of the sale or realization of such investments and any interest resulting from such investments shall be deposited to the credit of the Capital Reserve Fund.

Sec. 5. Withdrawals of all or any part of a Fund may be made from such Capital Reserve Fund at any time, or from time to time, and applied to or expended for all or any portion of the cost of the following, all of which are hereby declared to be necessary expenses; and such cost shall be deemed to include land, easements, rights in land, water rights, contract rights, franchises, and equipment used or useful in connection with any of the following:

a. Systems, plants, works, instrumentalities, and properties used or useful in connection with the obtaining of a water supply and the collection, treatment, and disposal of water for public and private uses.

b. Systems, plants, works, instrumentalities, and properties used or useful in connection with the collection, treatment, and disposal of sewage, waste and storm water.

c. Plants and equipment used or useful in connection with the collection or disposal of ashes, garbage, or refuse other than sewage.

d. Constructing or reconstructing roads, streets, highways, bridges, or culverts, whether including or not including contemporaneous constructing or reconstructing of sidewalks, curbs, gutters, or drains, and whether including or not including grading.

e. The elimination of any grade crossing or crossings and improvements incident thereto.

f. Fire engines, fire trucks, police cars, fire or police alarm systems, and other automotive equipment, and fire stations and police stations.

g. Buildings and equipment for buildings used in housing departments of the municipality.

h. Cemeteries.

i. Perpetual care funds for cemeteries.

j. Reserve for self-insurers for Workmen's Compensation and other types of insurance.

Sec. 6. In addition to appropriations from sources derived from taxation, as elsewhere herein provided, the governing body is authorized and empowered to make appropriations to the said Capital Reserve Fund from revenues and monies derived from sources other than taxation, which said

funds may be used for any public purpose deemed advisable by such governing board.

Sec. 7. The governing body shall provide that proper records be kept so that at all times the amounts remaining in the Capital Reserve Fund derived from taxation and the amounts therein derived from sources other than taxes will be clearly set forth.

Sec. 8. Before any withdrawal is made, the governing body shall by resolution authorize such withdrawal. It shall specify the amount of such withdrawal, and the purpose or purposes for which such amount shall be spent. If the ordinance creating the Fund provides specifically for the use of the Fund for one or more purposes, no withdrawal shall be made for any other purpose except in accordance with the provisions of Section 10. Any resolution authorizing withdrawal shall be adopted at a regular or special meeting of the governing body and shall then be published at least once in each of two successive weeks in some newspaper published in the municipality, and such resolution shall not become effective until thirty days after the date of first publication. No right of action or defense founded upon the invalidity of such resolution shall be asserted, nor shall the validity of the resolution be open to question in any court upon any ground whatever, except in an action or proceeding commenced within thirty days after the date of first publication.

Sec. 9. In the event that an emergency arises which in the opinion of the governing body involves the health, safety, or welfare of the inhabitants of the municipality, necessitating the immediate expenditure of all or any portion of such Capital Reserve Fund for one or more of the purposes for which the Fund was created, a withdrawal may be made from the Fund by resolution of the governing body without publication as provided for in the preceding Section. Such resolution shall declare that an emergency exists and set forth such facts as are necessary to show that such emergency does exist.

Sec. 10. In the event that the ordinance creating the Capital Reserve Fund provides that it shall be used for one or more enumerated purposes, and changed conditions make it necessary to use all or any part of such Fund for some other purpose, the governing body may by resolution authorize a withdrawal for such other purpose. Such resolution shall declare that changed conditions make it necessary to use all or any part of such Fund for such other purpose and set forth such facts as are necessary to show that such changed conditions do exist. The resolution shall be adopted and published in accordance with the provisions of Section 8. No right of action or defense founded upon the invalidity of such resolution shall be asserted, nor shall the validity of the resolution be open to question in any court upon any ground whatever, except in an action or proceeding commenced within thirty days after the date of first publication.

Sec. 11. In addition to the powers granted in the foregoing Sections, the governing body of such municipality is hereby authorized to establish a Capital Reserve Fund with the net revenue derived by the municipality in any fiscal year from the operation of any revenue producing enterprise owned by the municipality after paying all expenses of operating, man-

aging, maintaining, repairing, enlarging and extending such enterprise: Provided, that before any such net revenue is deposited to such Capital Reserve Fund, the net revenue must first be applied to payment of interest and principal payable in the next succeeding fiscal year on bonds issued for such enterprise, as required by Section 160-397. If the governing body elects to establish such a Capital Reserve Fund, it shall pass an ordinance creating the Fund and providing that deposits may be made thereto from time to time as the governing body may deem advisable from the net revenue of the enterprise as defined in the preceding sentence. A separate Capital Reserve Fund shall be established for each enterprise: Provided, that where a water system and a sanitary sewer system are operated as a combined and consolidated system in the manner provided by law, one Capital Reserve Fund may be established to receive deposits of the net revenues of both. The governing body shall designate in the ordinance creating any such Capital Reserve Fund some bank, banks, or trust company as depository in which such net revenues shall be deposited and earmarked for the use of such Capital Reserve Fund. All such deposits shall be secured, and they may be invested, as provided in Section 4 of this Act.

Sec. 12. If any Section or part of this Act is declared to be invalid for any reason, such declaration shall not affect the remaining portions, and it is declared to be the legislative intent that such remaining portions would have been enacted separate and apart from that portion so declared to be invalid.

Sec. 13. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 14. This Act shall be in full force and effect from and after July 1, 1955.

In the General Assembly read three times and ratified, this the 18th day of May, 1955.

the summons shall be effective only until the date fixed for the trial, and if not served within that time shall be returned with the officer's return of non-service thereon. Upon the return of any summons to the court the clerk shall report to the attorney for the plaintiff, if the name of the attorney appears on the summons, the date of service on each defendant, or if service was not obtained on any defendant the fact thereof; but failure of the clerk to make such report shall not invalidate the service of the summons.

"Sec. 55-38.1. Jurisdiction over foreign corporations not transacting business in this State.—(a) Every foreign corporation shall be subject to suit in this State, by a resident of this State or by a person having a usual place of business in this State, whether or not such foreign corporation is transacting or has transacted business in his State and whether or not it is engaged exclusively in interstate or foreign commerce, on any cause of action arising as follows:

(1) Out of any contract made in this State or to be performed in this State; or

(2) Out of any business solicited in this State by mail or otherwise if the corporation has repeatedly so solicited business, whether the orders or offers relating thereto were accepted within or without the State; or

In any such action against a foreign corporation, service may be made on any person who could be served in an action against such subsidiary corporation.

(c) Any foreign corporation subject to suit under this Section may, even though it is not transacting business in this State, appoint and maintain a registered agent, which agent may be either an individual resident in this State or a domestic corporation, or a foreign corporation authorized to transact business in this State. Such appointment shall take place by filing in the office of the Secretary of State a statement setting forth the name and address of the corporation and the address of its principal office, and the name and address in this State of the registered agent. Service of process on the foreign corporation shall be deemed complete when the Secretary of State is so served. The Secretary of State shall endorse upon both copies the time of receipt and shall forthwith send one of such copies by registered mail with return receipt requested, addressed to such corporation at its principal office as it appears in the records of the Secretary of State or, if there is no address of the corporation on file with the Secretary of State, then to said corporation at its office as shown in the official registry of the state of its incorporation. When a copy of the complaint is not mailed with the summons, the Secretary of State shall mail a copy of the complaint when it is served on him in the same manner as the copy of summons is required to be mailed.

(b) Upon the return to the Secretary of State of the requested return receipt showing delivery and acceptance of such registered mail, or upon the return of such registered mail showing refusal thereof by such foreign corporation, the Secretary of State shall note thereon the date of such return to him and shall attach either the return receipt or such refused

mail including the envelope, as the case may be, to the copy of the process, notice or demand theretofore retained by him and shall mail the same to the clerk of the court in which such action or proceeding is pending and in respect of which such process, notice or demand was issued. (c) Service made under this Section shall have the same legal force and validity as if the service had been made personally in this State. The refusal of any such foreign corporation to accept delivery of the registered mail provided for in subsection (a) of this Section or the refusal to sign the return receipt shall not affect the validity of such service; and any foreign corporation refusing to accept delivery of such registered mail shall be charged with knowledge of the contents of any process, notice or demand contained therein.

Entries on the defendant's return receipt or the refused registered mail shall be sufficient evidence of such date. If the date of acceptance or refusal to accept the registered mail cannot be determined from the entries on the return receipt or by notations of the postal authorities on the envelope, then the date when the defendant accepted or refused to accept the rgeistered mail shall be deemed to be the date that return receipt of the registered mail was received back by the Secretary of State.

(e) The court in which the action is pending shall order such additional time as may be necessary to afford the defendant reasonable opportunity to answer the complaint and defend the action.

(f) The Secretary of State shall keep a summarized record of all processes, notices, and demands served upon him under this Section, and shall record therein the time of such service and his action with reference thereto.

(g) Nothing herein contained shall limit or affect the right to serve any process, notice or demand to be served upon a corporation in any other manner now or hereafter permitted by law."

In determining the amount earnable by a member whose compensation is derived partly or wholly from fees, such member shall submit a sworn statement to his employer as to the amount of fees received by such member as compensation during the preceding year, and each month such member shall pay to his employer four per centum (4%) of one-twelfth (1/12) of such compensation received from fees during the

H. B. 1309 CHAPTER 1170

AN ACT TO AUTHORIZE THE CITY OF KINSTON TO LEASE AND OPERATE OFF-STREET PARKING FACILITIES.

The General Assembly of North Carolina do enact:

Section 1. The City of Kinston in the County of Lenoir shall have the right whenever it is found by its governing body, after due notice to and hearing of all interested parties, that the public convenience and necessity will be promoted thereby, to lease from property owners areas which are suitable for the parking of motor vehicles, for periods to be agreed upon by the city on the one hand and the property owner or owners on the other hand, the rental or rentals to be paid for such property to be a stipulated portion of the net returns from the parking charges or fees received from motorists making use of such parking facilities. Every such area shall have such location that parking thereon shall be within a

convenient distance from congested business or shopping areas, to the end that public convenience and necessity in the use of motor vehicles may be enhanced and promoted and traffic congestion eliminated or reduced.

Sec. 2. Said city shall have the right, when so stipulated in the lease agreement, to develop every such leased area or areas so as to make the same usable and suitable for parking under both dry and wet weather conditions. Such development may include the laying of gravel, asphalt, or other hard-surfacing materials, and for the purpose of such development and improvement the city and the owner or owners may stipulate that all the city's portion of the net proceeds to be derived from the operation of such off-street parking facilities, save and except only the operational costs, shall be used to pay such development costs.

Sec. 3. The city council of said city shall have authority to prescribe and promulgate reasonable rules and regulations governing all such off-street parking facilities and the parking periods to be observed, and to fix the fees and charges for the use thereof. Such rules and regulations shall be uniform in their application to motorists so that every motorist in the same class, if different classifications are provided for, shall fare the same.

Said city shall have the right, in the discretion of its city council, to procure and to install parking meters in any such facility when the purchase price thereof is paid or is to be paid solely from the proceeds received, or to be received, or in combination thereof, by said city as its share of the parking fees or charges; and such parking meters shall be and remain the sole property of said city.

Sec. 4. When parking meters are not used, the parking charge or fee may be determined by the use of a time clock which shall record the time when the motor vehicle was placed in the parking facility and the time of removal of such vehicle therefrom; and the regulations may provide that the operator of the vehicle shall have no right to remove it from the parking facility until the parking fee is paid. The regulations may further provide that the operator of a motor vehicle who has wilfully refused to pay the correct parking fee before the motor vehicle involved is removed from such parking facility, may thereafter be deprived of the privilege of using such facility unless he makes an advance deposit in an amount equal to the parking fees which would accrue on that date from the time such motor vehicle enters the parking facility until a subsequent hour certain on the same day.

In any parking facility where parking meters are used, the rules and regulations may provide that in case of over-parking a penalty of not to exceed one dollar ($1.00) may be imposed upon and collected from the motorist involved, and that the privileges of such parking facility shall thereafter be denied to such motorist until the penalty has been paid.

Sec. 5. All funds received by the City of Kinston as its net share of the proceeds from the operation of all such off-street parking facilities, after reimbursement to the city for any lawful advances which have been made by it, shall be credited to a fund to be known as "Off-Street Parking

Facilities Fund" and deposited in a special bank account under the same designation, and expended only for the acquisition of additional off-street parking facilities, the improvement and maintenance thereof, and the improvement of existing off-street parking facilities. Said city shall have the right to acquire additional off-street parking facilities by purchase in fee simple, the cost thereof to be paid from funds already on hand to the credit of said "Off-Street Parking Facilities Fund," or to be collected for the benefit of such fund, or a combination of both methods; and said city shall have the further right, in the discretion of its governing body, whenever it finds, after due notice and hearing, that public convenience and necessity so require, to acquire additional off-street parking facilities through outright purchase by making a down payment out of said fund and taking title thereto subject to a vendor's lien for the balance purchase price: Provided, however, that the security afforded by such vendor's lien shall be the sole security to the balance of the purchase price, and said city shall have no liability therefor beyond its equity of redemption in the real property so purchased, and such limitation of liability shall be so expressed in the city's muniment of title, but failure to incorporate such limitation therein shall not be construed as a waiver of such limitation.

Sec. 6. In addition to the other powers hereby conferred upon the City of Kinston, it shall have the right and is hereby authorized and empowered, whenever its governing body after due notice and hearing shall find and determine that public convenience and necessity so require, to appropriate out of surplus funds amounts sufficient for the purchase of off-street parking areas and for the development and equipment thereof for off-street parking purposes, or for the proper development and equipment of off-street parking areas acquired through lease as hereinbefore authorized: Provided, however, that no appropriation may be made for any such purpose or any such development out of any funds which have been raised by taxation, or already designated or appropriated by law or ordinance to any other use.

Sec. 7. This Act shall be deemed an amendment to the Charter of the City of Kinston, and the powers and authority hereby conferred shall be in addition to all other powers and authority already conferred upon the City of Kinston under its charter, or by any special Act, or by Chapter 160 of the General Statutes.

Sec. 8. All laws and clauses of laws in conflict with this Act are hereby repealed.

Each such ordinance and order shall state the amount of the withdrawal, shall contain a description, in brief and general terms, of the purpose thereof, shall contain a statement thereby declaring and determining that such withdrawal, and the expenditure thereof for such purpose, shall be mutually beneficial to the City and the districts and for a necessary expense within the meaning of the Constitution of North Carolina, and shall contain a provision that the same shall take effect 30 days after its first publication.

Each ordinance and order authorizing withdrawal from the capital reserve fund shall be published in the same manner and with the same form of notice required in Section four of this Act in publication of the ordinance and order establishing the capital reserve fund. The provisions of Section five of this Act with respect to limitation of action to set aside an ordinance and order establishing the capital reserve fund shall apply to each ordinance and order authorizing withdrawal from said capital reserve fund.

and determined to be beneficial for said district and for a necessary expense within the meaning of the Constitution of North Carolina.

Sec. 10. The powers granted by this Act shall be in addition to and not in substitution for the powers granted under any other law.

The offices of Secretary and Treasurer may be combined. The terms of office of the Chairman, Vice Chairman, Secretary and Treasurer shall be as provided in the bylaws of the Authority.

A majority of the members of the Authority shall constitute a quorum and the affirmative vote of a majority of all of the members of the Authority shall be necessary for any action taken by the Authority. No vacancy in the membership of the Authority shall impair the right of a quorum to exercise all the rights and perform all of the duties of the Authority. The members of the Authority shall serve without compensation but shall be reimbursed for the amount of actual expenses incurred by them in the performance of their duties.

Sec. 6. Each Authority created hereunder shall be deemed to be a public instrumentality exercising public and essential governmental functions to provide for the public health and welfare, and each such Authority is, subject to the provisions of Section 6½ of this Act, hereby authorized and empowered:

(a) To adopt bylaws for the regulation of its affairs and the conduct of its business;

(b) to adopt an official seal and alter the same at pleasure;

(c) to maintain an office at such place or places as it may designate;

(d) to sue and be sued in its own name, plead and be impleaded;

(e) to acquire, lease as lessee or lessor, construct, reconstruct, improve, extend, enlarge, equip, repair, maintain and operate any water system or part thereof or any sewer system or part thereof or any combination thereof within or without the participating political subdivisions or any thereof;

(f) to issue revenue bonds of the Authority as hereinafter provided to pay the cost of such acquisition, construction, reconstruction, improvement, extension, enlargement or equipment;

(g) to issue revenue refunding bonds of the Authority as hereinafter provided;

(h) to combine any water system and any sewer system as a single system for the purpose of operation and financing;

(i) to fix and revise from time to time and to collect rates, fees and other charges for the use of or for the services and facilities furnished by any system operated by the Authority;

(j) to acquire in the name of the Authority by gift, purchase or the exercise of the right of eminent domain in accordance with the General Statutes of North Carolina which may be applicable to the exercise of such powers by municipalities or counties, any lands or rights in land or water rights in connection therewith, and to acquire such personal property, as it may deem necessary in connection with the acquisition, construction, reconstruction, improvement, extension, enlargement or operation of any water system or sewer system, and to hold and dispose of all real and personal property under its control; provided, that the taking of water from any stream or reservoir by an Authority created under the provisions of this Act shall not vest in the taker any rights by prescription; provided, further, that nothing in this Section shall affect rights by prescription, if any, now held by any municipality and which may be later transferred to any Authority of which such municipality may become a member.

(k) to make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this Act, including a trust agreement or trust agreements securing any revenue bonds issued hereunder, and to employ such consulting and other engineers, superintendents, managers, construction and financial experts, accountants and attorneys, and such employees and agents as may, in the judgment of the Authority be deemed necessary, and to fix their compensation; provided, however, that all such expenses shall be

payable solely from funds made available under the provisions of this Act;

(l) to enter into contracts with the Government of the United States or any agency or instrumentality thereof, or with any political subdivision, private corporation, co-partnership, association or individual providing for the acquisition, construction, reconstruction, improvement, extension, enlargement, operation or maintenance of any water system or sewer system or providing for or relating to the treatment and disposal of sewage or providing for or relating to any water system or the purchase or sale of water;

(m) to enter into contract with any political subdivision by which the Authority shall assume the payment of the principal of and interest on indebtedness of such subdivision; and

(n) to do all acts and things necessary or convenient to carry out the powers granted by this Act.

Sec. 6½. (a) No Authority shall institute proceedings in the nature of eminent domain to acquire water, water rights, or lands having water rights attached thereto without first securing from the Board a certificate authorizing such acquisition.

(b) An Authority seeking such certificate shall petition the Board therefor in writing, which petition shall include a description of the waters or water rights involved, the plans for impounding or diverting such waters, and the names of riparian owners affected thereby insofar as known to the Authority. Upon receipt of such petition, the Board shall hold public hearing thereon after giving at least thirty days' written notice thereof to known affected riparian owners and notice published at least once each week for two successive weeks in a newspaper or newspapers of general circulation in each county in which lower riparian lands lie.

(c) The Board shall issue certificates only to projects which it finds to be consistent with the maximum beneficial use of the water resources in the State and shall give paramount consideration to the State-wide effect of the proposed project rather than its purely local or regional effect. In making this determination, the Board shall specifically consider:

(1) The necessity of the proposed project;

(2) Whether the proposed project will promote and increase the storage and conservation of water;

(3) The extent of the probable detriment to be caused by the proposed project to the present beneficial use of water in the affected watershed and resulting damages to present beneficial users.

(4) The extent of the probable detriment to be caused by the proposed project to the potential beneficial use of water on the affected watershed;

(5) The feasibility of alternative sources of supply to the petitioning Authority and the comparative cost thereof;

(6) The extent of the probable detriment to be caused by the use of alternative sources of supply to present and potential beneficial use of water on the watershed or watersheds affected by such alternative sources of supply;

(7) All other factors as will, in the Board's opinion, produce the maximum beneficial use of water for all in all areas of the State affected by the proposed project or alternatives thereto.

Upon the considerations above set forth, the Board may grant its certificate in whole or in part or it may refuse the same.

(d) At the public hearing provided for in subsection (b) above the Board shall hear evidence from the Authority and any others in support of its petition and from all persons opposed thereto.

(e) At any hearing authorized by this Section, the Board shall have power to administer oaths; to take testimony; to issue subpoenaes and compel the attendance of witnesses, which shall be served in the same manner as subpoenaes issued by the Superior Courts of the State; and to order the taking of depositions in the same manner as depositions are taken for use in the Superior Court.

(f) Any final order or decision of the Board in administering the provisions of this Section shall be subject to judicial review at the instance of any person or Authority aggrieved by such order or decision by complying with the provisions of Article 33, Chapter 143 of the General Statutes of North Carolina.

Sec. 7. Each Authority is hereby authorized to issue, at one time or from time to time, revenue bonds of the Authority for the purpose of paying all or any part of the cost of acquiring, constructing, reconstructing, improving, extending, enlarging or equipping any water system or sewer system or any part or any combination thereof. The bonds of each issue shall be dated, shall mature at such time or times not exceeding forty years from their date or dates and shall bear interest at such rate or rates not exceeding five per centum (5%) per annum, as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds. The Authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Act or any recitals in any bonds issued under the provisions of this Act, all such bonds shall be deemed to be negotiable instruments under the laws of this State. The bonds may be issued in coupon or registered form or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. Such bonds shall be approved and sold by the Local Government Commission in the same manner as municipal

bonds are approved and sold by that Commission, except that the said Commission may sell any bonds issued pursuant to this Act at private sale and without advertisement, and for such price, with the consent of the Authority, as it may determine to be for the best interests of the Authority, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than five per centum (5%) per annum, computed with relation to the absolute maturity or maturities of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bonds prior to maturity.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. If the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Authority may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery, except that such interim receipts or temporary bonds shall be approved by the Local Government Commission in the same manner as the definitive bonds are approved by said Commission under the provisions of this Act. Delivery of interim receipts or temporary bonds or of the bonds authorized pursuant to this Act to the purchaser or order, or delivery of definitive bonds in exchange for interim receipts or temporary bonds, shall be made in the same manner as municipal bonds may be delivered under the provisions of the Local Government Act. The Authority may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Excepting the requirement herein that approval of the Local Government Commission shall be obtained, bonds may be issued under the provisions of this Act without obtaining the consent of any other commission, board, bureau or agency of the State or of any political subdivision, and without any other proceeding or the happening of other conditions or things than those proceedings, conditions or things which are specifically required by this Act.

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of the State or of any political subdivision or a pledge of the faith and credit of the State or of any political subdivision, but such bonds shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the bonds.

Sec. 8. Each Authority shall fix, and may revise from time to time, reasonable rates, fees and other charges for the use of and for the services furnished or to be furnished by any water system or sewer system or parts thereof owned or operated by such Authority. Such rates, fees and charges shall not be subject to supervision or regulation by any bureau, board, commission or other agency of the State or of any political subdivision. Such rates, fees and charges shall be fixed and revised so that the revenues of the Authority, together with any other available funds, will be sufficient at all times (a) to pay the cost of maintaining, repairing and operating the systems or parts thereof owned or operated by the Authority, including reserves for such purposes, and including provision for the payment of principal of and interest on indebtedness of a political subdivision or of political subdivisions which payment shall have been assumed by the Authority, and (b) to pay the principal of and the interest on all bonds issued by the Authority under the provisions of this Act as the same shall become due and payable and to provide reserves therefor. Notwithstanding any of the foregoing provisions of this Section, the Authority may enter into contracts relating to the collection, treatment or disposal of sewage or the purchase or sale of water which shall not be subject to revision except in accordance with their terms.

In order to insure the payment of such rates, fees and charges as the same shall become due and payable, the Authority may, in addition to any other remedies which it may have (1) require reasonable advance deposits to be made with it to be subject to application to the payment of delinquent rates, fees and charges, and (2) at the expiration of thirty days after any such rates, fees and charges become delinquent, discontinue supplying water or the services and facilities of any water system or sewer system of the Authority.

Sec. 9. In the discretion of the Authority, each or any issue of revenue bonds may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. The resolution authorizing the issuance of the bonds or such trust agreement may pledge the revenues to be received, but shall not convey or mortgage any water system or sewer system or any part thereof, and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition, construction, reconstruction, improvement, maintenance, repair, operation and insurance of any such system or systems, the fixing and revising of rates, fees and charges, and the custody, safeguarding and application of all moneys, and for the employment of consulting engineers

in connection with such acquisition, construction, reconstruction or operation. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Such resolution or trust agreement may set forth the rights and remedies of the bondholders and of the trustee, if any, and may restrict the individual right of action by bondholders. Such resolution or trust agreement may contain such other provisions in addition to the foregoing as the Authority may deem reasonable and proper for the security of the bondholders. Except as in this Act otherwise provided, the Authority may provide for the payment of the proceeds of the sale of the bonds and the revenues of any water system or sewer system or part thereof to such officer, board or depositary as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution or trust agreement may be treated as a part of the cost of operation.

All pledges of revenues under the provisions of this Act shall be valid and binding from the time when such pledge is made. All such revenues so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledges without any physical delivery thereof or further action, and the lien of such pledges shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof.

Sec. 10. All moneys received pursuant to the authority of this Act shall be deemed to be trust funds, to be held and applied solely as provided in this Act. The resolution authorizing the issuance of bonds or the trust agreement securing such bonds shall provide that any officer to whom, or bank, trust company or fiscal agent to which, such moneys shall be paid shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such regulations as this Act and such resolution or trust agreement may provide.

Sec. 11. Any holder of revenue bonds issued under the provisions of this Act or of any of the coupons appertaining thereto, and the trustee under any trust agreement, except to the extent the rights herein given may be restricted by the resolution authorizing the issuance of such bonds or such trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such resolution or trust agreement, and may enforce and compel the performance of all duties required by this Act or by such resolution or trust agreement to be performed by the Authority or by any officer thereof, including the fixing, charging and collecting of rates, fees and charges for the use of or for the services and facilities furnished by a water system or sewer system.

Sec. 12. Each Authority is hereby authorized to issue from time to time revenue refunding bonds for the purpose of refunding any revenue bonds of the Authority then outstanding, including the payment of any

redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The Authority is further authorized to issue from time to time revenue bonds of the Authority for the combined purpose of (a) refunding any revenue bonds or revenue refunding bonds of the Authority then outstanding, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (b) paying all or any part of the cost of acquiring or constructing any additional water system or sewer system or part thereof, or any improvements, extensions or enlargements of any water system or sewer system. The issuance of such bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties and obligations of the Authority with respect to the same, shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

Sec. 13. The governing body of any political subdivision is hereby authorized and empowered:

(a) Subject to the approval of the Local Government Commission, to transfer jurisdiction over, and to lease, lend, grant or convey to an Authority upon the request of the Authority, upon such terms and conditions as the governing body of such political subdivision may agree with the Authority as reasonable and fair, the whole or any part of any existing water system or sewer system or such real or personal property as may be necessary or desirable in connection with the acquisition, construction, reconstruction, improvement, extension, enlargement, equipment, repair, maintenance or operation of any water system or sewer system or part thereof by the Authority, including public roads and other property already devoted to public use;

(b) to make and enter into contracts or agreements with an Authority, upon such terms and conditions and for such periods as are agreed to by the governing body of such political subdivision and the Authority;

(1) for the collection, treatment or disposal of sewage by the Authority or for the purchase of a supply of water from the Authority;

(2) for the collecting by such political subdivision or by the Authority of fees, rates or charges for water furnished to such political subdivision or to its inhabitants and for the services and facilities rendered to such political subdivision or to its inhabitants by any water system or sewer system of the Authority, and for the enforcement of delinquent charges for such water, services and facilities; and

(3) for shutting off the supply of water furnished by any water system owned or operated by such political subdivision in the event that the owner, tenant or occupant of any premises utilizing such water shall fail to pay any rates, fees or charges for the use of or for the services furnished by any sewer system of the Authority, within the time or times specified in such contract;

(c) to fix, and revise from time to time, rates, fees and other charges for water and for the services furnished or to be furnished by any water system or sewer system of the Authority, or parts thereof, under any contract between the Authority and such political subdivision, and to pledge

all or any part of the proceeds of such rates, fees and charges to the payment of any obligation of such political subdivision under such contract; and

(d) in its discretion, to submit to the qualified electors under the election laws applicable to such political subdivision any contract or agreement which such governing body is authorized to make and enter into with the Authority under the provisions of this Act; provided, however, that before any contract or agreement under subdivision (a) of this Section shall become effective as to a political subdivision such contract or agreement shall be submitted to and approved by a majority of the qualified electors voting at an election held under the election laws applicable to such political subdivision.

Sec. 14. Each private water company which is supplying water to the owners, lessees or tenants of real property which is or will be served by any sewer system of an Authority is authorized to act as the billing and collecting agent of the Authority for any rates, fees or charges imposed by the Authority for the services rendered by such sewer system. Any such company shall, if requested by an Authority, furnish to the Authority copies of its regular periodic meter reading and water consumption records and other pertinent data as may be required for the Authority to act as its own billing and collecting agent. The Authority shall pay to such water company the reasonable additional cost of clerical services and other expenses incurred by the water company in rendering such services to the Authority. The Authority shall by means of suitable measuring and recording devices and facilities record the quantity of water taken daily by it from any stream or reservoir and make monthly reports of such daily recordings to the Board of Water Commission of the State of North Carolina.

Sec. 15. Any political subdivision is hereby authorized to make contributions or advances to an Authority, from any moneys which may be available for such purpose, to provide for the preliminary expenses of such Authority in carrying out the provisions of this Act. Any such advances may be repaid to such political subdivisions from the proceeds of bonds issued by such Authority under this Act.

Sec. 16. This Act shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special or local; provided, however, that the issuance of revenue bonds or revenue refunding bonds under the provisions of this Act need not comply with the requirements of any other law applicable to the issuance of bonds.

Sec. 16½. Any riparian owner alleging an injury as a result of any act of an Authority created under this Act may maintain an action for relief against the acts of the Authority either in the county where the lands of such riparian owner lie or in the county in which the principal office of the Authority is maintained.

Sec. 17. All general, special or local laws, or parts thereof, inconsistent

herewith are hereby declared to be inapplicable to the provisions of this Act.

Sec. 18. The provisions of this Act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

Sec. 19. This Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 23rd day of May, 1955.

AN ACT AUTHORIZING THE GOVERNOR TO APPOINT A COMMISSION TO STUDY AND MAKE A REPORT TO THE 1957 GENERAL ASSEMBLY CONCERNING THE SALT MARSH MOSQUITO PROBLEM IN EASTERN NORTH CAROLINA.

WHEREAS, the development of the boundless resources of year-round Coastal North Carolina is proceeding at a rapid pace, in spite of lack of adequate highway access and other disadvantages; and

WHEREAS, the greatest drawback in attracting business, industry and tourists to this year-around area is the menace of swarming Salt Marsh Mosquitoes (Aedes Sollicitans); and

WHEREAS, the Salt Marsh Mosquito, though not a proven vector of a pathogenic organisms, is a menace to public health, as its bite not only causes irritation and mental anguish, but frequently results in secondary

infections which persist for long periods and this is especially true among very young children; and

WHEREAS, this mosquito is a great menace to the farmer, his livestock and domestic animals, at times making it almost impossible to work in his fields or garden; and

WHEREAS, these Aedes Sollicitans can fly from 30 to 50 miles, making all local control futile, since any good breeze can bring in huge swarms from an uncontrolled neighboring county; and

WHEREAS, many coastal states have found it necessary and also most profitable to establish Salt Marsh Mosquito Study Commissions, provided with funds, and charged with the duty of mosquito control: Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. Sec. 4. Members of the Commission shall receive the same per diem and travel allowance as that allowed officers and employees of the State while in the performance of their duties as members of the Commission.

Sec. 4½. When the report referred to in Section 2 has been filed with the Governor, the Governor and Council of State are authorized and empowered, in their discretion, to allocate, to such department or agency as they shall designate, from the Contingency and Emergency Fund, such amount or amounts as they shall find are reasonably necessary to provide for control of the said Salt Marsh Mosquitoes or other species of mosquitoes, such allocations to be made available only until the convening of the 1957 General Assembly.

Sec. 5. All laws and clauses of laws in conflict with this Act are hereby repealed.

In lieu thereof, the charter may provide that the method of election of directors be left to the bylaws.

(7) Any provisions, not inconsistent with law, which the incorporators elect to set forth in the charter (including, if desired, provisions with respect to the relative rights or interests of the members as among themselves or in the property of the corporation, the manner of termination of membership in the corporation, the rights, upon such termination, of the corporation, the terminated member and the remaining members, the transferability or non-transferability of memberships, and the distribution of assets on liquidation or for subordinating and subjecting the corporation to the authority of any head or national association, lodge, order, beneficial association, fraternal or beneficial society, foundation, federation or other non-profit corporation, society, organization or association).

(8) The address, including street and number, if any, of its initial registered office, which shall be in this State, and the name of its initial registered agent at such address.

(9) The number of directors constituting the initial board of directors, and the names and addresses, including street and number, if any, of the persons who are to serve as the initial directors.

(10) The name and address, including street and number, if any, of each incorporator.

(b) It shall not be necessary to set forth in the articles of incorporation any of the corporate powers enumerated in this Chapter.

Sec. 55A-8. Filing of Articles of Incorporation; effect.—Upon the filing of the articles of incorporation in the office of the Secretary of State the corporate existence shall begin, and a copy of the articles certified by the Secretary of State shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and that the corporation has been incorporated under this Chapter, except as against this State in a proceeding to annul or revoke the articles of incorporation.

Sec. 55A-9. Organization Meeting of Directors.—After the filing of the articles of incorporation in the office of the Secretary of State an organization meeting of the board of directors named in the articles of incorporation shall be held, either within or without this State, at the call of

a majority of the directors, for the purpose of adopting bylaws, electing officers and the transaction of such other business as may come before the meeting. The directors calling the meeting shall give at least three days notice thereof by mail to each director so named, which notice shall state the time and place of the meeting, unless notice is waived as hereinafter provided.

Sec. 55A-10. Corporate Name.—(a) The corporate name:

(1) Shall not contain any word or phrase which indicates or implies that it is organized for any purpose other than one or more of the purposes contained in its charter.

(2) Shall not be the same as, or deceptively similar to, the name of any corporation, whether for profit or not for profit, existing under any law of this State, or any foreign corporation, whether for profit or not for profit, authorized to transact business or conduct affairs in this State, or a corporate name reserved or registered as permitted by the laws of this State.

Sec. 55A-11. Registered Office and Registered Agent.—(a) Each corporation shall have and continuously maintain in this State:

(1) A registered office which may be, but need not be, the same as its principal office.

(2) A registered agent, which agent may be either an individual resident in this State whose business office is identical with such registered office, or a domestic corporation, whether for profit or not for profit, or a foreign corporation, whether for profit or not for profit, authorized to transact business or conduct affairs in this State, having an office identical with such registered office.

(b) If any corporation has, prior to the effective date of this Chapter, filed with the Secretary of State a statement designating a principal office in this State and agent in charge thereof, and has continued to maintain the same, it shall not be required to, but it may designate a new registered office and agent as provided in G. S. 55A-12.

Sec. 55A-12. Change of Registered Office or Registered Agent.—(a) A corporation may change its registered office or its registered agent, or both. To effectuate such change, a statement shall be executed by the corporation and filed, in accordance with the provisions of G. S. 55A-4 setting forth:

(1) The name of the corporation.

(2) The address, including street and number, if any, of its then registered office.

(3) If the address of its registered office be changed, the address, including street and number, if any, to which the registered office is to be changed.

(4) The name of its then registered agent.

(5) If its registered agent be changed, the name of its successor registered agent.

(6) That the address of its registered office and the address of the office of its registered agent, as changed, will be identical.

NOTE: This Act is not effective until July 1, 1957.

(7) That such change was authorized by resolution duly adopted by its board of directors.

(b) If the change in the registered office is to another county, a copy of such statement certified by the Secretary of State shall be recorded both in the old county and in the new county, and there shall also be recorded in the new county, in the manner prescribed by G. S. 55-4, a similarly certified copy of the corporation's charter.

(c) If the statement purporting to effectuate such changes is recorded in some but not in all the offices wherein recording is required by this Section, persons asserting claims against the corporation may treat as the registered agent or registered office of the corporation either the one newly designated in the statement or the pre-existing one.

(d) Any registered agent of a corporation may resign as such agent upon filing a written notice thereof, executed in duplicate, with the Secretary of State, who shall forthwith mail a copy thereof to the corporation at its registered office, or, in the case of a foreign corporation, to the address of the principal office of the corporation in the state or country under the laws of which it is incorporated. The appointment of such agent shall terminate upon the expiration of 30 days after receipt of such notice by the Secretary of State.

Sec. 55A-13. Service of Process on Corporation.—(a) Service upon the registered agent appointed by a corporation of any process, notice or demand required or permitted by law to be served upon the corporation shall be binding upon the corporation.

(b) Whenever a corporation shall fail to appoint or maintain a registered agent in this State, or whenever its registered agent cannot with due diligence be found at the registered office, then the Secretary of State shall be an agent of such corporation upon whom any such process, notice or demand may be served. Service on the Secretary of State of any such process, notice or demand shall be made by delivering to and leaving with him, or with any clerk having charge of the corporation department of his office, duplicate copies of such process, notice or demand. In the event any such process, notice or demand is served on the Secretary of State, he shall immediately cause one of the copies thereof to be forwarded by registered mail, addressed to the corporation at its registered office. Any such corporation so served shall be in court for all purposes from and after the date of such service on the Secretary of State.

(c) The Secretary of State shall keep a record of all processes, notices and demands served upon him under this Section, and shall record therein the time of such service and his action with reference thereto.

(d) Nothing herein contained shall limit or affect the right to serve any process, notice or demand required or permitted by law to be served upon a corporation in any other manner now or hereafter permitted by law.

Sec. 55A-14. Bylaws.—The initial bylaws of a corporation shall be adopted by its board of directors. The power to alter, amend, or repeal the

NOTE: This Act is not effective until July 1, 1957.

bylaws or adopt new bylaws shall be vested in the board of directors unless otherwise provided in the charter or the bylaws. The initial bylaws adopted by the directors or any bylaws adopted by the members may contain any provisions, not inconsistent with law or the charter, with respect to: Voting rights and the manner of conducting votes on any matter, the relative rights or interests of the members as among themselves or in the property of the corporation, the manner of termination of membership in the corporation, the rights, upon such termination, of the corporation, the terminated member and the remaining members, and the transferability or nontransferability of memberships. Any bylaws lawfully adopted may contain any additional provisions, not inconsistent with law or the charter, for the regulation and management of the affairs of the corporation, including any provision for penalties for violation of its rules.

ARTICLE 4. Powers and Management.

Sec. 55A-15. General Powers.—(a) Every corporation shall have power:

(1) To have perpetual succession by its corporate name unless a limited period of duration is stated in its charter.

(2) To sue and be sued, complain and defend, in its corporate name.

(3) To have a corporate seal which may be altered at pleasure, and to use the same by causing it, or a facsimile thereof, to be impressed or affixed or in any other manner reproduced.

(4) To elect or appoint officers and agents of the corporation, and define their duties and fix their compensation.

(5) To make and alter bylaws, not inconsistent with its charter or with the laws of this State, for the administration and regulation of the affairs of the corporation.

(6) If the charter so provides, to make donations for the public welfare or for charitable, scientific or educational purposes; and in time of war to make donations in aid of war activities.

(7) If the charter so provides, to lend money to its employees other than its officers and directors and otherwise to assist its employees, officers, and directors.

(8) Subject to any restrictions in the charter, to indemnify any director or officer or former director or officer of the corporation or any person who may have served at its request as a director or officer of another corporation, whether for profit or not for profit, against expenses actually and necessarily incurred by him in connection with the defense of any action, suit or proceeding in which he is made a party by reason of being or having been such director or officer, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of duty; but such indemnification shall not be deemed exclusive of any other rights to which such director or officer may be entitled, under any bylaw, agreement, vote of board of directors or members, or otherwise.

NOTE: This Act is not effective until July 1, 1957.

(9) To cease its corporate activities and surrender its corporate franchise.

(b) In connection with carrying out the purposes stated in its charter, and subject to any limitation prescribed by this Chapter or in its charter, every corporation shall also have power:

(1) To purchase, take, receive, lease, take by gift, devise or bequest, or otherwise acquire, own, hold, improve, use and otherwise deal in and with, real or personal property, or any interest therein, wherever situated.

(2) To sell, convey, mortgage, pledge, lease, exchange, transfer and otherwise dispose of all or any part of its property and assets.

(3) To acquire, by purchase, subscription, gift, will or otherwise, and to own, hold, vote, use, employ, sell, mortgage, lend, pledge, or otherwise dispose of, and otherwise use and deal in and with, shares or other interests in, or obligations of, domestic or foreign business corporations, associations, partnerships or individuals, or direct or indirect obligations of the United States or of any government, state, territory, governmental district or municipality or of any instrumentality thereof.

(4) To make contracts and incur liabilities, borrow money, issue its notes, bonds, and other obligations, and secure any of its obligations by mortgage or pledge of all or any of its property, franchises and income.

(5) To procure for its benefit insurance on the life of any employee, including any officer, or, in case of a religious, educational, or charitable corporation, any sponsor, contributor, student, or former student, whose death might cause financial loss to the corporation, and to this end the corporation has an insurable interest in the lives of each of such persons.

(6) To lend money for its corporate purposes, invest its funds from time to time, and take and hold real and personal property as security for the payment of funds so loaned or invested.

(7) To conduct its affairs, carry on its operations, and have offices and exercise the powers granted by this Chapter anywhere in the world.

(8) To have and exercise all powers necessary or convenient to effect any or all of the purposes for which the corporation is organized.

Sec. 55A-16. Special Powers; Public Parks and Drives and Certain Recreational Corporations.—Any corporation heretofore or hereafter formed for the purpose of creating and maintaining public parks and drives shall have full power and authority to lay out, manage, and control parks and drives within the State, under such rules and regulations as the corporation may prescribe, and shall have power to purchase and hold property and take gifts or donations for such purpose. It may hold property and exercise such powers and trust for any town, city, township, or county, in connection with which said parks and drives shall be maintained. Any city, town, township, or county, holding such property, may vest and transfer the same to any such corporation for the purpose of controlling and maintaining the same as public parks and drives under such regulations and subject to such conditions as may be determined upon by such city, town, township, or county. All such lands as the corporation may acquire shall

NOTE: This Act is not effective until July 1, 1957.

be held in trust as public parks and drives, and shall be held open to the public under such rules, laws, and regulations as the corporation may adopt through its board of directors, and it shall have power and authority to make and adopt all such laws and regulations as it may determine upon for the reasonable management of such parks and drives. All property owned by it and appropriated exclusively for public parks and drives shall not be subject to taxation. The terms "public parks and drives" as used in this Section shall be construed so as to include playgrounds, recreational centers, and other recreational activities and facilities which may be provided and established under the sponsorship of any county, city, town, township, or school district in North Carolina and constructed or established with the assistance of the Government of the United States or any agency thereof.

Sec. 55A-17. Defense of Ultra Vires.—(a) No act of a corporation and no conveyance or transfer of real or personal property to or by a corporation shall be invalid by reason of the fact that the corporation was without capacity or power to do such act or to make or receive such conveyance or transfer, but such lack of capacity or power may be asserted:

(1) In any action by a member or a director against the corporation to enjoin the doing of any act or the transfer of real or personal property by or to the corporation, but in any such action the plaintiff shall sustain the burden of proof that he has not at any time prior thereto assented to the act or transfer in question and that in bringing the action he is not acting in collusion with officials of the corporation. If the unauthorized acts or transfer sought to be enjoined are being, or are to be, performed or made pursuant to any contract to which the corporation is a party, the court may, if all of the parties to the contract are parties to the action and if deemed equitable, set aside and enjoin the performance of such contract, and in so doing may allow to the corporation or to the other parties to the contract, as the case may be, compensation for the loss or damage sustained by either of them which may result from the action of the court in setting aside and enjoining the performance of such contract, but anticipated profits to be derived from the performance of the contract shall not be awarded by the court as loss or damage sustained.

(2) In an action by the corporation or by its receiver, trustee or other legal representative, or by its members in a representative suit, against the incumbent or former officers or directors of the corporation.

(3) In an action by the Attorney General, to dissolve the corporation, or in an action by the Attorney General to enjoin the corporation from the transaction of unauthorized business, or in a proceeding by the Secretary of State to revoke a certificate of authority of a foreign corporation, pursuant to G. S. 55A-73.

Sec. 55A-18. Loans to Directors and Officers Prohibited.—No loans shall be made by a corporation to its directors or officers. The directors of a corporation who vote for or assent to the making of a loan to a director or officer of the corporation, and any officer or officers participating in the

NOTE: This Act is not effective until July 1, 1957.

making of such loan, shall be jointly and severally liable to the corporation for the amount of such loan until the repayment thereof.

Sec. 55A-19. Board of Directors.—The affairs of a corporation shall be managed by a board of directors. Directors need not be residents of this State or members of the corporation unless the charter or the bylaws so require. The charter or the bylaws may prescribe other qualifications for directors.

Sec. 55A-20. Number, Election, and Term of Directors.—(a) The number constituting the board of directors of a corporation shall be not less than three. The number shall be determined by the charter or bylaws, except that the number constituting the first board of directors shall be determined by the articles of incorporation. In the absence of a bylaw determining the number of directors, the number shall be the same as that stated in the charter.

(b) The number of directors may be increased or decreased from time to time only by amendment to the bylaws, unless the charter provides that a change in the number of directors shall be made only by amendment of the charter. No decrease in number shall have the effect of shortening the term of any incumbent director.

(c) The first board of directors shall consist of those named in the articles of incorporation. Thereafter, if the corporation has members, directors shall be elected by the members entitled to vote at the first annual meeting and at each subsequent annual meeting of the members. Such election may be by mail if the bylaws so provide. If the corporation does not have members or members entitled to vote, directors shall be elected or appointed in the manner and for the terms as provided in the bylaws. In the absence of a provision fixing the term of office, the term of office of a director shall be one year.

(d) Directors may be divided into classes and the terms of office of the several classes need not be uniform. Each director shall hold office for the term for which he is elected or appointed and until his successor shall have been elected or appointed and qualified.

(e) Election of directors by the members shall be by ballot unless the charter or the bylaws otherwise provide.

(f) A director may be removed from office pursuant to any procedure therefor set forth in a charter provision, including one adopted by amendment after he was elected or appointed as director.

Sec. 55A-21. Vacancies.—Any vacancy occurring in the board of directors and any directorship to be filled by reason of an increase in the number of directors may be filled by the board of directors unless the charter or the bylaws provide that a vacancy or directorship so created shall be filled in some manner, in which case such provision shall control. A director elected or appointed, as the case may be, to fill a vacancy shall be elected or appointed for the unexpired term of his predecessor in office.

Sec. 55A-22. Quorum of Directors.—A majority of the number of directors fixed by the charter or bylaws, shall constitute a quorum for the trans-

NOTE: This Act is not effective until July 1, 1957.

action of business unless otherwise provided in the charter or the bylaws; but in no event shall a quorum consist of less than one-third of the number of directors so fixed or stated. If the number of directors of a nonprofit corporation without members falls below the number necessary for a quorum, the remaining directors, however reduced in number, shall have authority to fill all vacancies in the board of directors. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors, unless the act of a greater number is required by this Chapter, the charter, or the bylaws.

Sec. 55A-23. Committees.—If the charter or the bylaws so provide, the board of directors, by resolution adopted by a majority of the directors in office, may designate one or more committees each of which shall consist of two or more directors, which committees, to the extent provided in such resolution, in the charter or in the bylaws of the corporation, shall have and exercise the authority of the board of directors in the management of the corporation; but the designation of such committees and the delegation thereto of authority shall not operate to relieve the board of directors or any individual director of any responsibility or liability imposed upon it or him by law. Other committees not having and exercising the authority of the board of directors in the management of the corporation may be designated by a resolution adopted by a majority of the directors present at a meeting at which a quorum is present.

Sec. 55A-24. Place and Notice of Directors' Meeting.—(a) Meetings of the board of directors, regular or special, may be held either within or without this State, and upon such notice as the bylaws may prescribe.

(b) Unless the bylaws otherwise provide, special meetings of the board of directors may be called by the president or by any two directors.

(c) Attendance of a director at any meeting shall constitute a waiver of notice of such meeting except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

(d) Unless the bylaws otherwise provide, neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board of directors need be specified in the notice or written waiver of notice of such meeting.

Sec. 55A-25. Officers.—(a) The officers of a corporation shall consist of a president, one or more vice presidents, a secretary, a treasurer and such other officers and assistant officers as may be deemed necessary, each of whom shall be elected or appointed at such time and in such manner, and for such terms not exceeding three years, as may be prescribed in the charter or the bylaws. In the absence of any such provision, all officers shall be elected or appointed annually by the board of directors. If the bylaws so provide, any two or more offices may be held by the same person, except the offices of president and secretary.

(b) The charter or the bylaws may provide that any one or more

NOTE: This Act is not effective until July 1, 1957.

officers of the corporation shall be ex officio members of the board of directors.

(c) The officers of a corporation may be designated by such additional titles as may be provided in the charter or the bylaws.

Sec. 55A-26. Removal of Officers.—Any officer elected or appointed may be removed by the persons authorized to elect or appoint such officer whenever in their judgment the best interests of the corporation will be served thereby. The removal of an officer shall be without prejudice to the contract rights, if any, of the officer so removed. Election or appointment of an officer or agent shall not of itself create contract rights.

Sec. 55A-27. Books and Records.—Each corporation shall keep correct and complete books and records of account and shall keep minutes of the proceedings of its members, board of directors, and committees having any of the authority of the board of directors. It shall keep at its registered office or principal office in this State a record of the names and addresses of its members entitled to vote and may keep all other books, records, and minutes without this State. All books and records of a corporation may be inspected by any member, or his agent or attorney, for any proper purpose at any reasonable time.

Sec. 55A-28. Shares of Stock and Dividends Prohibited.—A corporation shall not have or issue shares of stock. No dividend shall be paid and no part of the income of a corporation shall be distributed to its members, directors or officers. A corporation may pay compensation in a reasonable amount to its members, directors or officers for services rendered, may confer benefits upon its members in conformity with its purposes, and may make distributions upon dissolution or final liquidation as permitted by this Chapter.

ARTICLE 5. Members.

Sec. 55A-29. Members.—(a) A corporation may have one or more classes of members or may have no members. If the corporation has one or more classes of members, the designation of such class or classes and the qualifications and rights of the members of each class shall be set forth in the charter or in the initial bylaws adopted by the directors or in any bylaws adopted by the members. A corporation may issue certificates evidencing membership therein which may be transferable or nontransferable, as stated in the charter or bylaws.

(b) Unless the charter or bylaws contain provisions which adequately safeguard the property rights of expelled members, upon expulsion of a member who would be entitled to a distributive share of the corporation's assets upon its liquidation the corporation shall pay to the expelled member an amount equal to what the expelled member would receive if the corporation's assets were liquidated at the time of the expulsion. If the parties cannot agree upon this amount, each shall appoint an appraiser and those two appraisers shall appoint a third appraiser. The three appraisers shall, by majority action, after notice and hearing to both parties, determine the value of the expelled member's distributive share and

NOTE: This Act is not effective until July 1, 1957.

the corporation shall immediately pay the amount thereof to the expelled member. If either party by registered letter addressed to the correct address of the other party requests in writing the appointment of appraisers and names the appraiser whom he appoints and indicates the amount which he believes to be the value of the expelled member's share, upon failure of the other party to appoint an appraiser within 30 days from receipt of, or refusal to receive the registered letter, the amount so indicated shall be the value of the share of the expelled members.

Sec. 55A-30. Meetings of Members.—(a) Meetings of members may be held at such place, either within or without this State, as may be provided in the bylaws. In the absence of any such provision, all meetings shall be held at the registered office of the corporation in this State.

(b) An annual meeting of the members shall be held at such time as may be provided in the bylaws. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the corporation.

(c) Special meetings of the members may be called by the president or by the board of directors. Special meetings of the members may also be called by such other officers or persons or number or proportion of members as may be provided in the charter or the bylaws. In the absence of a provision fixing the number or proportion of members entitled to call a meeting, a special meeting of members may be called by members having one-twentieth of the votes entitled to be cast at such meeting.

Sec. 55A-31. Notice of Members' Meetings.—Unless the charter or bylaws otherwise provide, written or printed notice stating the place, day and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten nor more than 50 days before the date of the meeting, either personally or by mail, by or at the direction of the president, or the secretary, or the officers or persons calling the meeting, to each member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the corporation, with postage thereon prepaid.

Sec. 55A-32. Voting.—(a) The right of the members, or any class or classes of members, to vote may be limited, enlarged or denied to the extent specified in the charter. Unless so limited, enlarged or denied, each member, regardless of class, shall be entitled to one vote on each matter submitted to a vote of members.

(b) A member may vote in person or, unless the charter or the bylaws otherwise provide, may vote by proxy executed in writing by the member or by his duly authorized attorney-in-fact. No proxy shall be valid after 11 months from the date of its execution, unless otherwise provided in the proxy. Where directors or officers are to be elected by members, the bylaws may provide that such elections may be conducted by mail.

(c) The charter or the bylaws may provide that in all elections for

NOTE: This Act is not effective until July 1, 1957.

directors every member entitled to vote shall have the right to cumulate his vote and to give one candidate a number of votes equal to his vote multiplied by the number of directors to be elected, or by distributing such votes on the same principle among any number of such candidates.

Sec. 55A-33. Quorum.—The bylaws may provide the number or percentage of members entitled to vote represented in person or by proxy, or the number or percentage of votes represented in person or by proxy, which shall constitute a quorum at a meeting of members. In the absence of any such provision, members holding one-tenth of the votes entitled to be cast represented in person or by proxy shall constitute a quorum. The vote of a majority of the votes entitled to be cast by the members present or represented by proxy at a meeting at which a quorum is present, shall be necessary for the adoption of any matter voted upon by the members, unless a greater proportion is required by this Chapter, the charter or the bylaws.

ARTICLE 6. Fundamental Changes.

Sec. 55A-34. Right to Amend Charter.—A corporation may amend its charter from time to time in any and as many respects as may be desired, so long as its charter as amended contains only such provisions as are lawful under this Chapter.

Sec. 55A-35. Procedure to Amend Charter.—(a) Amendments to the charter shall be made in the following manner:

(1) Where there are members having voting rights, the board of directors shall adopt a resolution setting forth the proposed amendment, and, except as otherwise provided in this paragraph, directing that it be submitted to a vote at a meeting of members having voting rights, which may be either an annual or a special meeting. Written or printed notice setting forth the proposed amendment or a summary of the changes to be effected thereby shall be given to each member entitled to vote at such meeting within the time and in the manner provided in this Chapter for the giving of notice of meetings of members. The proposed amendment shall be adopted upon receiving at least two-thirds of the votes entitled to be cast by members present or represented by proxy at such meeting.

(2) Where there are no members, or no members having voting rights, an amendment shall be adopted at a meeting of the board of directors upon receiving the vote of a majority of the directors in office.

(b) Any number of amendments may be submitted and voted upon at any one meeting.

Sec. 55A-36. Articles of Amendment.—The articles of amendment shall be executed by the corporation and filed as provided in 55A-4, and shall set forth:

(1) The name of the corporation.

(2) The amendment so adopted.

(3) Where there are members having voting rights a statement setting forth the date of the meeting of members at which the amendment was adopted, that a quorum was present at such meeting, and that such amend-

(4) Where there are no members, or no members having voting rights, a statement of such fact, the date of the meeting of the board of directors at which the amendment was adopted, and a statement of the fact that such amendment received the vote of a majority of the directors in office.

Sec. 55A-37. Effect of Certificate of Amendment.—No amendment shall affect any existing cause of action in favor of or against such corporation, or its officers or directors, or any pending action to which such corporation, or its officers or directors, shall be a party, or the existing rights of persons other than members; and, in the event the corporate name shall be changed by amendment, no action brought by or against such corporation under its former name shall abate for that reason.

Sec. 55A-38. Procedure for Merger.—(a) Any two or more domestic corporations may merge into one of such corporations pursuant to a plan of merger approved in the manner provided in this Chapter.

(b) The board of directors of each corporation shall, by resolution adopted by each such board, approve a plan of merger setting forth:

(1) The names of the corporations proposing to merge, and the name of the corporation into which they propose to merge, which is hereinafter designated as the surviving corporation.

(2) The name which the surviving corporation is to have, which name may be that of any of the corporations involved in the merger or any other available name permitted by this Chapter.

(3) The terms and conditions of the proposed merger.

(4) A statement of any changes in the charter of the surviving corporation to be effected by such merger.

(5) Such other provisions not inconsistent with law as are deemed necessary or desirable.

Sec. 55A-39. Procedure for Consolidation.—(a) Any two or more domestic corporations may consolidate into a new corporation pursuant to a plan of consolidation approved in the manner provided in this Chapter.

(b) The board of directors of each corporation shall, by resolution adopted by each such board, approve a plan of consolidation setting forth:

(1) The names of the corporations proposing to consolidate, and the name of the new corporation into which they propose to consolidate, which is hereinafter designated as the new corporation. The name of the new corporation may be that of any of the corporations involved in the consolidation or any other available name permitted by this Chapter.

(2) The terms and conditions of the proposed consolidation.

(3) With respect to the new corporation, all of the statements required to be set forth in articles of incorporation for corporations organized under this Chapter, except the names and addresses of the incorporators.

(4) Such other provisions not inconsistent with law as are deemed necessary or desirable.

NOTE: This Act is not effective until July 1, 1957.

Sec. 55A-40. Approval of Merger or Consolidation.—(a) A plan of merger or consolidation shall be adopted in the following manner:

(1) Where the members of any merging or consolidating corporation have voting rights, the board of directors of such corporation shall adopt a resolution approving the proposed plan, and, except as otherwise provided in this paragraph, directing that it be submitted to a vote at a meeting of members having voting rights, which may be either an annual or a special meeting. Written or printed notice setting forth the proposed plan or a summary thereof shall be given to each member entitled to vote at such meeting within the time and in the manner provided in this Chapter for the giving of notice of meetings of members. The proposed plan shall be adopted upon receiving at least two-thirds of the votes entitled to be cast by members present or represented by proxy at each such meeting.

(2) Where any merging or consolidating corporation has no members, or no members having voting rights, a plan of merger or consolidation shall be adopted at a meeting of the board of directors of such corporation upon receiving the vote of a majority of the directors in office.

(b) After such approval, and at any time prior to the filing of the articles of merger or consolidation, the merger or consolidation may be abandoned pursuant to provisions therefor, if any, set forth in the plan of merger or consolidation.

Sec. 55A-41. Articles of Merger or Consolidation.—(a) Upon such approval, articles of merger or articles of consolidation shall be executed by each corporation and filed as provided in Section 55A-4, except that a copy thereof certified by the Secretary of State shall also be recorded in the office of the Clerk of Superior Court of each county wherein the constituent corporations have their registered offices.

Sec. 55A-42. Effect of Merger or Consolidation.—When such merger or consolidation has been effected:

be that corporation designated in the plan of merger as the surviving corporation, and, in the case of a consolidation, shall be the new corporation provided for in the plan of consolidation.

(2) The separate existence of all corporations parties to the plan of merger or consolidation, except the surviving or new corporation, shall cease.

(3) Such surviving or new corporation shall have all the rights, privileges, immunities and powers and shall be subject to all the duties and liabilities of a corporation organized under this Chapter.

(4) Such surviving or new corporation shall thereupon and thereafter, to the extent consistent with its charter as established or changed by the merger or consolidation, possess all the rights, privileges, immunities, and franchises, as well of a public as of a private nature, of each of the merging or consolidating corporations; and all property, real, personal, and mixed, and all debts due on whatever account, and all other choses in action, and all and every other interest, of or belonging to or due to each of the corporations so merged or consolidated, shall be taken and deemed to be transferred to and vested in such single corporation without further act or deed; and the title to any real estate, or any interest therein, vested in any of such corporations shall not revert or be in any way impaired by reason of such merger or consolidation.

(5) Such surviving or new corporation shall thenceforth be responsible and liable for all the liabilities, obligations, and penalties of each of the corporations so merged or consolidated; and any claim existing or action or proceeding, civil or criminal, pending by or against any of such corporations may be prosecuted as if such merger or consolidation had not taken place, or such surviving or new corporation may be substituted in its place; and any judgments rendered against any of the merged or consolidated corporations may be enforced against the surviving or new corporation. Neither the rights of creditors nor any liens upon the property of any merged or consolidated corporations shall be impaired by such merger or consolidation.

(6) In the case of a merger, the charter of the surviving corporation shall be deemed to be amended to the extent, if any, that changes in its charter are stated in the plan of merger. At such meeting the members may authorize such sale, lease, exchange, mortgage, pledge or other disposition and may fix, or may authorize the board of directors to fix, any or all of the terms and conditions thereof and the consideration to be received by the corporation therefor. Such authorization shall require the vote of at least two-thirds of the votes entitled to be cast by members present or represented by proxy at such meeting. After such authorization by a vote of members, the board of directors, nevertheless, may, if so empowered by such authorization of the members, abandon such sale, lease, exchange, mortgage, pledge or other disposition of assets, subject to the rights of third parties under any contracts relating thereto, without further action or approval by members.

(2) Where there are no members, or no members having voting rights, a sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all, the property and assets of a corporation shall be authorized upon receiving the vote of a majority of the directors in office.

Sec. 55A-46. Plan of Distribution.—(a) A plan providing for the distribution of assets, not inconsistent with the provisions of this Chapter, may be adopted by a corporation in the process of dissolution and shall be adopted by a corporation for the purpose of authorizing any transfer or conveyance of assets for which this Chapter requires a plan of distribution, in the following manner:

(1) Where there are members having voting rights, the board of directors shall adopt a resolution recommending a plan of distribution and directing the submission thereof to a vote at a meeting of members having voting rights, which may be either an annual or a special meeting. Written or printed notice setting forth the proposed plan of distribution or a summary thereof shall be given to each member entitled to vote at such meeting, within the time and in the manner provided in this Chapter for the giving of notice of meetings of members. A resolution to revoke the voluntary dissolution proceedings shall be adopted upon receiving at least two-thirds of the votes entitled to be cast by members present or represented by proxy at such meeting.

(2) Where there are no members having voting rights, a resolution to revoke the voluntary dissolution proceedings shall be adopted at a meeting of the board of directors upon receiving the vote of a majority of the directors in office.

(b) Upon the adoption of such resolution by the members, or by the board of directors where there are no members or no members having voting rights, the corporation may thereupon again conduct its affairs.

Sec. 55A-49. Effect of Filing of Articles of Dissolution; Certificate of Dissolution.—After the filing of articles of dissolution in the office of the Secretary of State he shall issue a certificate of dissolution and cause the same to be delivered to the corporation. Upon issuance of such certificate, the existence of the corporation shall cease, except for the purpose of suits, other proceedings and appropriate corporate action by members, directors and officers as provided in this Chapter.

Sec. 55A-50. Involuntary Dissolution in Action by Attorney General.—(a) A corporation may be dissolved involuntarily by a decree of the Superior Court in an action brought by the Attorney General in the name of the State when it is established that:

S. 55A-50 and the case involves the public interest, it is the duty of the Attorney General to bring an action under that Section. If the cause for dissolution does not involve the public interest, the Attorney General has a duty to bring an action if satisfactory security is given to indemnify the State against the costs and expenses to be incurred thereby.

Sec. 55A-52. Venue and Service of Process.—Every action by the Attorney General for the involuntary dissolution of a corporation shall be commenced in the Superior Court of the county in which the registered office of the corporation is situated. (c) Actions under this Section shall be brought in the county in which the registered office or the principal office of the corporation is situated.

(d) Summons shall issue and be served on the corporation as in other civil actions, and it shall not be necessary to make directors or members parties to any such action unless relief is sought against them personally.

The fees for the preparation, certificates, and filing of such decree or order shall be taxed as a part of the costs in the action.

Sec. 55A-57. Disposition of Amounts Due Certain Creditors, Members, and Other Persons.—(a) Except as provided in subsection (b) of this Section upon liquidation of a corporation, the portion of the assets distributable to a creditor or member who is unknown or cannot be found shall be reduced to cash and deposited with the Clerk of Superior Court of the county of the registered office of the corporation to be held three months for the persons entitled thereto, as and when satisfactory evidence of his right to the same is furnished. After the clerk has held the unclaimed cash for the aforesaid period of three months, he shall pay such assets to the University of North Carolina, to be held without liability for profit or interest until a just claim therefor shall be preferred by the parties entitled thereto.

(b) In proceedings to liquidate the assets and affairs of a corporation, any asset held by the corporation upon condition requiring return, transfer or conveyance, which condition occurs by reason of the dissolution or liquidation, shall be returned, transferred or conveyed in accordance with such requirements. (c) Service on any such agent may be made in a suit upon any cause of action, whether or not arising in this State or arising out of affairs conducted in this State, and whether or not the cause of action runs in favor of a resident of this State.

Sec. 55A-67. Suits Against Foreign Corporations Conducting Affairs in the State Without Authorization.—Whenever a foreign corporation shall conduct affairs in this State without first procuring a certificate of authority so to do from the Secretary of State or after its certificate of authority shall have been withdrawn, suspended, or revoked, then the Secretary of State shall be an agent of such corporation upon whom any process, notice, or demand in any suit upon a cause of action arising out of such affairs may be served.

Each licensee shall be responsible for the acts of any or all of his salesmen while acting as his agent, if such licensee approved of or had knowledge of said acts or other similar acts and after such approval or knowledge retained the benefit, proceeds, profits, or advantages accruing from said acts or otherwise ratified said acts.

Such immunity shall be deemed to have been waived by the act of obtaining such insurance, but such immunity is waived only to the extent that said board of education is indemnified by insurance for such negligence or tort.

Any contract of insurance purchased pursuant to this Act must be issued by a company or corporation duly licensed and authorized to exe-

cute insurance contracts in this State and must by its terms adequately insure the county or city board of education against any and all liability for any damages by reason of death or injury to person or property proximately caused by the negligent acts or torts of the agents and employees of said board of education or the agents and employees of a particular school in a county or city administrative unit when acting within the scope of their authority or within the course of their employment. A county or city board of education may incur liability pursuant to this Act only with respect to a claim arising after such board of education has procured liability insurance pursuant to this Act and during the time when such insurance is in force.

No part of the pleadings which relate to or allege facts as to a defendant's insurance against liability shall be read or mentioned in the presence of the trial jury in any action brought pursuant to this Act. Such liability shall not attach unless the plaintiff shall waive the right to have all issues of law or fact relating to insurance in such an action determined by a jury and such issues shall be heard and determined by the judge without resort to a jury and the jury shall be absent during any motions, arguments, testimony or announcement of findings of fact or conclusions of law with respect thereto unless the defendant shall request a jury trial thereon; Provided, that this Act shall not apply to claims for damages caused by the negligent acts or torts of public school bus drivers.

The General Assembly of North Carolina do enact:

Section 1. Upon receipt of a petition, signed by not less than fifteen per cent (15%) of the qualified voters of the territory embraced within the Chapel Hill City Administrative Unit and described in such petition, praying that bonds or notes be issued under the provisions of this Act, the Board of County Commissioners of Orange County shall order a special election to be held in such school district for the purpose of voting upon the question of issuing bonds or notes and levying a sufficient tax for the payment thereof for the purpose of acquiring, erecting, enlarging, altering and equipping school buildings, including gymnasiums, agricultural buildings, shops, school cafeterias and other necessary buildings, and purchasing sites in such district or unit, or for any one or more of said purposes. The notice of election shall be given by publication at least three times in some newspaper published or circulating in such district or unit. The notice shall state the date of the election, the place or places at which the election will be held, the boundary lines of such district or unit, unless the district or unit is coterminous with a city, town or township (in which event the notice shall so state), the maximum amount of bonds or notes to be issued, the purpose or purposes for which the bonds or notes are to be issued,

and the fact that a sufficient tax will be levied on all taxable property within the district or unit for the payment of the principal and interest of the bonds or notes. The first publication of the notice shall be at least thirty days before the election. A new registration of the qualified voters of such district or unit shall be ordered and notice of such new registration shall be deemed to be sufficiently given by publication once in some newspaper published or circulating in such district or unit at least thirty (30) days before the close of the registration books. The notice of registration may be considered one of the three notices required of the election. Such published notice of registration shall state the days on which the books will be open for registration of the voters and the place or places at which they will be open on Saturday. The books of such new registration shall close on the second Saturday before election. The Saturday before the election shall be challenge day and except as otherwise provided in this Act, such election shall be held in accordance with the laws governing general elections. The form of the question, as stated on the ballots, shall be in substantially the words: "For the issuance of $.....School Bonds or Notes and the levying of a sufficient tax for the payment thereof," and "Against the issuance of $.....School Bonds or Notes and the levying of a sufficient tax for the payment thereof." Such affirmative and negative form may be printed upon separate ballots, or both thereon may be printed on one ballot, containing squares opposite the affirmative and negative forms, in one of which squares the voter may make a cross (X) mark. The petition herein provided for shall be filed with the Board of Commissioners of Orange County and referred to the Board of Elections of Orange County to determine the sufficiency thereof, and upon a finding by said board that the petition meets the requirements of this Section, the chairman of said board shall file a certificate to that effect with the Chairman of the Board of Commissioners of Orange County.

Sec. 2. At the close of the polls the election officers shall count the votes and make returns thereof to the Board of County Commissioners of Orange County, which board shall, as soon as practicable after the election, judicially pass upon the returns and judicially determine and declare the results of such election, which determination shall be spread upon the minutes of said board. The returns shall be made in duplicate, one copy of which shall be delivered to the Board of County Commissioners of Orange County as aforesaid and the other filed with the Clerk of the Superior Court of Orange County. The Board of County Commissioners of Orange County shall prepare a statement showing the number of votes cast for and against the bonds or notes, and declaring the result of the election, which statement shall be signed by the chairman of the board and attested by the clerk, who shall record it in the minutes of the board and file the original in his office and publish it once in a newspaper published or circulating in such district or unit.

Sec. 3. No right of action or defense founded upon the invalidity of such election or the invalidity of any proceedings or steps taken in the creation of such district or such unit shall be asserted, nor shall the validity of such election or the validity of the creation of such district or such

unit, or the right or duty to levy a sufficient tax for the payment of the principal and interest of such bonds or notes, be open to question in any court upon any ground whatever, except in an action or proceeding commenced within thirty (30) days after the publication of such statement of results as provided in the preceding Section.

Sec. 4. If a majority of the votes cast shall be in favor of the issuance of such bonds or notes and the levy of such tax, then the Board of Commissioners of Orange County shall provide by resolution, which resolution may be finally passed at the same meeting at which it is introduced, for the issuance of such bonds or notes, which bonds or notes shall be issued in the name of the county, but shall be made payable exclusively out of the taxes to be levied in such district or such unit, except the Board of County Commissioners of Orange County may pay from county funds any part of the principal and interest of said bonds or notes. They shall be issued in such form and denominations, and with such provisions as to the time, place and medium of payment of principal and interest as to the Board of County Commissioners of Orange County may determine, subject to the limitations and restrictions of this Act. They may be issued as one issue, or divided into two or more separate issues, and in either case may be issued at one time or in blocks from time to time. When bonds are to be issued, they shall be serial bonds and each issue thereof shall so mature that the aggregate principal amount of the issue shall be payable in annual installments or series, beginning not more than three years after the date of the bonds of such issue and ending not more than thirty (30) years after such date. No such installment shall be more than two and one-half (2½) times as great in amount as the smallest prior installment, of the same bond issue. The bonds or notes shall bear interest at a rate not exceeding six per cent (6%) per annum, payable semi-annually, and may have interest coupons attached, and may be made registerable as to principal or as to both principal and interest, under such terms and conditions as may be prescribed by said board. They shall be signed by the Chairman of the Board of County Commissioners of Orange County, and the seal of the county shall be affixed to or impressed upon each bond or note and attested by the register of deeds or by the clerk of said board; and the interest coupons shall bear the printed, lithographed or facsimile signature of such chairman. The delivery of bonds or notes, signed as aforesaid by officers in office at the time of such signing, shall be valid, notwithstanding any changes in office occurring after such signing.

Sec. 5. The Board of County Commissioners of Orange County is hereby authorized and directed to levy annually a special tax, ad valorem, on all taxable property in the district or in the special bond tax unit in which the election was held, sufficient to pay the principal and interest of the bonds or notes as such principal and interest become due. Such special tax shall be in addition to all other taxes authorized to be levied in such district or in such unit. The taxes provided for in this Section shall be collected by the county officer collecting other taxes and be applied solely to the payment of principal and interest of such bonds or notes.

Sec. 6. In the event the boundary lines of the territory embracing

the Chapel Hill City Administrative Unit are hereafter changed or altered, this Act shall apply to and within the territory embracing said unit at the time of the filing of the petition and the holding of the election as provided for in this Act. No change or alteration of the boundary lines of said unit shall in any way affect the validity of this Act.

Sec. 7. The powers conferred by this Act shall be regarded as supplemental and in addition to powers conferred by other laws and shall not supplant or repeal any existing powers for the issuance of bonds or notes, or any provisions of law for the payment of bonds or notes issued under such powers, or for the custody of moneys provided for such payment.

Sec. 8. This Act shall constitute full authority for the things herein authorized and no proceedings, publications, notices, consents or approvals shall be required for the doing of the things herein authorized, except such as are herein prescribed and required, and except that the provisions of the Local Government Act then in force as to the approval of the issuance of bonds or notes and endorsements of such approval upon such bonds or notes and as to the sale of bonds or notes and the disposition of the proceeds, shall be applicable to the bonds or notes authorized by this Act. The proceeds shall be paid out only upon order of the Board of Education of the Chapel Hill City Administrative Unit.

Sec. 9. This Act shall apply only to Chapel Hill City Administrative Unit and Orange County.

Sec. 10. All laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 11. This Act shall be in full force and effect from and after its ratification.

H. B. 1329 **CHAPTER 1289**

AN ACT AUTHORIZING THE ISSUANCE OF REVENUE BONDS BY THE BOARDS OF TRUSTEES OF THE UNIVERSITY OF NORTH CAROLINA, EAST CAROLINA COLLEGE, WESTERN CAROLINA COLLEGE, AND APPALACHIAN STATE TEACHERS COLLEGE TO PAY THE COST OF ACQUIRING, CONSTRUCTING, ENLARGING OR IMPROVING DORMITORIES AT THEIR RESPECTIVE INSTITUTIONS; PROVIDING FOR THE ISSUANCE OF REVENUE REFUNDING BONDS; AND PROVIDING FOR THE IMPOSITION OF INCREASED RENTALS FOR SUCH FACILITIES AND FOR SIMILAR FACILITIES AND FOR PLEDGING SUCH INCREASED RENTALS TO THE PAYMENT OF SUCH BONDS AND MAKING APPROPRIATIONS NECESSARY TO PERMIT ISSUANCE OF SUCH BONDS.

The General Assembly of North Carolina do enact:

Section 1. As used in this Act, the following words and terms shall have the following meanings, unless the context shall indicate another or different meaning or intent.

(a) The word "Board" shall mean the Board of Trustees of The University of North Carolina, of East Carolina College, of Western Carolina College, and of Appalachian State Teachers College.

(b) The word "cost" as applied to a project shall include the cost of acquisition or construction, the cost of all labor, materials and equipment, the cost of all lands, property, rights and easements acquired, financing charges, interest prior to and during construction and, if deemed advisable

by the Board, for one year after completion of construction, cost of plans and specifications, surveys and estimates of cost and or revenues, cost of engineering and legal services, and all other expenses necessary or incident to such acquisition or construction, administrative expense and such other expenses, including reasonable provision for initial operating expenses, as may be necessary or incident to the financing herein authorized. Any obligation or expense incurred by the Board prior to the issuance of bonds under the provisions of this Act in connection with any of the foregoing items of cost may be regarded as a part of such cost.

(c) The word "Institution" shall mean each of the following institutions comprising The University of North Carolina: The University of North Carolina (at Chapel Hill), the North Carolina State College of Agriculture and Engineering of the University of North Carolina, and the Woman's College of the University of North Carolina; East Carolina College; Western Carolina College; and Appalachian State Teachers College.

(d) The word "project" shall mean and shall include any one or more dormitories, with or without dining facilities, and any enlargements or improvements thereof or additions thereto, for students at any Institution, together with the necessary land and equipment.

(e) The revenues from facilities existing at the date of the passage of this Act which may be pledged against bonds to be issued hereunder shall be only those revenues arising by virtue of increased rates above those now charged for the use of those facilities.

Sec. 2. The Board of Trustees of The University of North Carolina, of East Carolina College, of Western Carolina College, and of Appalachian State Teachers College is hereby authorized to issue, at one time or from time to time, revenue bonds of the Board for the purpose of acquiring or constructing any project or projects. The bonds of each issue shall be dated, shall mature at such time or times not exceeding forty years from their date or dates, shall bear interest at such rate or rates not exceeding five per centum (5%) per annum, as may be determined by the Board, and may be made redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Act or any recitals in any bonds issued under the provisions of this Act, all such bonds shall be deemed to be negotiable instruments under the laws of this State. The bonds may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and

also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public sale, and for such price, as it may determine to be for the best interests of the Board, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than five per centum (5%) per annum, computed with relation to the absolute maturity or maturities of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bonds prior to maturity.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Bonds may be issued by the Board under the provisions of this Act, subject to the approval of the Advisory Budget Commission, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Act.

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such bonds shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the bonds.

Sec. 3. So long as any bonds issued under this Act shall be outstanding the Board shall fix, and may revise from time to time, rentals for the facilities to be furnished by any project financed under this Act or for the right to use any such facilities or to receive any such services. Such rentals shall be fixed and revised so that the revenues received by the Board from

any project or projects, together with any other available funds, will be sufficient at all times (a) to pay the cost of maintaining, repairing and operating such project or projects, including reserves for such purposes, and (b) to pay when added to increased rentals from existing facilities the principal of and the interest on the bonds for the payment of which such revenues are pledged and to provide reserves therefor.

The Board shall increase the rentals for the facilities furnished by any existing dormitories at any Institution to provide, to the extent necessary, additional funds to liquidate in full any revenue bonds issued under this Act.

The Board is further authorized to make and enforce and to contract to make and enforce parietal rules that shall insure the maximum use of any project or existing facilities.

Sec. 4. In the discretion of the Board and subject to the approval of the Advisory Budget Commission, each or any issue of revenue bonds may be secured by a trust agreement by and between the Board and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. The resolution authorizing the issuance of the bonds or such trust agreement may pledge to the extent necessary the revenues to be received from any project or projects at any Institution and from any similar existing facilities described in Section 1 (d) at the same Institution, in excess of amounts now charged to each occupant of such project, but shall not convey or mortgage any such project or existing facilities, and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in relation to the acquisition or construction of such project or projects and in relation to the maintenance, repair, operation and insurance of such project or projects and such existing facilities, the fixing and revising of rentals; and, the custody, safeguarding and application of all moneys, and for the employment of consulting engineers or architects in connection with such acquisition, construction or operation. Notwithstanding the provisions of any other law the Board may carry insurance on any such project or projects in such amounts and covering such risks as it may deem advisable. It shall be lawful for any bank or trust company incorporated under the laws of the State of North Carolina which may act as depositary of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Such resolution or trust agreement may set forth the rights and remedies of the bondholders and of the trustees, if any, and may restrict the individual right of action by bondholders. Such resolution or trust agreement may contain such other provisions in addition to the foregoing as the Board may deem reasonable and proper for the security of the bondholders.

The Board may provide for the payment of the proceeds of the sale of the bonds and the revenues of any project or existing facilities or part thereof to such officer, board or depositary as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in

carrying out the provisions of such resolution or trust agreement may be treated as a part of the cost of operation.

All pledges of revenues under the provisions of this Act shall be valid and binding from the time when such pledges are made. All such revenues so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledges without any physical delivery thereof or further action, and the lien of such pledges shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Board, irrespective of whether such parties have notice thereof.

Sec. 5. The Board may authorize its Executive Committee to sell any bonds which the Board has, with the approval of the Advisory Budget Commission, authorized to be issued under this Act in such manner and under such limitations or conditions as the Board shall prescribe and to perform such other functions under this Act as the Board shall determine.

Sec. 6. All moneys received pursuant to the authority of this Act shall be deemed to be trust funds, to be held and applied solely as provided in this Act. The resolution authorizing the issuance of bonds or the trust agreement securing such bonds shall provide that any officer to whom, or bank, trust company or fiscal agent to which, such moneys shall be paid shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such regulations as such resolution or trust agreement may provide.

Sec. 7. Any holder of revenue bonds issued under the provisions of this Act or of any of the coupons appertaining thereto, and the trustee under any trust agreement, except to the extent that the rights herein given may be restricted by the resolution authorizing the issuance of such bonds or by such trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State of North Carolina or granted hereunder or under such resolution or trust agreement, and may enforce and compel the performance of all duties required by this Act or by such resolution or trust agreement to be performed by the Board or by any officer thereof, including the fixing, charging and collecting of fees, rentals and other charges.

Sec. 8. The Board is hereby authorized, subject to the approval of the Advisory Budget Commission, to issue from time to time revenue refunding bonds for the purpose of refunding any revenue bonds issued by the Board in connection with any project or projects at any one Institution, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The Board is further authorized, subject to the approval of the Advisory Budget Commission, to issue from time to time revenue refunding bonds for the combined purpose of (a) refunding any revenue bonds or revenue refunding bonds issued by the Board in connection with any project or projects at any one Institution, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (b) paying all or any part of the cost of acquiring or constructing any additional

project or projects at the same Institution. The issuance of such bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties and obligations of the Board with respect to the same, shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

Sec. 9. The Board is hereby authorized, subject to the approval of the Advisory Budget Commission, to accept grants of money or materials or property of any kind for any project from a Federal agency, private agency, corporation or individual, upon such terms and conditions as such Federal agency, private agency, corporation or individual may impose. The bonds issued under the provisions of this Act and the income therefrom shall at all times be free from taxation within the State.

Sec. 10. This Act shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special or local; provided, however, that the issuance of revenue bonds or revenue refunding bonds under the provisions of this Act need not comply with the requirements of any other law applicable to the issuance of bonds.

Sec. 11. In order that such increases in dormitory rentals above present levels at the University of North Carolina in Chapel Hill, at North Carolina State College, and at East Carolina College, which were anticipated for the purpose of decreasing appropriations made for the next biennium, may, as may be necessary, be applied on the interest and principal of revenue bonds which may be issued under this Act, the appropriation to the University of North Carolina at Chapel Hill is hereby increased by eighty-one thousand dollars ($81,000.00) each year of the next biennium; the appropriation to North Carolina State College is hereby increased by twenty-one thousand dollars ($21,000.00) each year of the next biennium; and the appropriation to East Carolina College is hereby increased by twelve thousand five hundred dollars ($12,500.00) each year of the next biennium.

Sec. 12. The revenue bonds to be issued under this Act shall not exceed two million dollars ($2,000,000.00) for projects constructed at the University of North Carolina in Chapel Hill, two million dollars ($2,000,000.00) for projects constructed at North Carolina State College of Agriculture and Engineering in Raleigh, one million dollars ($1,000,000.00) for projects constructed at the Woman's College of the University of North Carolina in Greensboro, one million five hundred thousand dollars ($1,500,000.00) at East Carolina College, five hundred thousand dollars ($500,000.00) at Western Carolina College, and one million dollars ($1,000,000.00) at Appalachian State Teachers College.

All power and authority to issue revenue bonds under the provisions of this Act shall expire and terminate on December 31, 1958.

Sec. 13. All general, special or local laws, or parts thereof, inconsistent herewith are hereby declared to be inapplicable to the provisions of this Act.

Sec. 14. The provisions of this Act are severable, and if any of its provisions shall be held unconstitutional by any court of competent juris-

diction, the decision of such court shall not affect or impair any of the remaining provisions.

Sec. 15. This Act shall be in full force and effect from and after its ratification.

AN ACT TO PROVIDE AN APPROPRIATION OF FIFTY THOUSAND DOLLARS ($50,000.00) FOR EACH YEAR OF THE BIENNIUM 1955-1957 TO NORTH CAROLINA STATE COLLEGE OF AGRICULTURE AND ENGINEERING AND THE FURTHERANCE OF AN INDUSTRIAL EXPERIMENT PROGRAM.

WHEREAS, as the result of more than seven years experience in supporting a limited research and development program as a part of the educational activities of the School of Engineering, an appropriation of funds is necessary to carry out this program. The notice of election shall be given by publication at least three times in some newspaper published or circulating in such district or unit. The notice shall state the date of the election, the place or places at which the election will be held, the boundary lines of such district or unit, unless the district or unit is coterminous with a city, town or township (in which event the notice shall so state), the maximum amount of bonds or notes to be issued, the purpose or purposes for which the bonds or notes are to be issued, and the fact that a sufficient tax will be levied on all taxable property within the district or unit for the payment of the principal and interest of the bonds or notes. A new registration of the qualified voters of such district or unit shall be ordered and notice of such new registration shall be deemed to be sufficiently given by publication once in some newspaper published or circulating in such district or unit at least thirty days before the close of the registration books. This notice of registration may be considered one of the three notices required of the election. No such installment shall be more than two and one-half (2½) times as great in amount as the smallest prior installment, of the same bond issue. The bonds or notes shall bear interest at a rate not exceeding six per cent (6%) per annum, payable semiannually, and may have interest coupons attached, and may be made registerable as to principal or as to both principal and interest, under such terms and conditions as may be prescribed by said board. They shall be signed by the Chairman of the Board of County Commissioners of Halifax County, and the seal of the county shall be affixed to or impressed upon each bond or note and attested by the register of deeds or by the clerk of said board; and the interest coupons shall bear the printed, lithographed or facsimile signature of such chairman. Sec. 5. The Board of County Commissioners of Halifax County is hereby authorized and directed to levy annually a special tax, ad valorem,

on all taxable property in the district or in the special bond tax unit in which the election was held, sufficient to pay the principal and interest of the bonds or notes as such principal and interest become due. Such special tax shall be in addition to all other taxes authorized to be levied in such district or in such unit. The taxes provided for in this Section shall be collected by the county officer collecting other taxes and be applied solely to the payment of principal and interest of such bonds or notes.

Sec. 6. In the event the boundary lines of the territory embracing the Roanoke Rapids City Administrative Unit are hereafter changed or altered, this Act shall apply to and within the territory embracing said unit at the time of the filing of the petition and the holding of the election as provided for in this Act. No change or alteration of the boundary lines of said unit shall in any way affect the validity of this Act.

H. B. 170 CHAPTER 1331

AN ACT TO PROVIDE FOR THE DETERMINATION OF THE AMOUNT OF THE DEDUCTIONS FOR DEPRECIATION AND OBSOLESCENCE OF PROPERTY AND FOR EXPENSES IN CARRYING ON ANY TRADE OR BUSINESS IN COMPUTING INCOME TAX LIABILITY TO THE STATE, AND TO PERMIT THE FILING OF RETURNS ON THE BASIS OF FISCAL YEARS VARYING FROM 52 TO 53 WEEKS.

The General Assembly of North Carolina do enact:

Section 1. Section 105-147 of the General Statutes of North Carolina is hereby amended by deleting therefrom the first three paragraphs of subsection 8 thereof and inserting in lieu thereof the following:

"8. A reasonable allowance for depreciation and obsolescence of property used in the trade or business, which allowance shall be measured by the estimated life of such property; and in the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion.

"The cost of property acquired on or since January 1, 1921, plus the cost of additions and improvements, shall be the bases for determining the amount of the allowance for depreciation and obsolescence. If the property was acquired prior to January 1, 1921, the book value of the property as of that date shall be the basis for determining the amount of the allowance for depreciation and obsolescence. Notwithstanding the provisions of the two preceding sentences, the basis for determining the amount of the allowance for depreciation and obsolescence shall be the book value of the property in all cases in which the Federal Government uses the book value to determine the deduction allowed by it for depreciation or obsolescence under the provisions of Section 167 of the Internal Revenue Code of 1954.

"For any income years ending after December 31, 1953, the amount of the deduction for depreciation and obsolescence shall be computed by the same method used by the taxpayer in computing the income tax due from the taxpayer to the United States for such income year if such method is pursuant to the provisions of Section 167 of the Internal Revenue Code of 1954. If such taxpayer files no income tax return for such income year with the United States under the Internal Revenue Code of 1954 or files such a return but no deduction is claimed therein for depreciation or obsolescence or the deduction claimed therein for depreciation or obsolescence is not computed pursuant to Section 167 of the Internal Revenue Code of 1954, a reasonable allowance for depreciation and obsolescence shall be determined in accordance with regulations to be

established by the Commissioner of Revenue or, in the absence of such regulation, pursuant to the straight line method.

"In determining a reasonable allowance for depletion of mines, oil and gas wells, and other natural deposits the cost of development not otherwise deducted will be allowed as depletion, and in the case of leases, the deduction allowed may be equitably apportioned between the lessor and the lessee.

"The basis for determining the allowance for depletion shall be the book value of the property in all cases in which the Federal Government uses the book value to determine the deduction allowed by it for depletion under the provisions of the Internal Revenue Code of 1954.

"The provisions of this subsection shall not apply to any corporation the net income of which is required to be computed under the provisions of Section 105-136 of the General Statutes of North Carolina."

Sec. 2. Section 105-132 of the General Statutes of North Carolina is hereby amended by adding to paragraph 11 thereof a sentence to read as follows:

"A taxpayer who pursuant to the provisions of Section 441 (f) of the Federal Internal Revenue Code of 1954 has elected to compute his income tax liability to the United States on the basis of an annual period varying from 52 to 53 weeks, for any income year ending after August 16, 1954, shall compute his taxable income for the purposes of this Act on the basis of the same period used by such taxpayer in accordance with the Federal Internal Revenue Code of 1954 in computing his tax liability to the United States for such income year."

Sec. 3. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 4. This Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 26th day of May, 1955.

The General Assembly of North Carolina do enact:

Section 1. Section 105-147 of the General Statutes of North Carolina is hereby amended by inserting therein following subsection 8 and preceding subsection 9 a new subsection to be numbered 8½ and to read as follows:

"8½. An allowance with respect to the amortization of the cost of any emergency facility, as such facility is defined in Section 168 of the Federal Internal Revenue Code of 1954, based on a period of 60 months,

and an allowance with respect to the amortization of the cost of a grain storage facility, as such facility is defined in Section 169 of the Federal Internal Revenue Code of 1954, based on a period of 60 months. The amount of such allowance for the amortization of the cost of any such facility shall not exceed the amount of the allowance claimed therefor by the taxpayer in the taxpayer's income tax return filed with the United States for such income year or the amount allowable therefor pursuant to the provisions of Section 168 or Section 169 of the Federal Internal Revenue Code of 1954. This paragraph shall not relate to the determination of the liability of any taxpayer for income tax due to the State of North Carolina for any income year ending on or prior to December 31, 1954, nor shall it affect in any way the validity of any assessment for income taxes due for any such year to the State of North Carolina heretofore made by the Commissioner of Revenue or his authorized representative, or the liability of any taxpayer for the payment of any tax, interest, or penalty so assessed, and shall apply only to construction completed and/or assets acquired on or subsequent to January 1, 1955. Any deduction for the amortization of any such facility claimed and allowed pursuant to this subsection shall be in lieu of any deduction for the depreciation or obsolescence of such facility which would otherwise be allowed pursuant to the provisions of subsection 8 of this Section. The provisions of this subsection shall not apply to any corporation the net income of which is required to be computed under the provisions of Section 105-136 of the General Statutes of North Carolina."

Sec. 2. Section 105-147 of the General Statutes of North Carolina is further amended by adding at the end of subsection 1 thereof a new paragraph to be designated by the appropriate letter and to read as follows:

"As to taxpayers engaged in the business of farming, reasonable expenditures paid and reasonable indebtedness incurred during the income year for the purpose of soil or water conservation in respect of land used in farming, or for the prevention of erosion of land used in farming. The amount of such expenditures and indebtedness claimed as a deduction under this paragraph shall not exceed the amount of the deduction therefor claimed by the taxpayer upon his income tax return filed with the United States for such income year or the amount allowable therefor in accordance with the provisions of Section 175 of the Federal Internal Revenue Code of 1954. No deduction shall be allowed in any income year on account of the depreciation, obsolescence, or amortization of any structure, improvement, or property any part of the cost of which has been claimed as an expense deductible under this subsection."

Sec. 3. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 4. This Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 26th day of May, 1955.

The General Assembly of North Carolina do enact:

Section 1. That Sections 160-226 and 160-227 of the General Statutes of North Carolina are hereby repealed and that the following Sections are hereby substituted in lieu thereof:

160-226. MUNICIPAL LEGISLATIVE BODY AS PLATTING AUTHORITY. The legislative body of any incorporated city or town is hereby authorized to enact an ordinance regulating the platting and recording of any subdivision of land as defined by this Act lying within the municipality or within one mile in all directions of its corporate limits and not located in any other municipality. In the event of land

lying outside a municipality and lying within a distance of one mile or more than one municipality, the jurisdiction of each such municipality shall terminate at a boundary line equidistant from the respective corporate limits of each such municipality.

160-226.1. PROCEDURE FOR ADOPTING SUBDIVISION ORDINANCE. Before the legislative body of any municipality shall adopt a Subdivision Control Ordinance or any amendment thereto under the provisions of this Act, the legislative body shall hold a public hearing on the proposed ordinance. A notice of such public hearing shall be given once a week for two successive calendar weeks in a newspaper published in such municipality, or if there be no newspaper published in the municipality, by posting such notice at four public places in the municipality, said notice to be published the first time, or posted, not less than fifteen days nor more than twenty-five days prior to the date fixed for said hearing.

160-226.2. PROCEDURE FOR FILING PLAT. If the legislative body of a municipality adopts an ordinance regulating the subdivision of land as authorized herein, no subdivision plat shall be filed or recorded until it shall have been submitted to and approved by said legislative body and such approval entered in writing on the plat by the city or town clerk provided a copy of such ordinance shall be filed with the register of deeds of the county or counties in which the municipality is situated. The register of deeds upon receipt of such ordinance shall not thereafter file or record a plat of a subdivision of land located within the territorial jurisdiction of such municipal legislative body as defined herein without the approval of such plat by said legisaltive body as required in this Act. The owner of land shown on a subdivision plat submitted for recording, or his authorized agent, shall sign a statement on the plat stating whether or not any land shown thereon is within the territorial jurisdiction of any municipality as defined herein. No Clerk of Superior Court shall order or direct the recording of a plat where such recording would be in conflict with this Section.

160-226.3. SUBDIVISION REGULATIONS. Prior to exercising the powers granted to it by this Act, the municipal legislative body shall by ordinance adopted pursuant to this Act adopt regulations governing the subdivision of land within its platting jurisdiction as defined in Section 160-226. Such ordinance shall require that at least a preliminary plan of every proposed subdivision shall be submitted for study recommendation and tentative approval to the legislative body or to a planning board created and appointed under the authority of Sections 160-22 to 160-24 of the General Statutes or other similar statutory authority.

Such ordinance may provide for the orderly development of the municipality and its environs; for the coordination of streets within proposed subdivisions with existing or planned streets or with other public facilities; for the dedication or reservations of rights of way or easements for street and utility purposes; and for the distribution of population and traffic which shall avoid congestion and overcrowding, and which shall create conditions essential to public health, safety, and general welfare.

Such ordinance may include requirements for the final plat to show

sufficient data to determine readily and reproduce accurately on the ground the location, bearing, and length of every street and alley line, lot line, easement boundary line, and other property boundaries, including the radius and other data for curved property lines, to an appropriate accuracy and in conformance with good surveying practice.

160-226.4 EFFECT OF PLAT APPROVAL ON STATUS OF DEDICATIONS. The approval of a plat by the legislative body shall not be deemed to constitute or effect the acceptance by the municipality or public of the dedication of any street or other ground, public utility line, or other public facility shown upon the plat.

160-226.5. PENALTIES FOR TRANSFERRING LOTS IN UNAPPROVED SUBDIVISIONS. If the legislative body of a municipality adopts an ordinance regulating the subdivision of land as authorized herein, any person who, being the owner or agent of the owner of any land located within the platting jurisdiction granted to the municipality by Section 160-226, thereafter transfers or sells such land by reference to a plat showing a subdivision of such land before such plat has been approved by said legislative body and recorded in the office of the appropriate register of deeds, shall be guilty of a misdemeanor, and the description by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring shall not exempt the transaction from such penalties. Said municipality, through its city attorney or other official designated by its local legislative body, may enjoin such transfer or sale by action for injunction.

160-226.6. DEFINITIONS. For the purpose of this Act, the following definition shall apply:

Subdivision. A "subdivision" shall include all divisions of a tract or parcel of land into two or more lots, building sites, or other divisions for the purpose, whether immediate or future, of sale, or building development, and shall include all divisions of land involving the dedication of a new street or a change in existing streets; provided, however, that the following shall not be included within this definition nor be subject to the regulations authorized by this Act: (1) The combination or recombination of portions of previously platted lots where the total number of lots is not increased and the resultant lots are equal to or exceed the standards of the municipality as shown in its subdivision regulations, (2) the division of land into parcels greater than five acres where no street right of way dedication is involved; (3) the public acquisition by purchase of strips of land for the widening or opening of streets; (4) the division of a tract in single ownership whose entire area is no greater than two acres into not more than three lots, where no street right of way dedication is involved and where the resultant lots are equal to or exceed the standards of the municipality, as shown in its subdivision regulations.

160-227. POWERS GRANTED HEREIN SUPPLEMENTARY. The powers granted to municipalities by this Act shall be deemed supplementary to any powers heretofore or hereafter granted in their charters or by local statute for the same or a similar purpose, and in any case where the provisions of this Act conflict with or are different from such provisions

of any charter or local statute, the legislative body of the municipality may in its discretion proceed in accordance with the provisions of such charter or local statute, or, as an alternative method, in accordance with the provisions of this Act.

Sec. 2. The General Assembly of North Carolina do enact:

Section 1. The procedure for adjudicating small claims in the Superior Courts of this State shall be as herein set forth. A small claim is defined as:

(a) An action in which the relief demanded is a money judgment and the sum prayed for (exclusive of interests and costs of court) by the plaintiff, defendant, or other party does not exceed one thousand dollars ($1,000.00), which may include the ancillary remedy of attachment if the property to be attached does not exceed a value of one thousand dollars ($1,000.00); or,

Provided, that for the purposes stated in G. S. 105-122 and G. S. 105-134, and for those purposes only, the Commissioner of Revenue, ex officio, shall also be a member of said Board. The State Treasurer, ex officio, shall be Chairman of the Board.

"The Chairman or any two members, upon five days' notice, may call a meeting of the Board; provided, any member of the Board may waive notice of a meeting and the presence of a member of the Board at any meeting shall constitute a waiver of the notice of said meeting. A majority of the members of the Board shall constitute a quorum, and any act or decision of a majority of the members shall constitute an act or decision of the Board, except for the purposes and under the conditions of the provisions of G. S. 105-122 and G. S. 105-134.

"The Tax Review Board may employ a secretary and such clerical assistance as it deems necessary for the proper performance of its duties. All expenses of the Board shall be paid from sums appropriated from the contingency and emergency fund to the use of said Board. If the full time of such secretary and clerical staff should not be needed in connection with the duties of such Board, such secretary and staff can be assigned by the Board to other duties related to the tax program of the State.

"The regular sessions of the Tax Review Board shall be held in the City of Raleigh at the offices provided for the Board by the Superintendent of Public Buildings and Grounds. The Board may, in its discretion, hold other meetings at any place in the State."

"105-262. Rules and Regulations.—The Commissioner of Revenue shall, from time to time, initiate and prepare such regulations, not inconsistent with law, as may be useful and necessary to implement the provisions of all the Articles of Subchapter I (except Article 8-B) and Article 36 of Subchapter V, such regulations to become effective when approved by the

Tax Review Board. All regulations and amendments thereto shall be published and made available by the Commissioner of Revenue.

"The Commissioner of Revenue may, from time to time, make and prescribe such administrative rules, not inconsistent with law and the regulations approved by the Tax Review Board, as may be useful for the administration of his department and the discharge of his responsibilities.

"References to rules and regulations of the Commissioner of Revenue in this Chapter and in any subsequent amendments or additions thereto (unless expressly provided to the contrary therein) shall be construed to mean those rules and regulations promulgated under the provisions of this Section."

Sec. 3. Chapter 18 of the General Statutes is hereby amended by inserting therein in its proper place a new Section to be numbered 18-89.1 and to read as follows:

"18-89.1. Rules and Regulations.—The Commissioner of Revenue shall, from time to time, initiate and prepare such regulations, not inconsistent with the provisions of G. S. 18-78 or other provisions of law, as may be useful and necessary to implement the provisions of this Article, such regulations to become effective when approved by the Tax Review Board. All regulations and amendments thereto shall be published and made available by the Commissioner of Revenue.

"The Commissioner of Revenue may, from time to time, make and prescribe such administrative rules, not inconsistent with law and the regulations approved by the Tax Review Board, as may be useful for the administration of his department and the discharge of his responsibilities.

"References to rules and regulations of the Commissioner of Revenue in this Chapter and in any subsequent amendments or additions thereto (unless expressly provided to the contrary therein) shall be construed to mean those rules and regulations promulgated under the provisions of this Section."

Sec. 4. Section 105-264 of the General Statutes is hereby amended by rewriting the first sentence thereof to read as follows:

"It shall be the duty of the Commissioner of Revenue to construe all Sections of this Subchapter (except Article 8-B) and all Sections of Article 36 of Subchapter V; provided, such construction shall not be inconsistent with applicable regulations duly promulgated under the provisions of G. S. 105-262; provided further, nothing in this Section shall be construed to prohibit the Commissioner of Revenue from initiating and proposing regulations, as provided in G. S. 105-262, modifying, changing, altering or repealing existing regulations."

Sec. 5. Chapter 105 of the General Statutes is hereby amended by inserting therein in its proper order in the Chapter a new Section to be numbered 105-241.2 and to read as follows:

"105-241.2. Administrative Review; Jeopardy Assessment.—(1) Without having to pay the tax asserted to be due by the Commissioner under this Chapter and denied by the taxpayer, any taxpayer may secure from the Tax Review Board an administrative review of the Commissioner's decision with respect to his asserted tax liability by filing a petition with

the Tax Review Board, and a copy thereof with the Commissioner, requesting said review. The petition shall be filed within thirty days from the time the Commissioner, following the prescribed hearing, notifies the taxpayer of his decision; and said petition shall state in concise terms the grounds upon which the review is sought. At the time of filing said petition with the Tax Review Board, the taxpayer shall give a bond in an amount equal to the amount of tax, penalties, and interest asserted by the Commissioner to be due plus an amount sufficient to cover the costs of the review, but in no event for less than fifty dollars ($50.00). Upon receipt by the Commissioner of the taxpayer's petition, the Commissioner shall transmit to the Tax Review Board all of the records, data, evidence, and other materials which he has pertaining to the matters which the Tax Review Board is being requested by the taxpayer to review. He shall also transmit to the Board a copy of his decision respecting such matters. The Tax Review Board is authorized to establish by regulations the amount of bond necessary to cover costs and to establish by regulations a schedule of costs. The Tax Review Board shall fix a time for reviewing the Commissioner's decision and shall hear the same in the City of Raleigh. The Board shall give notice of the time and place of such hearing to the petitioner and to the Commissioner at least ten days prior thereto. Officers and employees of the Revenue Department, when so requested by the Board, shall attend hearings on such reviews and shall furnish the Board with all information they have respecting the asserted liability. The Tax Review Board may establish by regulation the procedures to be followed in hearings before it. At least two members of the Board shall sit at the hearing and all members shall consider and decide the matters on review. The Board shall confirm, modify, reverse, reduce, or increase the assessment or decision of the Commissioner; and it shall furnish a written copy of its order to the Commissioner and shall serve a written copy of its order upon the taxpayer by personal service or by registered mail (return receipt requested). In the event the decision of the Tax Review Board should not result in a reduction of the tax liability asserted by the Commissioner to be due, or if the Tax Review Board should dismiss the petition under the provisions of subsection (2) of this Section, the costs of the proceeding shall be added to and shall become a part of the tax liability to be collected by the Commissioner. In the event the decision of the Tax Review Board should result in a reduction of the tax liability asserted by the Commissioner to be due, no costs shall be taxed against the taxpayer.

"(2) Upon receipt of a petition requesting administrative review as provided in the preceding subsection, the Tax Review Board shall examine the petition and the records and other data transmitted by the Commissioner and pertaining to the matter of which review is sought. Upon a finding of one or both of the conditions listed below, the Tax Review Board shall refuse to grant the requested administrative review: (a) That the grounds stated in the petition raise only a question or questions of fact and that the records and data examined by the Board show no reasonable basis for dispute as to the facts. (b) That the grounds stated in the

petition and the records and data examined by the Board show that the petition was filed for frivolous purposes or for purposes of delay.

"(3) At any time prior to the giving of bond as required in subsection (1) of this Section, the Commissioner of Revenue shall have authority if, in his opinion, such action is necessary for the protection of the interest of the State, to proceed at once to levy a jeopardy assessment for the amount of the tax against the property of the taxpayer seeking the administrative review. In levying said assessment the Commissioner shall make a certificate setting forth the essential parts relating to the tax, including the amount thereof asserted to be due, the date when same is asserted to have become due and payable, the person, firm, or corporation chargeable therewith, and the nature of the tax. Under his hand and seal the Commissioner shall transmit said certificate to the Clerk of the Superior Court of any county in which the taxpayer resides or has property; whereupon, it shall be the duty of the Clerk of the Superior Court of the county to docket the said certificate and to index the same on the cross-index of judgments. When so docketed and indexed, said certificate of tax liability shall constitute a lien upon the property of the taxpayer to the same extent as that provided for by G. S. 105-241. No execution shall issue on said certificate before final determination of the administrative review by the Tax Review Board; provided, however, if the Commissioner determines that the collection of the tax would be jeopardized by delay, he may cause execution to be issued, as provided in this Chapter, immediately against the personal property of the taxpayer unless the taxpayer files with the Commissioner a bond in the amount of the asserted liability for tax, penalty and interest. If upon such final administrative determination the tax asserted or any part thereof is sustained, execution may issue on said certificate at the request of the Commissioner of Revenue, and the sheriff shall proceed to advertise and sell the property of the taxpayer.

"(4) Taxpayers seeking administrative review of liability decisions of the Commissioner of Insurance under Article 8-B of this Sub-chapter shall follow the procedure prescribed in subsection (1) of this Section for taxpayers seeking administrative review of decisions of the Commissioner of Revenue. In such cases all provisions of this Section referring to the Commissioner of Revenue shall be considered as applying to the Commissioner of Insurance."

Sec. 6. Chapter 105 of the General Statutes is hereby amended by inserting therein in its proper place a new Section to be numbered Section 105-241.3 and to read as follows:

"105-241.3. Appeal Without Payment of Tax from Tax Review Board Decision.—(1) Any taxpayer aggrieved by the decision of the Tax Review Board may, without prior payment of the tax, appeal said decision to the Superior Court under the provisions of Article 33 of Chapter 143 of the General Statutes; provided, neither this Section nor the provisions of Article 33 of Chapter 143 shall be construed to prohibit a jeopardy assessment and execution made in accordance with the provisions of G. S. 105-241.2.

"(2) When an appeal is taken under this Section from the Tax Review

Board's dismissal of a petition for administrative review under the provisions of G. S. 105-241.2 (2), the question of appeal shall be limited to a determination of whether the Tax Review Board erred in its dismissal, and in the event that the court finds error, the case shall be remanded to the Tax Review Board to be heard."

Sec. 7. Chapter 105 of the General Statutes is hereby amended by inserting therein in its proper place a new Section to be numbered Section 105-241.4 and to read as follows:

"105-241.4. Action to Recover Tax Paid Under Protest.—Within thirty days after notification of the Commissioner's decision with respect to liability under this Subchapter or under Article 36 of Subchapter V, any taxpayer aggrieved thereby, in lieu of petitioning for administrative review thereof by the Tax Review Board under G. S. 105-241.2, may pay the tax under protest and bring a civil action for its recovery as provided in G. S. 105-267.

"Any taxpayer who has obtained an administrative review by the Tax Review Board as provided by G. S. 105-241.2 and who is aggrieved by the decision of the said Board may, in lieu of appealing pursuant to the provisions of G. S. 105-241.3, within thirty days after notification of the Board's decision with respect to liability pay the tax under protest and bring a civil action for its recovery as provided in G. S. 105-267.

"Either party may appeal to the Supreme Court from the judgment of the Superior Court under the rules and regulations prescribed by law for appeals, except that the Commissioner, if he should appeal, shall not be required to give any undertaking or make any deposit to secure the cost of such appeal.

"Any taxes, interest or penalties paid and found by the court to be in excess of those which can be properly assessed shall be ordered refunded to the taxpayer with interest from time of payment."
